Speaking In Public And Private:

Religion in Public and Private Life (Routledge Revivals) Clarke E. Cochran, 2014-06-27 Religious crosses the spheres of both the private life and the public institution In a liberal democracy public and private interests and goals prove to be inseparable Clarke Cochran's interdisciplinary study brings political theory and the sociology of religion together in a fresh interpretation of liberal culture First published in 1990 this analysis begins with a reassessment of the nature of the public and the private in relation to the political The controversy over religion and politics is examined in light of such contested issues of political life as sexuality abortion and the changing nature of the family Clarifying a number of debates central to contemporary society this timely reissue will be of particular value to students with an interest in the relationship between religious society and politics

The Gospel of John in Cultural and Rhetorical Perspective Jerome H. Neyrey,2009-11-10 Johns Gospel has been studied and evaluated and interpreted constantly by theologians throughout the ages Can anything more possibly be said Jerome Neyrey says it can indeed by interpreting it in two fresh ways by means of ancient rhetoric and by viewing it in its cultural context In order to find patterns and concepts that have a bearing on how to read John Neyrey examines the rhetoric of praise and blame described in the ancient encomium the Greek commonplace on noble death rules for rhetorical conclusions and Jewish background materials He then uses materials from cultural anthropology such as the effects of limited good and envy secrecy and brokerage Even innocent topics such as time and space have much to say about interpreting the figure of Jesus In viewing John through these two lenses *The Gospel of John in Cultural and Rhetorical Perspective* brings the book into clear focus as a truly maverick gospel

Public Vs. Private Robert N. Gross,2018 Americans choose from a dizzying array of schools loosely categorized as public and private How did these distinctions emerge and what do they tell us about the relationship in the United States between public authority and private enterprise Challenged by the rise of Catholic and other parochial schools in the nineteenth century states sought to protect the public school monopoly through regulation Ultimately however Robert N Gross shows how the public policies that resulted produced a stable educational marketplace where choice flourished

Managed Speech Gregory P. Magarian,2017 This book comprehensively explores and critiques how the current U S Supreme Court under the leadership of Chief Justice John Roberts has reshaped First Amendment law It argues that this Court has consistently used First Amendment law to promote a limited view of freedom while bolstering social and political stability This book examines every decision about expressive freedom the Supreme Court handed down between Chief Justice Roberts ascent in September 2005 and Justice Scalia s death in February 2016 During Chief Justice Roberts tenure the Court has issued more than forty decisions that interpret the First Amendment s speech protections These decisions comprise one of the most important parts of this Court s record and legacy while inspiring sharply divergent judgments The author explores many of the key recurring debates in First Amendment law as well as providing much needed attention on the special problems of the government preserve cases and the high stakes of the electoral process cases

Management Control in Public-Private Partnerships Thomas S. Konrad,2018-06-27 Thomas S Konrad analyzes the management control design and reveals critical success factors of strategically oriented public private partnerships for development between international governmental actors and the private sector He builds a sound basis for the identification of a research gap and the derivation of research questions The results generate sufficient evidence to answer these questions

and therefore to close the identified research gap Finally he excelled in the discussion of the results by making a contribution of theory and by providing substantive recommendations to practitioners equally well **List of Bills, Etc. for Public and Private Acts Pending Before Committees of the General Assembly on ...** Connecticut. General Assembly,1921

Hannah Arendt Phillip Hansen,2013-06-26 The new study provides a fresh and timely reassessment of the political philosophy of Hannah Arendt While analysing the central themes of Arendt's work Phillip Hansen also shows that her work makes a significant contribution to contemporary debates Specifically Hansen argues that Arendt provides a powerful account of what it means to think and act politically This account can establish the grounds for a contemporary citizen rationality in the face of threat to a genuine politics Among other issues Hansen discusses Arendt's conception of history and historical action her account of politics and of the distinction between public and private her analysis of totalitarianism as the most ominous form of false politics and her treatment of revolution The book is a balanced and opportune reappraisal of Arendt's contributions to social and political theory It will be welcomed by students and scholars in politics sociology and philosophy

Public Action in the crisis Philippe Bance,2012-06-04 Confronted with the major crisis that struck the world economy at the end of the first decade of the twenty first century analysts researchers and political leaders studied past experiences to avoid repeating errors of diagnosis recommendation or action The disastrous experience of the Great Depression of the 1930's which caused social misery massive unemployment protectionism forms of nationalism and led to a world war whose devastating effects were pushed to an extreme remained in mind
