who died in 2004 was for sixty years one of Britain's most active and best known ghost hunters. The Daily Telegraph famously christened him the Spectre Inspector. The author of best sellers such as *Our Haunted Kingdom* and *Ghost Hunting: a Practical Guide*, he investigated hundreds of reported hauntings during his career from famous cases such as the poltergeist girl of Battersea to cases where a client had simply taken the wrong medication before bed. The most important cases from his lifetime of research are collected together in this volume alongside new research and many reports that have never previously been published. This is an essential guide to the career of Britain's most famous ghost hunter and indeed to the paranormal history of our haunted kingdom. **Catalog of Copyright Entries.
