Sphinx And The Rainbow:

The Sphinx and the Rainbow David Loye,1998-12 The Sphinx and the Rainbow explores how the frontal brain may interact with the right and left brain in forecasting the future how the new psychophysics may explain old questions about mind brain relationships and the mystifying phenomena of precognitions Loye s book comprises a historic synthesis of neuropsychology psychology parapsychology and physics His book is a pioneering attempt to put together a coherent picture of the predicting mind **Making Great Kids Greater** Dorothy A. Sisk,2008-08-15 Dorothy Sisk is a venerable giant in the field of gifted education Teachers will find this volume a gold mine of effective classroom strategies to develop the affective domain Anyone interested in the emotional development of the gifted will be delighted by this book From the Foreword by Linda Silverman Seamlessly weaves together research studies with personal narrative to illuminate the complex inner world of gifted students The book explores not only the unique sensitivities and social emotional challenges of the gifted but also their deep empathy intuitiveness and keen awareness of the moral and spiritual realm Joan Franklin Smutny DirectorThe Center for Gifted National Louis University Empower gifted students by helping them understand and value their gifts Gifted students often develop faster intellectually than socially and emotionally resulting in feelings of isolation or inadequacy This book provides educators with a window into the world of the gifted child discusses how to develop the talents of gifted children with consideration for their unique needs and suggests ways to help great kids become greater Written by gifted education expert Dorothy A Sisk this practical resource offers techniques strategies and lessons to help gifted students bridge the gap between their cognitive and social emotional development Showing how to support learners who may experience difficulties associated with excitabilities identified by psychologist Kazimierz Dabrowski this resource Presents real stories of gifted students Includes teacher voices and vignettes Integrates research into each chapter to build a foundation for the suggested activities and strategies Provides recommended reading lists and Web sites for further exploration Making Great Kids Greater helps parents teachers and counselors of gifted children ensure students emotional well being and enable them to reach their full potential **The Akashic Experience** Ervin Laszlo,2009-02-12 Firsthand testimonies by 20 leaders in culture and science of their interactions with the Akashic field Provides important evidence for the authenticity of nonmaterial contact that human beings have with each other and with the cosmos Demonstrates that the increasing frequency and intensity of these experiences is evidence of a widespread spiritual resurgence Includes contributions by Alex Grey Stanislav Grof Stanley Krippner Swami Kriyananda Edgar Mitchell and others Knowing or feeling that we are all connected to each other and to the cosmos by more than our eyes and ears is not a new notion but one as old as humanity Traditional indigenous societies were fully aware of nonmaterial connections and incorporated them into their daily life The modern world however continues to dismiss and even deny these intangible links taking as real only that which is physically manifest or proved scientifically Consequently our mainstream culture is spiritually impoverished and the world

we live in has become disenchanted In *The Akashic Experience* 20 leading authorities in fields such as psychiatry physics philosophy anthropology natural healing near death experience and spirituality offer firsthand accounts of interactions with a cosmic memory field that can transmit information to people without having to go through the senses Their experiences with the Akashic field are now validated and supported by evidence from cutting edge sciences that shows that there is a cosmic memory field that contains all information past present and future The increasing frequency and intensity of these Akashic experiences are an integral part of a large scale spiritual resurgence and evolution of human consciousness that is under way today
