Special Trust And Confidence Envoy Essays In Canadian Diplomacy:

Special Trust and Confidence David Chalmer Reece, 1996-11-15 These eclectic memoirs by seventeen former Canadian ambassadors explore the challenges both novel and routine confronting diplomats abroad They eschew the great moments in history in favour of real life problems designing a new embassy building furthering aid trade and immigration the closing of missions coping with war in the host country or dealing alternately with headquarters in Ottawa and mercurial heads of government Postings range from India Pakistan Bangladesh and Indochina the UN and NATO the Middle East and Iraq China and Japan Africa and the Caribbean to Western Europe Hungary and the former USSR These essays lend credence and force to the view that embassies often need or choose to take important initiatives and that instructions from Ottawa are often adapted or reinterpreted to deal with rapidly evolving local situations *Special Trust and Confidence* will appeal to government officials of every stripe to students and teachers of international relations indeed to any reader of worldly bent

Birth of Bangladesh as Canada Walks a Diplomatic Tightrope Mustafa Chowdhury, 2024-11-14 This book focuses on the activities of the government of Canada Canadian NGOs Canadian media and the people of Canada during the War of Liberation of Bangladesh in 1971 It outlines Canada's assistance to the victims of the military crackdown as well as Canada's mediatory role Having no strong ties of strategic interests in Pakistan or India Canada had a sympathetic understanding of the two main parties involved the military government of President Yahya Khan and the democratic rights of the people of Pakistan represented by Sheikh Mujibur Rahman prime minister designate While the Nixon administration openly favoured Pakistan Canada's foreign policy constrained Canada The government was barraged with endless questions Was the military take over and crackdown a violation of the democratic rights of the people of Pakistan Should the process of democracy be upheld under all circumstances Should President Yahya continue his military reprisals in East Pakistan since the integrity of Pakistan was at stake What was India's role Was India dragged into the situation due to the influx of refugees What role should Canada play as a senior member of the Commonwealth There were no clear answers to these questions The declaration of independence for Bangladesh by the rebel forces and the formation of the Provisional Government of Bangladesh in India had already created another new twist on the complex issue Throughout the nine long months of the struggle for Bangladesh's independence Canada maintained its neutrality Yet it will be seen how Canada chose not to be a spectator but a player doing her best while still adhering to its foreign policy of non intervention

Ethics and Security in Canadian Foreign Policy Rosalind Irwin, 2002 An analysis of the ever evolving nexus of ethics security and international relations Organized thematically the chapters include theoretical and policy relevant commentaries on Canadian nuclear policy democratization human rights economic development peacekeeping and more

The Politics of CANDU Exports Duane Bratt, 2006-01-01 This book provides the most comprehensive history of the export of CANDU reactors to date A pressurized heavy water natural uranium power reactor designed and marketed by Atomic Energy of Canada Limited the

CANDU reactor has played a significant part in Canada's international trade. In this history Duane Bratt examines every CANDU sale as well as some important unsuccessful sales attempts from 1956 to the present. He also outlines the impact that changes in the international political climate such as the creation and strengthening of the international nuclear non proliferation regime and the increasing importance of human rights and environmental protection have had on CANDU exports over the last fifty years.

Contradictory Impulses Greg Donaghy, Patricia E. Roy, 2009-01-01 Canada's early participation in the Asia Pacific region was hindered by contradictory impulses. For over half a century racist restrictions curtailed immigration from Japan even as Canadian entrepreneurs, missionaries and diplomats manoeuvred for access to the Orient. Since then Canada's relations with Japan have changed profoundly and the two countries' political, economic and diplomatic interests are now more closely aligned and wrapped up in a web of reinforcing cultural and social ties. *Contradictory Impulses* is a comprehensive and richly documented study of the social, political and economic interactions between Canada and Japan from the late nineteenth century until today. The chapters written by leading scholars provide a portrait of a nation growing into its Pacific identity and also raise pointed questions about the future of Canada's relations with Japan and the vast Pacific region. *Contradictory Impulses* challenges our historic understanding of Canada's place in the world. This portrait of a nation growing into its Pacific identity raises pointed questions about the future of Canada's relations with Japan and the vast Pacific region. It will appeal to scholars, policymakers and others interested in Canada's relations with Japan and the Asia Pacific Rim.

The West and the Birth of Bangladesh Richard Pilkington, 2021-08-15 In 1971 authorities in Islamabad perpetrated mass atrocities in East Pakistan in an attempt to thwart a struggle for autonomy by terrorizing the local population into submission. *The West and the Birth of Bangladesh* explores the decision making processes and ethical debates in Washington, Ottawa and London during the crucial first few months of the crisis. US president Richard Nixon and his national security advisor Henry Kissinger favoured appeasement of Islamabad. The Canadian government was unwilling to hazard bilateral ties with Pakistan. Under public pressure only the UK showed somewhat greater willingness to coerce Islamabad into ending its oppressive actions. Richard Pilkington analyzes the interplay of US, Canadian and British responses toward East Pakistan and the available policy options. This insightful book reveals how even as human rights movements began to emerge in the West, blinkered government actors there remained too preoccupied with protecting national interests to take firm action during the crisis.

Canada Among Nations, 2008 Robert Bothwell, Jean Daudelin, Norman Paterson School of International Affairs, 2009 This year's edition of *Canada Among Nations* offers a critical overview of a number of landmarks in the last hundred years of Canadian foreign policy. The editors take a critical look at the now almost mainstream declinist thesis and at the continued relevance of Canada's relationships with its principal allies: the United Kingdom, France and the United States. Contributors discuss a broad range of themes including the weight of a changing identity in the evolution of the country's foreign policy, the fate of Canadian diplomacy as a profession, the often

complicated relationship between foreign and trade policies the impact of immigration and refugee procedures on foreign policy and the evolving understanding of development and defence as components of Canada's foreign policy **Canada's Department of External Affairs, Volume 3** John Hilliker, Mary Halloran, Greg Donaghy, 2017-06-16 Volume three of the official history of Canada's Department of External Affairs offers readers an unparalleled look at the evolving structures underpinning Canadian foreign policy from 1968 to 1984 Using untapped archival sources and extensive interviews with top level officials and ministers the volume presents a frank insider's view of work in the Department its key personalities and its role in making Canada's foreign policy In doing so the volume presents novel perspectives on Prime Minister Pierre Trudeau and the country's responses to the era's most important international challenges These include the October Crisis of 1970 recognition of Communist China UN peacekeeping decolonization and the North South dialogue the Middle East and the Iran Hostage crisis and the ever dangerous Cold War 1971 Srinath Raghavan, 2013-11-12 The war of 1971 that created Bangladesh was the most significant geopolitical event in the Indian subcontinent since partition in 1947 It tilted the balance of power between India and Pakistan steeply in favor of India Srinath Raghavan contends that the crisis and its cast of characters can be understood only in a wider international context **People, Politics, and Purpose** Greg Donaghy, P. Whitney Lackenbauer, 2023-02-15 Biography is not on the periphery of history but in the middle of it historian Peter Waite astutely remarked People Politics and Purpose brings the historian's myriad tools to bear on Canadians from prime ministers to lumberjacks to Indigenous leaders Drawing on the rich details of biography the what the contributors also address the larger questions of motivation the so what that drive history In the process they prove the value of analyzing both macro and micro dynamics within Canadian politics and society to illuminate the roles of political actors As such the biographies in People Politics and Purpose are not simply stories about the lives of individuals but critical reflections on subjects who are directly involved in and affected by politics in Canada This book makes for lively reading that stimulates fresh thinking about political biography and the direction of political history more generally **Eisenhower and Cambodia** William J. Rust, 2016-06-10 This volume examines the United States efforts to lure Cambodia from neutrality to alliance during the Eisenhower presidency William J Rust conclusively demonstrates that as with Laos in 1958 and 1960 covert intervention in the internal political affairs of neutral Cambodia proved to be a counterproductive tactic for advancing the United States anticommunist goals **Aluminum Ore** Robin S. Gendron, Mats Ingulstad, Espen Storli, 2013-09-28 As the key component in aluminum production bauxite became one of the most important minerals of the last one hundred years But its effects on people and economies varied broadly for some it meant jobs progress or a political advantage over rival nations but for many others it meant exploitation pollution or the destruction of a way of life Aluminum Ore explores the often overlooked history of bauxite in the twentieth century and in doing so examines the forces that shaped the time from the mineral's strategic development in the First World War and throughout the Cold War to its role in the globalization of markets as companies

from the northern hemisphere vied for the resources of the south In this wide ranging collection scholars from around the world consider multiple international perspectives on this history from Guinea to Nazi Germany to Jamaica all while examining the central place of one commodity in a time of change The Remarkable Chester Ronning Brian L. Evans, 2013-11-01 Scholar and diplomat Brian L Evans gives us the first English language biography of Chester A Ronning 1894-1984 diplomat politician educator and one of Canada's major public figures This fascinating story depicts Ronning the man who received many honours and deepens readers knowledge of Canada's post World War II diplomacy and Canada China relations Ronning was an extraordinary Canadian who combined Chinese sensibility with Norwegian calm practicality and American drive His life journey was entwined with the history of China over many decades Based on written materials historical documents and many hours of interviews with Ronning his friends and fellow politicians The Remarkable Chester Ronning offers both a thorough and entertaining biography and a lens through which to view international politics

Special Trust and Confidence David Reece, 1996 These eclectic memoirs by seventeen former Canadian ambassadors explore the challenges both novel and routine confronting diplomats abroad They eschew the great moments in history in favour of real life problems designing a new embassy building furthering aid trade and immigration the closing of missions coping with war in the host country or dealing alternately with headquarters in Ottawa and mercurial heads of government Postings range from India Pakistan Bangladesh and Indochina the UN and NATO the Middle East and Iraq China and Japan Africa and the Caribbean to Western Europe Hungary and the former USSR These essays lend credence and force to the view that embassies often need or choose to take important initiatives and that instructions from Ottawa are often adapted or reinterpreted to deal with rapidly evolving local situations Special Trust and Confidence will appeal to government officials of every stripe to students and teachers of international relations indeed to any reader of worldly bent *From Pride to Influence* Michael Hart, 2009-04-30 Recent Canadian foreign policy has fixated upon Canada's former status as a middle power within a small club of western democratic states The emergence of a US dominated world and of an integrated North American economy and the decline of multilateral rules and institutions as prime instruments of global governance have left Canadian foreign policy searching for new purpose and direction *From Pride to Influence* brings Canadian foreign policy into the twenty first century by grounding it in a conception of the national interest that accepts the primacy of the United States in guaranteeing Canadian national security and prosperity It will appeal to the engaged public practitioners analysts and senior undergraduate and graduate classes focused on Canadian foreign policy **Canadian Books in Print. Author and Title Index**, 1975 **Canada on the United Nations Security Council** Adam Chapnick, 2019-09-01 As the twentieth century ended Canada was completing its sixth term on the United Nations Security Council more terms than all but three other non permanent members A decade later Ottawa's attempt to return to the council was dramatically rejected by its global peers leaving Canadians and international observers shocked and disappointed This book tells the story of that defeat

and what it means for future campaigns describing and analyzing Canada's attempts since 1946 both successful and unsuccessful to gain a seat as a non permanent member It also reveals that while the Canadian commitment to the United Nations itself has always been strong Ottawa's attitude towards the Security Council and to service upon it has been much less consistent Impeccably researched and clearly written Canada on the United Nations Security Council is the definitive history of the Canadian experience on the world's most powerful stage *Alliance and Illusion* Robert Bothwell, 2011-11-01 Alliance and Illusion is the definitive assessment of the domestic and international aspects of Canadian foreign policy in the modern era Robert Bothwell provides nuanced studies of Canada's leaders and discusses international currents that drove Canadian external affairs from American influence over Vietnam and the draft dodgers to the French case of de Gaulle's eruption into Quebec in 1967 This definitive recounting and assessment of Canadian foreign policy in the modern era fills a crucial gap in Canadian history and provides invaluable context for understanding Canada's present day foreign policy dilemmas Canadian Book Review Annual, 1998 *Diplomatic Missions* Queen's University (Kingston, Ont.). School of Policy Studies, Canadian Centre for Foreign Policy Development, 1998 Heads of missions represent Canada to the world Canada has 140 missions and offices abroad but the foreign policy literature in Canada has little to say about the role of ambassadors Even official reports do not articulate an explicit Canadian doctrine on the practice of diplomacy In *Diplomatic Missions* recent Canadian ambassadors and scholars of foreign policy examine the role of Canada's ambassadors in the context of a changing foreign ministry a changing state a new world order and rapidly evolving technologies of transportation and communications
