Africa stoked anger against colonial rule Significantly the book tells the stories of the victims women such as Helena Scheuberin and Joan Wright whose stories have too often been overshadowed by those of the powerful men such as King James VI and I and Witchfinder General Matthew Hopkins who hounded them While this will be a history of witchcraft the subject cannot be consigned to the history books Hundreds of people mostly women are tried and killed as witches every year in Africa WITCH HUNT is as common in our language today as ever it was and witches are still on trial across the world
