Speaking With Strangers A Memoir:

Speaking with Strangers Mary Cantwell, 1998-04-28 From the author of *American Girl* a profoundly moving memoir of single motherhood loneliness and finding one's way home The New York Times After growing up in a small New England town and achieving professional success working for Manhattan fashion magazines Mary Cantwell finds herself personally bereft Having made it through to the other side of a painful divorce she is faced with the challenge of raising two daughters alone and seizes any opportunity to leave it all behind if only for a while Taking on travel assignments that send her around the world Cantwell recounts her experiences in vivid detail as she makes fleeting connections with strangers in all walks of life But above all she craves the intimacy she has lost both in the death of her marriage and that of her beloved father Eventually Cantwell finds passion in an intense and tumultuous affair with a famous writer she refers to only as the balding man But as time goes on she realizes she must face her responsibilities at home In this unflinching account of a trying time in a woman's life Cantwell writes with a breathless intensity about love affairs and friendships impulsive decisions and equally sudden fits of repentance People Anyone who has read Cantwell's earlier memoirs *American Girl* 1992 and *Manhattan When I Was Young* 1995 knows her voice is as tough as golden as graceful as forsythia taking hold in a city backyard A dark heady wine of a book every sip is memorable and complex Booklist
