**Articles of Alf** William John Hatten, 2018-01-06 This book brings to print a collection of past ignored feedback social topics issues that had appeared in news media outlets at the time. That feedback response from the author also brought new information to those unresolved issues that continuously plague every Nation every generation. They do require patient study as they are written from a spiritual understanding of the subject matter. Because the present information coming out of Education, all Communication Mediums is incomplete. It only contains the physical sourced facts in its content and not the spiritual sourced facts that underwrite all physical facts including life. Until mankind finds a solution to address that shortcoming in our existing acquired knowledge, we will not solve the social issues contained in this book. Along with many other unresolved world problems that unknowingly mankind has also created into perpetuity. A growing chaos that is also preventing mankind from creating a Unified World of Nations. A Crossroads of Information in the title of this book is to indicate that the Articles contained in it are written from a spiritual understanding of their subject matter. Not just a physical understanding of the subject matter. Because physical and spiritual are two sides of the same coin of life. One visible and known and one invisible and unknown. Until the physical path of knowledge merges with the spiritual path of knowledge in our education systems, then life knowledge and education is incomplete in its understanding. Therefore, so are we as human beings. **The Whole Person** Roberta Vienneau, 2023-07-05 In a world where many are disillusioned with the highly drug dependent medical establishment, integrative medicine is gaining popularity because of its more holistic approach. Holism, by definition, implies greater than the sum of its parts and is a response to reductionism, especially biological reductionism in medicine. The holistic model, widely accepted in integrative healthcare today, is a biopsychosocial model that aims to treat the whole person. It is a systems hierarchy model that includes the universe to a cell particle, so one's understanding of holism will be reflected in what one considers relevant. To a pulmonologist, holism might mean the whole respiratory system; to a geneticist, holism might mean the whole family history, but who is treating the whole person? This groundbreaking book sheds light on the limitations of integrative healthcare in exploring the full potential of homeopathy in treating the whole person. It argues that we don't need a new approach, definition, or understanding of holism. We sometimes just need to step out of the systems hierarchy model of the reductionist paradigm itself to get a larger view and redefine the boundaries of what constitutes the wholeness of a person. With a clear and engaging writing style, the book takes readers on a journey through the history and evolution of the concept of whole and presents a compelling case for the adoption of an anthroposophic

paradigm as a more comprehensive and effective approach to holism healing and homeopathy Whether you are a homeopath a healthcare practitioner a patient or simply interested in holistic medicine this is a must read book that will challenge your assumptions and expand your understanding of what it means to treat the whole person     **The Healer** Emma Sargent,2015-12-28 Once upon a time Psychics and Healers were revered They held positions of status and authority They were the closest confidants to Kings Emperors and mighty rulers Over the centuries the Western world changed Psychics and Healers moved underground as though their work had become taboo To admit consulting with one was akin to a belief in faeries witchcraft or even aliens Today there are different classes of Seer Some charge 5 a minute giving readings of a dubious nature over the phone The real Psychic Healer operates by word of mouth Often they are booked weeks and months in advance They consult to the most powerful and wealthy They are privy to information that would boggle the mundane mind They hold court between what is seen and what only they can see They are the holders of truth reveling in the mysteries of life and ancient wisdom Alex Telman is a real Psychic Healer These are my conversations with him The Healer is the must read book of 2016 A storyteller and an internationally renowned psychic healer weave their own personal experiences and discuss all the taboo topics relevant to the modern life The concepts leap from the page and into your mind planting seeds of suggestion invitation and encouragement Readers have described The Healer as a life changing map that they have been unable to put down The Healer not only inspires a new set of eyes for life but also demystifies a number of murky words and concepts along the way Think Differently     *Mysteries of Life, Death and Beyond* Patrick J. Conte MD PhD,2016-07-06 The book *Mysteries of Life Death and Beyond* illustrates the fantastic odyssey of human kind from the dawn of creation and through the evolution of mind body and spirit in order to attain our final destination of self realization and union with the Supreme Creator It provides an answer to the age old philosophical question what is the meaning of life Learn what was present prior to the Big Bang and what happened at the time of the Big Bang based upon our current scientific knowledge Discover how galaxies and our solar system were formed and how life began on planet earth Understand the theory of evolution of the animal species and the eventual development of mankind Find out what really happened in the Garden of Eden and who were the fallen angels and were there really giants in those days Find out if there is life after death and where do we go Do we get more than one chance in life to attain heaven based upon the theory of reincarnation The concept of the triune brain indicates that the human brain is in essence made up of three parts the reptilian brain the limbic system and the neocortex each performing separate neurologic functions but yet interconnected Find out how each affects our thoughts and actions for both good and bad Learn how the seven major energy centers of the body help guide us from material existence up to the higher realms of spirituality and how you can balance each chakra     **Change Your Aura, Change Your Life** Barbara Y. Martin,Dimitri Moraitis,2016-04-26 2017 Nautilus Award Winner A new guide to the source of your spiritual energy the aura from renowned spiritual teachers Barbara Y Martin and Dimitri Moraitis Discover your source

The world is on the brink of major changes The vibrations are increasing on the planet and act as a catalyst that is empowering the light and suppressing the dark energies During this process great opportunities to be a part of a magnificent spiritual evolution are opening for those who choose the way of the loving light of God There is enormous confusion for many who have been subjected to false perceptions and are controlled through fear the great tool of the dark side of governments and yes even some religions This book is a result of the authors 33 year search for greater truths enhanced by communications from several spirit sources of the Deity plus answers about other life in the Cosmos including mind expanding descriptions from highly evolved beings about life on other planetary systems The author included several communications from friends and family when they described their transition experiences after crossing over to the World Beyond These messages go beyond fundamental religious myths and describe various dimensions in the spiritual realm This book is for you if youve ever wondered what your purpose in life is if you want to unleash greater powers of your mind if youve wondered whether there is intelligent life out there if youve wondered what the Afterlife is really like if you have any fear of dying death or crossing over if you really want to evolve spiritually Ron has given many lectures and presentations over several years to a variety of organizations

Expressing his creativity Ron also paints in oil and is the cover artist From a reader Once I started reading your book it was so interesting I couldnt put it down and read it straight through I need eight more copies for family and friends Beverly R

Novi Michigan **Cognitive Strategies for Suicide Prevention, Addiction And Anxiety** William Pryatel,2019-08-11 The author has been a psychiatrist for thirty nine years and has worked with thousands of patients His impression is that many of their problems have to do with the way they process or deal with information Often maladaptive pathways of thinking are employed to the person s detriment When this occurs it tends to be repeated again and again and becomes habitual Eventually symptoms such as anxiety depression suicidal feelings and addiction are generated and become more and more problematic In the author s experience this can be interrupted by mentally training oneself to only travel down adaptive pathways of thinking With this approach old pathways of thinking are abandoned There are a number of techniques that can be employed to establish and reinforce newer adaptive pathways of thinking It s not for everybody and should not be used

exclusively but first and foremost among techniques is mindfulness The author has seen it work again and again Introduced to the world by Buddha for the purpose of enlightenment nowadays it is used for mental health issues The mindfulness here is different from the type taught in DBT The author is not saying that DBT mindfulness doesn't work it's just that he has seen better outcomes with the type he teaches He learned the basics of it at IMS at Barre Massachusetts during various meditation retreats Modern psychology does not address the invisible spiritual worlds that interface with the physical world According to religious teachings these worlds really exist and forces from them can influence our thinking Reportedly an archangel rebelled against God and was booted out of heaven A third of the angels went down with him to earth They seek to have us act in such a way so that when we die they can claim our souls and torture us in hell The present work at least addresses this issue Likewise energy medicine is discussed briefly Cosmic Devolution and Evolution A.

Cercatore,2012-07-15 The process of creation devolution and evolution is a cycle of descension through the down stepping of energy and personality from the infinite to the physical creation and ascension from the physical back to the spiritual evolution This book describes that process **Gifts of Mother Earth** Jaap Van Etten,2011-03-01 We live in a sea of

energies that are part of the earth we live on Most people are not aware of these energies or that they hold many gifts These gifts help us to heal balance expand consciousness awareness and support spiritual evolution Our ancestors knew the gifts of Mother Earth and used these energies to support their lives and spirituality in many ways We modern humans have mostly forgotten that these energies exist This book helps us to remember these gifts provided by Mother Earth and offers us support for balance health expanding awareness and personal and collective spiritual evolution It helps us to understand that all tools to live a life of joy happiness love and abundance are permanently available to us Join the author on a powerful journey of discovery remembering and reconnecting **Questions & Answers for the Verses Absolute & Relative**

dual Easter Philosophy to mono dualism and the reality of God the Supreme Living Being in Existence     *Progress, Progress, What Progress?* William J Hatten, 2020 A journey into the history books with artistic license to uncover perpetuating ancestral sourced trashing progress This book could also be called What is Wrong with the World How to Fix It A subtitle that should immediately explain its content and purpose to the reader William J Hatten the author his spiritual Boot Camp created characters of Alf Stephen Gripes are the narrators It is written from a spiritual acquired and satire intended understanding reality of the world we live in Its main theme concentrates on describing humankind ancestral inherited gone wrong affairs which unknowingly plague every generation and every Nation spiritually explains how to dissolve this perpetuated chaos in humankind     **A Personal Search for Understanding Evolution** Jay D. Clark, M.D., 2022-11-16 A Personal Search for Understanding Evolution Sharing the same world and similar genome but not the same ancestry or destiny By Jay D Clark M D Good standards of scientific investigation seem to be suspended when it comes to evolution This work points out scientific flaws in the theory of evolution and explains the fallacy of a godless creation and purposeless existence Hard evidence of genetic entropy is presented to show the reality of devolution evolution s opposite Although we are devolving physically life gives us an opportunity to evolve spiritually We can endure almost anything now if we are able to understand what we have to live for The life and gospel of Jesus Christ offer realistic hope for unspeakable joy beyond mortality     Bhagavad Gita A. Parthasarathy, 2013-10-28 The Gita brings to light the negative and positive tendencies that lie within They represent your higher aspiration and lower desire Lord Krishna directs you to conquer desire and regain the supreme Self The state of Godhood The book comprises the text transliteration word meaning translation and commentary A unique contribution is the topic wise division of each chapter It helps capture the thought flow and message in the text     *Encyclopedia of Reincarnation and Karma* Norman C. McClelland, 2018-10-15 Featuring over 1 200 topical entries arranged alphabetically this encyclopedia provides diverse and detailed coverage of the related subjects of reincarnation and karma Its in depth examination ranges from ancient beliefs to those of the present incorporating all relevant world cultures A series of broad thematic entries cover foundational aspects while over a thousand highly focused entries deal with various societies and organizations which support the concepts of reincarnation and karma specific religious groups sects and associations key individuals both historic and modern and related beliefs concepts and practices     With Eastern Merchandise Francis Edward Powell, 1913     **Reverse Meditation** Andrew Holecek, 2023-07-11 Disruptive practices to revolutionize your relationship with meditation and fully engage with the full breadth of your experience Why do we meditate The main reason most modern people start meditating is because it helps us feel better reducing anxiety improving sleep decluttering the mind and so forth But where does your meditation go when things go bad asks Andrew Holecek Where is your spirituality when rock meets bone as they say in Tibet when the crap hits the fan Reverse Meditation is for anyone who wants to bring the challenges of life onto the path of awakening When things get hard it s time to turn your practice on its head and throw

out any assumption that meditation exists to insulate you from the confusion difficulties and uncertainty of life By putting your meditation into reverse Holecek teaches you ll actually find yourself going forward Step into your pain and you can step up your evolution With his signature blend of depth and accessibility Holecek invites you to explore Three core forms of meditation mindfulness open awareness and the boundary smashing reverse meditations How to know when you re ready to engage with reverse meditation On the spot practices for snapping into a meditative mindset in difficult situations Contraction and expansion how to dismantle habits of avoidance to become more open resilient and fully alive How reverse meditation opens you to a direct experience of the fundamental perfection of reality just as it is These unique meditations are designed to reverse our relationship to unwanted experiences which means going directly into them instead of avoiding them says Andrew Holecek It s not an easy journey yet this path leads to the discovery of unconditional happiness basic goodness and true freedom in the most turbulent situations

The Lost Pillars of Enoch Tobias Churton, 2020-12-29 Explores the unified science religion of early humanity and the impact of Hermetic philosophy on religion and spirituality Investigates the Jewish and Egyptian origins of Josephus s famous story that Seth s descendants inscribed knowledge on two pillars to save it from global catastrophe Reveals how this original knowledge has influenced civilization through Hermetic Gnostic Kabbalistic Masonic Hindu and Islamic mystical knowledge Examines how Enoch s Pillars relate to the origins of Hermeticism Freemasonry Newtonian science William Blake and Theosophy Esoteric tradition has long maintained that at the dawn of human civilization there existed a unified science religion a spiritual grasp of the universe and our place in it The biblical Enoch also known as Hermes Trismegistus Thoth or Idris was seen as the guardian of this sacred knowledge which was inscribed on pillars known as Enoch s or Seth s pillars Examining the idea of the lost pillars of pure knowledge the sacred science behind Hermetic philosophy Tobias Churton investigates the controversial Jewish and Egyptian origins of Josephus s famous story that Seth s descendants inscribed knowledge on two pillars to save it from global catastrophe He traces the fragments of this sacred knowledge as it descended through the ages into initiated circles influencing civilization through Hermetic Gnostic Kabbalistic Masonic Hindu and Islamic mystical knowledge He follows the path of the pillars fragments through Egyptian alchemy and the Gnostic Sethites the Kabbalah and medieval mystic Ramon Llull He explores the arrival of the Hermetic manuscripts in Renaissance Florence the philosophy of Copernicus Pico della Mirandola Giordano Bruno and the origins of Freemasonry including the revival of Enoch in Masonry s Scottish Rite He reveals the centrality of primal knowledge to Isaac Newton William Stukeley John Dee and William Blake resurfacing as the tradition of Martinism Theosophy and Thelema Churton also unravels what Josephus meant when he asserted one Sethite pillar still stood in the Seiriadic land land of Sirius worshippers Showing how the lost pillars stand as a twenty first century symbol for reattaining our heritage Churton ultimately reveals how the esoteric strands of all religions unite in a gnosis that could offer a basis for reuniting religion and science

Spiritual Evolution And Devolution: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. Spiritual Evolution And Devolution : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Spiritual Evolution And Devolution : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
