**selected essays from Medium on Computer programming** Jorge Guerra Pires,2021-12-29 I want thinkers not followers Internet social media in general has this nice feature of making possible for anyone to spread their ideas as said an online influencer on TED Talks everyone has an opinion does everyone has something interesting to say Medium is a website dedicated to independent writers mainly like myself Anyone can write to Medium there is no curation or selection

Publications are small organizations that select those articles this is the counterpart of conventional traditional publication systems In addition to independent writings I also write to the Publications Geek Culture Data Driven Investor and JavaScript in Plain English Some articles here were firstly published independently and after that either invited or submitted to a publication or kept as standalone article What is the best way to use this e book The e book was designed to be read it does not focus on anything Some parts are tutorial hands on sections but most of the book is for learning things superficially General topic computer programming More specific topics Angular JavaScript TensorFlow js Deep learning Artificial Neural

Networks Computer programming With this e book I hope Give my readers an opportunity to support my online work on a gain gain gesture Concentrate more on content quality less than view catchers and so on Some advantage of the e book compared to Medium All the articles reviewed grammar checked and more Several topics curated for you No distractions as you read Extra articles exclusive for the e book readers Exclusive discussions should you want to talk How to read this e book Even though I have selected the essays using coding as center the writings may still be dispersed wide ranging Therefore this e book can be nice for reading with the hope to learn something new I would imagine that each chapter may call the attention of different people not all of them at once The book can be nice as well to keep around give a first read and from time to time should you need just come back I would read the book randomly at first and keep it around for me when I am solving problems those readings start to come up in my mind and helps to be creative on my solutions Grab your copy on Amazon and start to expand your brain

How to Leave a Narcissist in 30 Days or Less Marcia Walsh,2023-04-16 Using a combination of deep and honest self reflection comprehensive research and a matter of fact sense of humor Marcia Walsh focuses a much needed spotlight on the dynamic between narcissistic predators and their prey How to Leave a Narcissist in Thirty Days is part textbook part memoir and part user s manual threading together a well proportioned mix of Academic and practical information on narcissistic practices and the predator prey model Relatable stories and sage advice resulting from Walsh s lived experience and Easy to follow exercises support the reader s journey to free themselves from a narcissist s grip And while she would love for you to be free from that grip in thirty days or less Walsh isn t counting or judging She s more like the best coach you ever had or wished you had she s at your side believing in your ability to grow and change and giving you words of encouragement every step along the way while at the same time not suggesting any of this is easy or without risk This is a book designed to support readers at whatever pace they are comfortable with as they take the steps necessary to break free from the narcissistic cycle If you or someone you love have ever fallen prey to a narcissist or are at risk of doing so it is not an overstatement to suggest that this book may well save your life

Tainted Seas Linda Jo Heffner,2021-11-02 So many love stories stop at the wedding vows when couples pledge to love each other for better or worse in sickness and health til death do us part But not this one In 1968 Linda sat next to a handsome sailor in the Penn State cafeteria Who could resist a handsome sailor Not Linda who fell head over heels in love Against the backdrop of the tumultuous sixties they married and had three children and Bud became the Navy officer of his dreams But their perfect Navy family life unraveled with Bud s frightening symptoms hearkening back to two tours in Vietnam A sudden collapse led to a diagnosis virtually impossible for a vital young man While Linda raised their children and followed her vows to care for her husband two questions plagued her How could her young and healthy husband suddenly have such a sinister cancer And how could his beloved Navy abandon him On a mission of love Linda spent years unearthing what really happened to Bud only to find that the military that discarded him had hidden the truth about his illness for decades Tainted Seas is the sometimes hilarious

sometimes heart breaking story of a passionate couple coping with tragedy and the continuing journey of a woman dedicated to justice for military families shattered by the very institutions they nobly served A loving wife on a mission of true love and truth proves that nothing can stay hidden forever even against the power of the US government     **White Whole** Surazeus Astarius,2019-03-20 White Whole presents 1 136 lyrics pastorals satires elegies and narrative poems written in 2018 by Surazeus that explore the evolution of the universe since the First Flash from the White Whole     Astrology and the Rising of Kundalini Barbara Hand Clow,2013-09-02 Revised and updated edition of the classic astrology text on predicting and navigating life crises Provides charts for the transits of Saturn Uranus and Chiron now updated through 2050 to predict your personal growth cycles and timing of kundalini rising Shares tools to cope with the intensity of spiritual emergency and direct the kundalini energy released during planetary passages Includes a new preface by the author reflecting on 20 years of success stories since the book s initial publication No astrological chart needed to use this book In this updated edition of Liquid Light of Sex renowned astrologer and spiritual teacher Barbara Hand Clow explores the connection between life crises in your 30s 40s and 50s and the key astrological passages of Saturn Uranus and Chiron in your birth chart She explains how kundalini energy the liquid light of sex that lies at the base of the spine is activated during these planetary transits rising through the chakras and triggering the process of spiritual emergency and in many cases a cascade of health emotional and relationship problems as well as extreme anxiety She shows that by understanding these astrological transits you can be prepared for turbulent periods and successfully navigate them by creatively channeling the spiritual fire of kundalini Clow provides astrological charts now updated through 2050 for those born between 1930 and 2000 detailing the cycles of Saturn Uranus and Chiron so you do not need your birth chart to use this book She explains how to use the charts to predict the onset and completion of each kundalini activation and corresponding crisis She shares tools for individuals and therapists to cope with the intensity of spiritual emergency and too much fire energy unblock the chakras and integrate the power of kundalini for physical emotional and spiritual growth Reflecting on 20 years of success stories since the book s initial publication Clow presents a road map for using celestial cycles to navigate positively and productively in times of great life change     *The Circle of Wounded Souls, Book Two* Jim Ricca,     Help Me Be Me Sarah May Bates,2014-04-09 Whatever you think you can t overcome know that with all the certainty in my heart I believe you can Sometimes we just lack the right tools to get us there because we haven t grown up in a life that presents them That s what this book is a compilation of practical tools that you can apply in various situations when you get stuck or overwhelmed Everything from family drama to finding the one They are best used with the My Best Self happiness journal or any daily journal you complete with gratitudes They have writing exercises and reflection exercises and are practical and easy to use You are capable of absolutely anything you decide you want to do And you have already taken the first step toward that thing just by reading this description All you have to do now is keep going Whatever you want in your life and whoever you want to become you

will absolutely achieve it You just have to decide to take the next step Smile and keep going You only get one life Make it the best one ever     *Amazing Stories* ,1926     **Postcards from Summer** Cynthia Platt,2023-07-25 Seventeen year old Lexi travels to her late mother s majestic summertime home to learn of the romance and the tragedy that changed her life forever
