capitalizing on John's role as the last of the prophets sent to Israel. Talking Dogs Sam Mason, 2012-03-30 Dog lovers of all stripes will enjoy the captivating stories of the author's pets and his thoughtful musings about them and their lives with him and his family. Convinced that his pooches have all been blessings from God, Sam further sees the Creator using them to graphically illustrate vital life principles. In *Talking Dogs*, those principles emerge from a new perspective as you catch an over-the-shoulder view of Sam's experiences with his beloved furry companions and the wonderful Scriptural insights that have flowed from those relationships. Every pet lover will enjoy this great book by my friend Sam Mason. It's a page-turner filled with refreshing scriptural insights on living the life God wants each of us to enjoy. BOB GASS, author of *The Word for You Today*. This book is full of great lessons about how the way dogs interact with us can teach us about our relationship with God. I really enjoyed reading it. I'm not aware of any other book like this. As a great dog lover all my life, I highly recommend *Talking Dogs*. JOHN P. MCTERNAN, author of *As America Has Done to Israel*. As I read Sam's book, I was reminded of a line from the greatest of all dog book authors, Albert Payson Terhune. Terhune said that humans were unlucky because they didn't see their God until they died, while a dog saw his God each time he looked into his master's face. This book might just help you find a deeper relationship with God by getting to better know Him through the canines. He sends into your life I know that has been true for me. ACE COLLINS, best-selling author.

A Mouth Full of Fire Andrew G. Shead, 2012-10-04 In this *New Studies in Biblical Theology* volume, Andrew Shead examines Jeremiah's commissioning, embodiment of the word of God, covenant preaching, and oracles of hope. He shows how a differentiation between the divine word and the prophet's words enables the word of God to function as an organizing center for the book's theology. **Victory and Discernment Through the Fruit of the Spirit** Bruce Salisbury, 2020-04-06 Victory and Discernment: Though the Fruit of the Spirit, this reality can be our hope and encouragement for living with a winning strategy in our lives if we repent and accept God's forgiveness in our hearts. As individuals now, in the past, and in the future, we are involved in a spiritual battle of good versus evil. Satan and his cohorts are our enemy. Jesus is our Savior and Provider who loves us unconditionally. As we battle daily against false beliefs and philosophies promoted by false Christ's teachers and those who are uninformed regarding the truth of God's Word, we can have victory in our lives. We do not need to be deceived or led astray. Understanding the fruit of the Spirit prevents us from being confused or deceived and enables us to defeat our enemies spiritually. Victory is winning a battle, struggle, or contest. It is being successful in defeating an enemy. Discernment is being able to see or recognize. With discernment and victory, we can have good judgment and understanding of God's Word and will for us. The purpose of this book is to help those who read it.

to distinguish the difference between true believers in Christ and false believers in Christ and to recognize the difference between true and false apostles regarding their teachings There is clarification of how the fruit of the Spirit operates in a person s life This clarification is accomplished by the discernment given to us by the Holy Spirit When you look at the opposite fruit of each of the good fruit love vs hate you will see the truth that by their fruits you will know them The knowledge here is geared to those who have accepted Christ and to those who have not accepted Christ as their Lord and Savior

Spirit and Manners of the Age ,1827 Strange Fire John F. MacArthur,2013-11-19 In *Strange Fire* bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement What would God say about those who blatantly misrepresent His Holy Spirit who exchange true worship for chaotic fits of mindless ecstasy who replace the biblical gospel with vain illusions of health and wealth who claim to prophesy in His name yet speak errors and who sell false hope to desperate people for millions of dollars The charismatic movement has always been a breeding ground for scandal greed bad doctrine and all kinds of spiritual chicanery As a movement it is clearly headed the wrong direction And it is growing at an unprecedented rate From the Word of Faith to the New Apostolic Reformation the Charismatic movement is being consumed by the empty promises of the prosperity gospel Too many charismatic celebrities promote a Christianity without Christ a Holy Spirit without holiness And their teaching is having a disastrous influence on a grand scale as large television networks broadcast their heresies to every part of the world In *Strange Fire* MacArthur lays out a chilling case against the modern Charismatic movement that includes Rejecting its false prophets Speaking out against their errors Showing true reverence to the Holy Spirit Clinging to the Bible as the inerrant authoritative Word of God and the one true standard by which all truth claims must be tested
