Special Kind Of Magic Guess Whos Comin:

Pictures at a Revolution Mark Harris, 2008-02-14 The epic human drama behind the making of the five movies nominated for Best Picture in 1967 *Guess Who's Coming to Dinner* *The Graduate* *In the Heat of the Night* *Doctor Doolittle* and *Bonnie and Clyde* and through them the larger story of the cultural revolution that transformed Hollywood and America forever It's the mid 1960s and westerns war movies and blockbuster musicals *Mary Poppins* *The Sound of Music* dominate the box office The Hollywood studio system with its cartels of talent and its production code is hanging strong or so it would seem Meanwhile Warren Beatty wonders why his career isn't blooming after the success of his debut in *Splendor in the Grass* Mike Nichols wonders if he still has a career after breaking up with Elaine May and even though Sidney Poitier has just made history by becoming the first black Best Actor winner he's still feeling completely cut off from opportunities other than the same noble black man role And a young actor named Dustin Hoffman struggles to find any work at all By the Oscar ceremonies of the spring of 1968 when *In the Heat of the Night* wins the 1967 Academy Award for Best Picture a cultural revolution has hit Hollywood with the force of a tsunami The unprecedented violence and nihilism of fellow nominee *Bonnie and Clyde* has shocked old guard reviewers but helped catapult Warren Beatty and Faye Dunaway into counterculture stardom and made the movie one of the year's biggest box office successes Just as unprecedented has been the run of nominee *The Graduate* which launched first time director Mike Nichols into a long and brilliant career in filmmaking to say nothing of what it did for Dustin Hoffman Simon and Garfunkel and a generation of young people who knew that whatever their future was it wasn't in plastics Sidney Poitier has reprised the noble black man role brilliantly not once but twice in *Guess Who's Coming to Dinner* and *In the Heat of the Night* movies that showed in different ways both how far America had come on the subject of race in 1967 and how far it still had to go What *City of Nets* did for Hollywood in the 1940s and *Easy Riders Raging Bulls* for the 1970s *Pictures at a Revolution* does for Hollywood and the cultural revolution of the 1960s As we follow the progress of these five movies we see an entire industry change and struggle and collapse and grow we see careers made and ruined studios born and destroyed and the landscape of possibility altered beyond all recognition We see some outsized personalities staking the bets of their lives on a few films that became iconic works that defined the generation and other outsized personalities making equally large wagers that didn't pan out at all The product of extraordinary and unprecedented access to the principals of all five films married to twenty years worth of insight covering the film industry and a bewitching storyteller's gift Mark Harris's *Pictures at a Revolution* is a bravura accomplishment and a work that feels iconic itself

[Sidney Poitier](#) Aram Goudsouzian, 2011-01-20 In the first full biography of actor Sidney Poitier Aram Goudsouzian analyzes the life and career of a Hollywood legend from his childhood in the Bahamas to his 2002 Oscar for lifetime achievement Poitier is a gifted actor a great American success story an intriguing personality and a political symbol his life and career illuminate America's racial history In such films as *Lilies of the Field* *In the Heat of the Night* and *Guess*

Who's Coming to Dinner Poitier's middle class mannered virtuous screen persona contradicted prevailing film stereotypes of blacks as half wits comic servants or oversexed threats His screen image and public support of nonviolent integration assuaged the fears of a broad political center and by 1968 Poitier was voted America's favorite movie star Through careful readings of every Poitier film Goudsouzian shows that Poitier's characters often made sacrifices for the good of whites and rarely displayed sexuality As the only black leading man during the civil rights era Poitier chose roles and public positions that negotiated the struggle for dignity By 1970 times had changed and Poitier was the target of a backlash from film critics and black radicals as the new heroes of blaxploitation movies reversed the Poitier model In the 1970s Poitier shifted his considerable talents toward directing starring in and producing popular movies that employed many African Americans both on and off screen After a long hiatus he returned to starring roles in the late 1980s More recently the film industry has reappraised his career and Poitier has received numerous honors recognizing his multi faceted work for black equality in Hollywood As this biography affirms Poitier remains one of American popular culture's foremost symbols of the possibilities for and limits of racial equality **Motion Picture Herald** ,1967-07 **HMM Dallas Music and Entertainment**

The 1961-1970: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute,1997 Back in print after more than fifteen years this American Film Institute Catalog covers the decade of the sixties This was the era in which films began to challenge the taboos on sex and violence and treated social issues in a new light Included in this volume are The Wild Bunch Bonnie and Clyde Guess Who s Coming to Dinner and Who s Afraid of Virginia Woolf The decade also produced such all time classics as The Sound of Music To Kill a Mockingbird and The Graduate The Periodical ,1909 **Bibliographic Survey: the Negro in Print** ,1967 **Comic Grace** James Combs,2013-07-26 Comic Grace is Comb s third book on the movies for Cambridge Scholars Publishing These books hardly

form a trilogy but they do express a pragmatic interest of the author namely the aspects of movies that we have not adequately studied More specifically the first Movie Time examines the inadequately understood temporal appearance of movies in movies set in the past the present and the future attempting to make sense of such questions as to why certain past periods still fascinate how an emergent present is accompanied by cinematic treatment and what kind of futures we like to speculate about by watching alternative futures on film This temporal interest was complemented in the second book Wit's End by examination of qualitative interest discussing how and why certain movies come to be regarded and remembered by the movie culture as great and memorable Even though there is obviously no unanimous agreement on which movies are canonical there is enough consensus among those who study and value films for us to constitute inquiry into why some films are thought great This third book in this sustained inquiry poses the question of not only why we think some movie comedies are great but also what is unique and enduring in the legacy of comedy on film The book looks at comedy with humane interest entertaining the proposition that comedy may well be motion picture's greatest achievement If so then it behooves inquirers to understand what movie audiences enjoy and cherish about movie comedy and what it is about the film medium that so adequately communicates the comedic across such vast audiences and why they never tire of certain kinds of comedy These interests will inspire students of the remarkable medium of film to inquire further into not only these questions but also others that they find interesting and illuminating about the film experience *How To Look After Bert Reynolds*
