**Learning Gardens and Sustainability Education** Dilafruz Williams,Jonathan Brown,2013-05-13 Offering a fresh approach to bringing life to schools and schools to life this book goes beyond touting the benefits of learning gardens to survey them as a whole systems design solution with potential to address myriad interrelated social ecological and educational issues The theoretical and conceptual framework presented creatively places soil at the center of the discourse on sustainability education and learning garden design and pedagogy Seven elements and attributes of living soil and learning gardens are presented as a guide for sustainability education cultivating a sense of place fostering curiosity and wonder discovering rhythm and scale valuing biocultural diversity embracing practical experience nurturing interconnectedness The living soil of learning gardens forms the basis of a new metaphoric language serving to contest dominant mechanistic metaphors presently influencing educational discourse Student voices and examples from urban schools provide practical understanding of how bringing life to schools can indeed bring schools to life *Gardens of the Sisterhood* Ann Marie O'Dell,2020-02-07 Learn the importance of blending as an Alternative Healer Create an intriguing garden entrance and introduce flower colors herbs and legalized Cannabis on the healing garden pathway Join the Slow Movement to savor every moment Discover the elements of a Witch and Druid Garden and how ancient theory still applies today Send long distance Angel healing to a sick friend pet and natural disasters Are you a Sarah Moses leader Can you lead in a Crisis Compelling photos and earthy entries make this a fast read with a cup of brew *Community Organizing* Joan Kuyek,2014-09-01T00:00:00Z History is full of stories of the oppressed rebelling against the oppressor only to reinstate an equally oppressive system What we learn from oppression is how to oppress If we want a truly transformative politics then we must take up methods that embody the kind of world we want to create we have to change deeply embedded beliefs and behaviours In this engaging and passionate book long time community organizer Joan Kuyek offers important insights and concrete tools to encourage people to get involved in social justice action at the community level In Canada activists are

frustrated with their inability to effect change in the global economic system overwhelmed by the number and complexity of issues and too often unaware or dismissive of the efforts of other activists As a result social forces for justice and the environment are fragmented and ineffective and the economic elite grows more powerful Community Organizing argues that it does not have to be this way Suggesting that most of our attempts at change and community building fail because we cannot get along with each other Community Organizing starts at the community level to describe how we can work together and create organizations based on dignity and respect It provides strategies to build movements from the community to assert democratic political power and tools to create a culture of hope in this time of despair This book offers the means to reclaim political power in Canada
