Speaking In Our Tongues:

What the Bible Says about Speaking in Tongues John Argubright, 2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets

Speaking in Tongues Alexander O. Sign, 2014-06-05 This book will give you an in depth biblical understanding of speaking in tongues It examines the designs uses and benefits of speaking in tongues and the right biblical attitudes every Christian should adopt toward speaking in tongues It exposes you to why speaking in today is still for today and why some Christians can't speak in tongues

Speaking in Tongues Mark J. Cartledge, 2012-04-04 Speaking in tongues glossolalia is a common spiritual phenomenon in the Pentecostal and Charismatic streams of the Christian church Such Christians believe that when they speak in tongues they are communicating with God in a language that they have never learned spiritual prayer language given to them by the Holy Spirit This innovative volume seeks to enhance our understanding and appreciation of glossolalia by examining it from a range of different angles Christian scholars from diverse academic disciplines bring to bear the insights of their own specialist areas to shed new light on the practice of speaking in tongues The disciplines include New Testament Studies Max Turner Theology Frank D Macchia History Neil Hudson Philosophy James K A Smith Linguistics David Hilborn Sociology Margaret M Poloma Psychology William K Kay A final chapter by Mark J Cartledge seeks to show how all of these perspectives can work together and enrich a Christian appreciation of the gift of tongues

Speaking in Tongues: A Critical Historical Examination, Volume 2 Philip E. Blosser, Charles A. Sullivan, 2023-08-21 In three carefully researched volumes this ground breaking study examines the gift of tongues through two thousand years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church's perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a Semitic liturgical language requiring bilingual interpreters This second volume tracks the perception and practice of tongues back through the first eighteen hundred years of church history demonstrating that tongue speaking was always active but puzzlingly different from today's glossolalia From Pope Benedict XIV's detailed treatise in the 1700s it works back through long forgotten scholastic and patristic debates to the earliest Christian writers such as Irenaeus No

other resource on the subject approaches the depth and scope of the present volume *Speaking in Tongues* Kathleen Schwab, Matthew Schwab, Chris McKinney, 2020-02-02 Have you ever wondered why your prayer language doesn't sound like real words And why is it so repetitive Why does it usually start with the same few words or syllables Maybe you've asked those questions at times We've asked the same questions and quite a few others regarding the gifts of tongues and interpretation of tongues Then we sought the Lord for understanding of these gifts and did our best to operate in them faithfully He gave us many insights and answers and then brought it all together in a book That was something we never really planned It just sort of happened We aren't megachurch pastors We don't lead multi-national ministries But we did have a calling from the Lord to write a book and spread a message What exactly is that message Speaking in tongues and interpreting tongues are powerful gifts with practical use for everyday people like us When people operate in these gifts God blesses the person operating in the gift but He also blesses the people around them Other Questions We Explore in the Book What does speaking in tongues feel like emotionally What is the purpose of speaking in tongues What are the benefits How does the gift of interpretation work Are biblical tongues earthly languages or heavenly languages Or both We invite you to explore these questions with us as you read through our book Come and Join Us Online Be sure to check out Called Writers on YouTube for instructions and testimonies about the gifts of tongues and interpretation of tongues CalledWriters.com Speaking in Tongues also has updated testimonies a free book excerpt videos and other information about speaking in tongues and interpreting tongues God has continued to move and bless people through these spiritual gifts since publication of the book Special Offer This book contains a coupon code for GODSPEED Magazine a new Christian magazine that covers God in Action around the world So readers of our book can get a free 90 day trial subscription 15 value using the coupon code found in the book A nice little bonus reward for purchasing this book About the Publisher Called Writers Christian Publishing is a new Christian publishing house that seeks to build up the Body of Christ and spread the Gospel We really appreciate you considering our book Thank you so very much for your support *Hidden Power of Speaking in Tongues* Mahesh Chavda, 2011-07-28 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of speaking in tongues in their book They Speak with Other Tongues The book was an immediate success as thousands were touched by the power of this spiritual gift The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day In a day of spiritual poverty Chavda challenges the Body of Christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift **An Essential Guide to Speaking in Tongues** Ron Phillips, 2011-06-07 This book is part of the Foundation Series by Pastor Ron Phillips The series will contain books describing the basic foundational truths for the Spirit-filled believer An Essential Guide to Speaking in Tongues will describe the author's own experience with speaking in tongues The author brings great balance

Should All Speak with Tongues? Mac Ward Symes, 2013-03-07 Should All Speak with Tongues is a resource for anyone truly interested in whether or not speaking in tongues is a valid current manifestation of the Holy Spirit that should be experienced by all Christian believers. It shows scripturally how one is given the gift of the Holy Spirit when born again, which Jesus described as being born of the Spirit. John 3:78 therefore one has the potential for the operation of all the gifts of the Spirit immediately upon being saved and should walk and live in the Spirit thereafter. Galatians 5:23 Speaking in tongues is one of the nine gifts of the Spirit that are given to every believer. Now to each one the manifestation of the Spirit is given for the common good. 1CO 12:7 NIV

The Englishman's Greek concordance Georg Vicesimus Wigram, 1848

Christ In Our Midst Clairann Nicklin, 2018-04-16 This book was written to help me understand what the fruits and the gifts of the Holy Spirit are and what they were supposed to mean to me and how to use them in my life. The more that I discovered and shared with others, the more that I understood that I was to share this knowledge with all who have this same hunger. The fruits of the Holy Spirit given to us as a grace from God in our baptism are what molds us into the image and likeness of God. Genesis 1:26 The fruits are the personality of Jesus when He lived on earth. Jesus gives us the example with His very life. It is important for us to be fruitful and multiply physically for life to carry on, but it is spiritual fruitfulness that will change the world. We each have an intricate role to fill, whether single, married, laity, religious, man, woman, child, adult. God created each of us for a specific purpose. And He gives us the tools to do our work. They are the gifts of the Holy Spirit that are listed in Isaiah 11:2-3. The most known charismatic gifts are listed in 1 Corinthians chapters 12-14, but this is not all; there is more. To each one is given a manifestation of the spirit for the common good. 1 Corinthians 12:7. When we use a charism to help another person, our Isaiah gifts come forward within us, and as that happens, the fruits of the Holy Spirit pour out of us as a grace from God, that is how we share the love of God with another. God doesn't make cookie-cutter Christians; He tailors each individual for a special ministry to help our Church grow. Can you believe it? God wants us to fulfill a portion of His plan designed to bring all people to eternity with Him. Writing this book has helped me understand the simplicity of how the fruits, gifts, and charisms work together to build up the kingdom of God.

The Tongues of Angels John C. Poirier, 2010 The Apostle Paul's reference to the tongues of angels, 1 Cor 13:1, has always aroused curiosity, but it has rarely been the object of a history of traditions investigation. Few readers of Paul's words are aware of the numerous references and allusions to angelic languages in Jewish and Christian texts. John C. Poirier presents the first full-length study of the concept of angelic languages and the most exhaustive attempt to assemble the evidence for that concept in ancient Jewish and early Christian texts. He discusses possible references to angelic languages in the New Testament, pseudepigraphic writings, both Jewish and Christian, the Dead Sea scrolls, rabbinic texts, patristic references, magical writings, and epigraphy. The discussion is divided between those witnesses that understand angels to
