## **Spectres Of 1919 Class And Nation In The Making Of The New Negro:**

*Spectres of 1919* Barbara Foley, 2010-10-01 A look at the violent Red Summer of 1919 and its intersection with the highly politicized New Negro movement and the Harlem Renaissance With the New Negro movement and the Harlem Renaissance the 1920s was a landmark decade in African American political and cultural history characterized by an upsurge in racial awareness and artistic creativity In *Spectres of 1919* Barbara Foley traces the origins of this revolutionary era to the turbulent year 1919 identifying the events and trends in American society that spurred the black community to action and examining the forms that action took as it evolved Unlike prior studies of the Harlem Renaissance which see 1919 as significant mostly because of the geographic migrations of blacks to the North *Spectres of 1919* looks at that year as the political crucible from which the radicalism of the 1920s emerged Foley draws from a wealth of primary sources taking a bold new approach to the origins of African American radicalism and adding nuance and complexity to the understanding of a fascinating and vibrant era

**Race and Ethnicity in America** Russell M. Lawson, Benjamin A. Lawson, 2019-10-11 Divided into four volumes *Race and Ethnicity in America* provides a complete overview of the history of racial and ethnic relations in America from pre contact to the present The five hundred years since Europeans made contact with the indigenous peoples of America have been dominated by racial and ethnic tensions During the colonial period from 1500 to 1776 slavery and servitude of whites blacks and Indians formed the foundation for race and ethnic relations After the American Revolution slavery labor inequalities and immigration led to racial and ethnic tensions after the Civil War labor inequalities immigration and the fight for civil rights dominated America's racial and ethnic experience From the 1960s to the present the unfulfilled promise of civil rights for all ethnic and racial groups in America has been the most important sociopolitical issue in America *Race and Ethnicity in America* tells this story of the fight for equality in America The first volume spans pre contact to the American Revolution the second the American Revolution to the Civil War the third Reconstruction to the Civil Rights Movement and the fourth the Civil Rights Movement to the present All volumes explore the culture society labor war and politics and cultural expressions of racial and ethnic groups

Radical Legacies Arthur Redding, 2015-12-24 What use is thinking This study addresses the ways in which modern American thinkers have intervened in the public sphere and attempted to mediate relations between social and political institutions and cultural and intellectual production Chapters on both well known Henry Adams Langston Hughes C Wright Mills Angela Davis and neglected Randolph Bourne Mary McCarthy Paul Goodman public intellectuals considers how these figures have address a range of problems including the dangers and difficulty of critical dissent thought during wartime the contemporary crisis of the humanities under neoliberalism the legacy of American anti intellectualism academic professionalism and the perils of consumer culture and popular tastes This book reviews in as critically sympathetic a manner as possible a select few of the minor and major currents of twentieth century American radical thinking in order to see where they might take us and how they inflect our

current social and intellectual predicaments Arguing that any use value theory of intellectual production is limiting Radical Legacies endeavors to maintain and expand a space and reassert an argument for the importance of sustained critical reflection on our collective dilemmas today It assesses a practice of thought that is engaged committed involved and timely without being necessarily practical or even useful

*Marxism and America* Christopher Phelps, Robin Vandome, 2021-06-08 In *Marxism and America* an accomplished group of scholars reconsiders the relationship of the United States to the theoretical tradition derived from Karl Marx In brand new

essays that cover the period from the nineteenth century when Marx wrote for American newspapers to the present when a millennial socialism has emerged inspired by the presidential campaigns of Bernie Sanders the contributors take up topics ranging from memory of the Civil War to feminist debates over sexuality and pornography Along the way they clarify the relationship of race and democracy the promise and perils of the American political tradition and the prospects for class politics today Marxism and America sheds new light on old questions helping to explain why socialism has been so difficult to establish in the United States even as it has exerted a notable influence in American thought Writing the Global Riot Jumana Bayeh, Helen Groth, Julian Murphet, 2024-01-30 The history of the modern riot parallels the development of the modern novel and writers have collectively shaped perceptions of the riot as a form of political and social expression The essays in this volume analyse literature's dialogue with the histories of violence bound up in the riot as an inherently volatile form of collective action *The Product of Our Souls* David Gilbert, 2015-05-18 In 1912 James Reese Europe made history by conducting his 125 member Clef Club Orchestra at Carnegie Hall The first concert by an African American ensemble at the esteemed venue was more than just a concert it was a political act of desegregation a defiant challenge to the status quo in American music In this book David Gilbert explores how Europe and other African American performers at the height of Jim Crow transformed their racial difference into the mass market commodity known as black music Gilbert shows how Europe and others used the rhythmic sounds of ragtime blues and jazz to construct new representations of black identity challenging many of the nation's preconceived ideas about race culture and modernity and setting off a musical craze in the process Gilbert sheds new light on the little known era of African American music and culture between the heyday of minstrelsy and the Harlem Renaissance He demonstrates how black performers played a pioneering role in establishing New York City as the center of American popular music from Tin Pan Alley to Broadway and shows how African Americans shaped American mass culture in their own image Black Star Ramla M. Bandele, 2010-10-01 This book describes how the first African American mass political organization was able to gain support from throughout the African diaspora to finance the Black Star Line a black merchant marine that would form the basis of an enclave economy after World War I Ramla M Bandele explores the concept of diaspora itself and how it has been applied to the study of migr and other ethnic networks In characterizing the historical and political context of the Black Star Line Bandele analyzes the international political economy during 1919-25 and considers the black politics of the era focusing particularly on Marcus Garvey's Universal Negro Improvement Association for its creation of the Black Star Line She offers an in depth case study of the Black Star Line as an instance of the African diaspora attempting to link communities and carry out a transnational political and economic project Arguing that ethnic networks can be legitimate actors in international politics and economics Bandele also suggests however that activists in any given diaspora do not always function as a unit Civil Rights and the Environment in African-American Literature, 1895-1941 John Claborn, 2017-11-02 This book is available as open access through the Bloomsbury Open Access programme

and is available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com) The beginning of the 20th century marked a new phase of the battle for civil rights in America But many of the era's most important African American writers were also acutely aware of the importance of environmental justice to the struggle Civil Rights and the Environment in African American Literature is the first book to explore the centrality of environmental problems to writing from the civil rights movement in the early decades of the century Bringing ecocritical perspectives to bear on the work of such important writers as Booker T Washington W E B Du Bois the writers of the Harlem Renaissance and Depression era African American writing the book brings to light a vital new perspective on ecocriticism and modern American literary history

### **The Working Class in American Literature**

John F. Lavelle,Debbie Lelekis,2021-09-07 Literary texts are artifacts of their time and ideologies This book collection explores the working class in American literature from the colonial to the contemporary period through a critical lens which addresses the real problems of approaching class through economics Significantly this book moves the analysis of working class literature away from the Marxist focus on the relationship between class and the means of production and applies an innovative concept of class based on the sociological studies of humans and society first championed by Max Weber Of primary concern is the construction of class separation through the concept of in grouping out grouping This book builds upon the theories established in John F Lavelle's Blue Collar Theoretically A Post Marxist Approach to Working Class Literature McFarland 2011 and puts them into practice by examining a diverse set of texts that reveal the complexity of class relations in American society
