**Spirit in the Writings of John** Tricia Gates Brown, 2004-05-01 Tricia Gates Brown employs the methodology of socio scientific biblical criticism to investigate the pneumatology of John and 1 John She argues that the meaning of spirit in John and 1 John is best understood using the anthropological model of brokerage The model of patronage and its relevance to the socio cultural world of John s gospel is also discussed Spirit in the Writings of John examines the development in pneumatology between John and 1 John and analyzes what this suggests about the socio cultural context of the Johannine community There is a discussion of the meaning of the term paracletos in literature antedating John and the dominant view that the word was a formal forensic term is challenged

**A Pneumatology of Race in the Gospel of John** Rodolfo Galvan Estrada III, 2019-11-28 How do the Greco Roman views of ethnicity inform our reading of the Spirit in the Fourth Gospel This study not only reviews the role of ethnicity and race in the ancient world it also proposes a bold new understanding of Johannine pneumatology From an ethnocritical perspective this study argues that the Spirit was articulated for an ethnically diverse Johannine community that was dealing with the issues of race relations The Spirit is the divine breath of God that commissions Jesus for the redemption of all ethnicities The Spirit is involved in the maternal birth of all ethnic members who are in the family of God The Spirit draws all people despite their ethnic lineage and heritage And the Spirit is actively involved as an advocate for the minoritized community undergoing synagogue violence Will the members of the Johannine community still hold onto ethnic ideologies of dehumanization that were prevalent of their age Can the Johannine community still have the Spirit and support ideologies of ethnic division and hate This study seeks to answer these questions

**Life-study of the Epistles of John and Jude** Witness Lee, 2023-09-27 John s writings are complementary to the entire divine revelation This means that the writings of John complete the Bible His Gospel completes the Gospels his Epistles complete the Epistles and his Revelation completes the whole Bible In the Life study of the Epistles of John Witness Lee emphasizes the outstanding matters in these Epistles in relation to the economy of God Some of these matters include the divine life and its fellowship the anointing the divine birth and the divine seed the walk in truth and in love and the encouragement of the fellow workers in the truth In the Life study of Jude Witness Lee shows from Jude s Epistle the genuine contending for the faith and the believers living in the Triune God issuing in their full enjoyment of Him

 of John Dee 1527 1608 with the assistance of his two mediums or scryers Barnabas Saul and Edward Kelly Volume 2 of this  
 work is a transcription of the records in Dee s hand contained in Sloane MS 3188 which has been transcribed only once  
 before by Elias Ashmole in 1672 Volume 1 is an introduction and thorough commentary to the text which is primarily  
 explaining its many obscurities The author describes the physical state of the manuscript and its history then continues with  
 a biography of Dee and his scryers and some background to Renaissance occult philosophy Further chapters address the  
 arguments that the manuscript represents a conscious fraud or a cryptographical exercise and describe the magical system  
 and instruments evolved during the communications or Actions The last fascinating chapter examines Dee s motives for  
 believing so strongly in the truth of the Actions and suggests that a principal motive was the conviction not held by Dee alone

Symonds**, 1872      **A Commentary on the Letters of John** Birger Olsson, 2013-08-13 The long history of interpretation of the three Johannine letters has been largely characterized at least since Irenaeus in the late second century by the assumption that the Elder was addressing the Gnostic heresy In recent years particularly with the work of Raymond Brown attention has been focused on the internal schism within the Johannine or Beloved Disciple's community thus taking the first epistle as a corrective to secessionists misguided attempts to read the Gospel of John in an advanced spiritualizing manner Birger Olsson returns to a less common perspective one that views the crisis facing the Elder as a wholly intra Jewish problem The Johannine community comprised Jewish believers who regarded Jesus as the long promised Messiah of Israel but at some point in the community's life under the leadership of one Diotrephes some members of the community chose to reject this conviction and to entice other members to do likewise Olsson anchors his thoroughgoing interpretation of the three letters in this conflict among Jewish Christians over the nature of the Messiah and the renewal of Israel's ancient covenant Among other things this implies that the letters were written in reverse order of their numbering
