*Spirits Realm* Ross Rozani, 2019-09-29 Being human we are so pre occupied with worldly task until we ignore the fact that we carry spirit within ourselves which is the Soul It is said its nourishment is only Faith in God At times we struggle with our own faith as it doesn't jive with current logic and reasoning We neglected the presence of other spirits that is tirelessly working against our faith With technology advancement spiritual life becomes less relevant until towards the end of our physical life when we are no longer needed by the system By then it may be too late It is said that our physical life span is so short compare to spiritual life span including the Afterlife Yet we are being tested if we remain believer or became non believer Test of Faith in God which is acquiescent to the Afterlife The biggest test is yet to come once Dajjal or the Anti Christ appear with the most powerful witchcraft human and Jinn ever seen that can easily misled us that he is God Appearance of Dajjal was prophesized and conspired to mark that Doomsday is near When will the Doomsday be Let's find out what was said and what was prophesized

*Spirits of the Black Forest* Nia Rose, 2020-04-17 Who's Afraid of the BIG Bad Wolves Two weeks have passed since we've last seen our heroes as they received the news of hundreds of feral demon sightings But the summoning circles have opened a lot more than just Coven drama in the world of Raen With the annual blizzard having just ended the people still aren't clear of danger The Coven is in chaos and Vanessa and Bobo are widely known throughout for their previous achievements With the city in turmoil the High Priest Council has ordered a mandatory curfew for the beings of Tolvade as Hunter scouts and Spellweavers roam the streets binding any feral underworld creatures they can find Meanwhile Vanessa Bobo Leon and Lyx all try to resume their old life Something that may be impossible with their newly assigned missions One is just a simple routine checkup at the local sanctuary to gather information on a massive black magic spell the other twists them down a dark road that somehow ends up giving them a lead on a potential de summoning spell There's only one catch It'll take them into the heart of the infamous Black Forest Full of giant wolves dangerous magic and chock full of secrets the Black Forest is not a place for the faint of heart actually it's not for anyone with a heart If you are alive in any sense of the word the Black Forest was the last place you'd venture to if you wanted to keep it that way If this suicide mission wasn't difficult enough each of our beloved characters is faced with inner battles that could shatter their bonds with one another Will the dynamic duo and their feisty friends manage to survive the darkness within and come back to Coven HQ with a spell that hasn't been used in almost 200 years or will they be lost within the forest forever

at worst Puritan is an insult reserved for prudes prigs or oppressors Antebellum American abolitionists however would be shocked to hear this They fervently embraced the idea that Puritans were in fact pioneers of revolutionary dissent and invoked their name and ideas as part of their antislavery crusade Puritan Spirits in the Abolitionist Imagination reveals how the leaders of the nineteenth century abolitionist movement from landmark figures like Ralph Waldo Emerson to scores of lesser known writers and orators drew upon the Puritan tradition to shape their politics and personae In a striking instance of selective memory reimagined aspects of Puritan history proved to be potent catalysts for abolitionist minds Black writers lauded slave rebels as new Puritan soldiers female antislavery militias in Kansas were cast as modern Pilgrims and a direct lineage of radical democracy was traced from these early New Englanders through the American and French Revolutions to the abolitionist movement deemed a Second Reformation by some Kenyon Gradert recovers a striking influence on abolitionism and recasts our understanding of puritanism often seen as a strictly conservative ideology averse to the worldly rebellion demanded by abolitionists
