Black,2024-12-12 The modern corporation began its life

as a religious institution first as the nation of Israel and subsequently as the Christian Church Long before its official recognition in law the corporation had been an identifiable and unique form of human association Its only essential characteristic is the voluntary and collective submission of individual interests to the interests of a Name its own living Spirit The corporation is thus invited into existence as a presence independent of its members and through which the Spirit provides both its unity and its continuity In this fascinating interdisciplinary text Michael T Black reveals how the modern corporation has become a parody of itself It is a travesty of the opportunity it offers namely the opportunity to engage in a continuous search for the good the criteria of right action in other words the practical pursuit of the divine in and through our daily lives with others In a sweeping historical analysis Black highlights how The Name has been obscenely turned into a Brand which sells but does not inspire how the plethora of manipulative management techniques and authoritarian corporate structures are merely ineffectual compensatory attempts to create corporate unity in the absence of the Spirit This is the spiritual spoilt This work hopes to provide an alternative to the jargon filled self justifying and ultimately futile conceptions of the corporate institution which are used to justify its current spiritual aridity **The Spirit of Rye** Carlo DeVito,2021-11-30 From Top Shelf Classics to an amazing array of expressions from far flung craft distilleries The Spirit of Rye celebrates rye whiskey s distinguished history and its contemporary revival Inside you ll find Detailed tasting notes for over 400 expressions from more than 300 distilleries Interviews with master distillers Regional chapters that make it easy to explore essential distilleries Hundreds of photographs of bottles distilleries and the distillers behind them The Spirit of Rye is ideal for both whiskey connoisseurs and those looking to learn more about how distillers have revisited the roots of rye to reinvigorate tradition Book jacket **Spirit Leveling in South Carolina, 1896-1938** John George Staack,1940
