Speaking Out For Women A Biblical View:

Speaking Out for Women, a Biblical View Philip Siddons, 1980 *Recovering Biblical Manhood and Womanhood* John Piper, Wayne Grudem, 2006-08-08 A controversy of major proportions has spread through the church. Recent generations bear witness to the rise of evangelical feminism, a movement that has had a profound impact on all of life, challenging some of our basic Christian beliefs. In this new edition of an influential and award-winning best seller, more than twenty men and women have committed their talents to produce the most thorough response yet to this modern movement. Combining systematic argumentation with popular application, this volume deals with all of the main passages of Scripture brought forward in this controversy regarding gender-based role differences. Anyone concerned with the fundamental question of the proper relationship between men and women in home, church, and society will want to read this book. New preface included.

Women, Authority & the Bible Alvera Mickelsen, 1986-03-21 Editor Alvera Mickelsen presents a collection of essays from twenty-seven evangelical scholars which address the biblical view of women's roles in church and society. **Feminist Companion to Paul** Amy-Jill Levine, 2003-09-01 The seventh volume of this Companion series is devoted to the writings ascribed to Paul but widely thought not to be genuinely from the Apostle. These are of particular importance in showing how Paul's authority was exploited in the Early Church, and the topics addressed often deal with Christian discipline and hierarchy. Hence there is a particularly strong feminist agenda to be explored here. The Pastoral Epistles, Ephesians, and Colossians are prominent among the writings addressed in this sparkling collection, and the authors include David Scholer, Luise Schottroff, Bonnie Thurston, Lilian Portefaix, Sara Winter, and Ingrid Rosa Kitzberger. **The Female Prophets of the Bible** The Rev. Debra Moody Bass, Ph.D., 2018-01-18 This book highlights five female prophets that have prophesied in both the Old Testament and New Testament. The book encourages women to accept their calling from God at whatever level God appoints them. Too often the female characters in the Bible have all been lumped together under the category "women in the Bible." This has diminished the role women like Deborah and Anna have played in God's plan for salvation. God is no respecter of persons; God uses whom God chooses, no matter the gender. **Preaching the Women of the Old Testament** Lynn Japinga, 2017-02-16 Take an in-depth look at over twenty fierce, faithful, and strong women featured in the Old Testament with *Preaching the Women of the Old Testament*. Inside this unique resource, author Lynn Japinga interprets the stories of various biblical women, including Eve, Rebekah, Dinah, Tamar, Miriam, Deborah, Jael, Abigail, Bathsheba, and Vashti. Along with providing an interpretation, Japinga demonstrates how the character's story has been read in Christian tradition and offers sermon ideas that connect contemporary issues to each story. This book is ideal for pastors who want to know more about the many women of the Old Testament and learn how to better incorporate them into their sermons. *Till the Heart Sings* Samuel L. Terrien, 2004 Samuel Terrien systematically shows that when the books of the Old and New Testaments are viewed in their historical growth, they reveal a theology of manhood and womanhood that runs counter to modern religious attitudes and

practices *Remaking the Godly Marriage* John P. Bartkowski, 2001 In *Remaking the Godly Marriage* John Bartkowski studies evangelical Protestants and their views on marriage and gender relations and how they are lived within individual families The author compares elite evangelical prescriptions for godly family living with the day to day practices in conservative Protestant households He asks How serious are the debates over gender and the family that are manifested within contemporary evangelicalism What are the values that underlie this debate Have these internecine disputes been altered by the emergence of new evangelical movements such as biblical feminism and the Promise Keepers And given the fact that leading evangelicals advance competing visions of godly family life how do conservative religious spouses make sense of their own family relationships and gender identities **Pastoral Epistles, Volume 46** Zondervan, 2017-10-10 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary

Slavery, Sabbath, War & Women Willard M. Swartley, 1983-05-07 The Bible appears to give mixed and even conflicting signals on the four case issues of slavery Sabbath war and women New Testament scholar Willard Swartley seeks to identify the difficulties surrounding these discussions and clarify basic learnings in biblical interpretation in a spirit of unity and

dialogue As a predecessor to his 2003 publication *Homosexuality* this book rounds out a thorough spirit filled discussion of some of the most contentious and sensitive issues facing the church today *Liberated Traditionalism* Ronald B.

Allen,Beverly Allen,2009-07-01 In the struggle between the sexes Ronald and Beverly Allen are peacemakers With feminists they feel fully the past and present pain the yearning for new freedom and fulfillment But they also trust the Bible the source for all that is oldest and best in male female traditions To open your mind to what really matters in the women s movement the Allens take you everywhere to the incomparable events in Eden and to Paul s perplexing directives in the New Testament to Betty Friedan in the sixties and a different Betty Friedan in the eighties to Sarah and Steinem to Deborah and deBeauvoir to Proverbs 31 and Archie Bunker The result is a call to balance to help you rise from the ruts of injustice and insensitivity and yet stay in the safe confines of God s design *The Women's Lectionary* Ashley M. Wilcox,2021-08-31

Focusing on passages about women in the Bible and feminine imagery of God The Women s Lectionaryreimagines the liturgical calendar of preaching for one year These women are daughters wives and mothers They are also strong leaders evil queens and wicked stepmothers They are disciples troublemakers and prophetesses Ashley Wilcox explores how the feminine descriptions of God in the Bible are similarly varied how does it change our understanding if God is feminine wisdom has wings or is an angry mother bear Discover this must have lectionary perfect for every female clergyperson or anyone seeking to incorporate more insights from a female perspective into their preaching From well known figures like Miriam and Mary to lesser known women like Huldah and Sapphira to feminine metaphors this comprehensive resource features more than one hundred commentary essays with an Old Testament and New Testament passage for each Sunday of the year and special holy days in the calendar *The Upside-Down Kingdom* Donald B. Kraybill,2018-01-12

The Upside Down Kingdom calls readers to imagine and embody the reign of God on earth as it is in heaven Since its publication in 1978 The Upside Down Kingdom won the National Religious Book Award and has become the most trusted resource on radical Christian discipleship In this completely updated anniversary edition author Donald B Kraybill asks What does it mean to follow the Christ who traded victory and power for hanging out with the poor and forgiving his enemies How did a man in first century Palestine threaten the established order and what does that mean for us today Jesus turned expectations upside down The kingdom of God is still full of surprises Are you ready Free downloadable study guide available here **Evangelical Feminism and Biblical Truth** Wayne Grudem,2012-11-30

What does the Bible really teach about the roles of men and women Bible scholar Wayne Grudem carefully draws on 27 years of biblical research as he responds to 118 arguments often levied against traditional gender roles Grudem counters egalitarian and feminist critiques with clarity compassion and precision showing God s equal value for men and women while celebrating the beauty in their differences **8 Great Dates for Moms and Daughters** Dannah Gresh,2014-08-01

The Violence of Scripture Eric A. Seibert, 2012. No one can read far in the Old Testament without encountering numerous acts of violence that are sanctioned in the text and attributed to both God and humans. Over the years, these texts have been used to justify all sorts of violence, from colonizing people and justifying warfare to sanctioning violence against women and children. Eric Seibert confronts the problem of virtuous violence and urges people to engage in an ethically responsible reading of these troublesome texts. He offers a variety of reading strategies designed to critique textually sanctioned violence while still finding ways to use even the most difficult texts constructively, thus providing a desperately needed approach to the violence of Scripture that can help us live more peaceably in a world plagued by religious violence.

African Pentecostalism, the Bible, and Cultural Resilience Biri, Kudzai, 2020-04-30. This volume, based on a PhD thesis submitted to the University of Zimbabwe, investigates the resilience of Shona religion and culture among ZAOGA Pentecostal Christians. Whereas the Pentecostal ideology suggests that old things have passed away, it appears that old things continue to have high significance for the new. The book demonstrates how belief in avenging spirits, witches, and witchcraft, value of words spoken prior to death, the role, status, and significance of women, belief in unnatural events, liturgy, and salvation have remained relevant to the lives of ZAOGA Shona converts. The patterns of continuity, discontinuity, extension, collaboration, contradiction, re-interpretation, and rejection between Shona traditional religion and culture and ZAOGA are explored, challenging the framing of African Pentecostalism as a mere imitation and parroting of US theology. The conclusion is that while ZAOGA self-consciously presents itself as a sophisticated transnational and progressive Pentecostal movement, members continue to wrestle with Shona indigenous beliefs and practices. An African womanist framework is adapted to challenge ZAOGA to promote the well-being of women.
