

A Spiritual View of Inspiration:

- Artistic and poetic inspiration, the poem suggests, is a holy or spiritual phenomenon.
- It is associated with 'miracles' and 'angels', suggesting that it has little to do with our everyday life but is a 'celestial' phenomenon, something that is sent down to us from the heavenly realm.
- The words of the poem come to a poet as if they were spoken to him or her out of the sky. The poet's role, then, is to stay alert for this backtalk.

Spiritual Poetic Inspiration Sheila Holloman, 2002-11-01 *Spiritual Poetry inspired by Mother Nature* Kwabena Osei, 2013-12-13 When one is been robbed of all his properties by darkness including his soul and all his entire life and family he cannot fight darkness to reclaim all what he is being robbed He is totally defeated because the power of darkness is stronger than him Sitting in limbo for someone to bail you from your misery which you call it a miracle in a matter of a second is insignificant What we should understand is driving a negative energy force out of the front door another negative force enters through the window with an angelic appearance with sweet melody of the taste of music you would like to hear So waiting and sitting in limbo and depending on someone to bail you you are living in a fantasy world that consists of hallucinated clergy and day dreamers No one can create a paradise for you rather it is you who hold the key to your freedom and eternity When darkness steals all your properties and soul just hang all your worries just like one hangs his clothes on a wall Fight cling to the universal light for we do look or search for our missing items in darkness with the light You cannot fight darkness with darkness neither quench fire with fire but with water Light is the main source and a combatant to darkness Without light in you no matter what miracle for a better change sooner or later the negativity covers or takes back the center seat But once you fight to claim an unquenchable light there will be no more loopholes in you or a back door for the return of darkness To survive all the great battles you must conquer and rule yourself with the inner peace of light to reinstate the lost innocence that is not borrowed identity but the undefiled Peace and love Amen Amen Amen *Speaking of the Tongue* Rita Harden, 2011-09-06 Poetic Inspirations Darron Hurst, 2019-01-19 This book is written to serve as a source of religious inspiration to those who often seek to find comfort encouragement and personal inspiration from the holy scriptures The premise of the book is to take various verses of scripture from the Bible and convert a particular verse into a poetic expression that both unlocks its meaning while highlighting the inspirational message contained in the verse The poems touch on a variety of subjects they provide inspiration to pursue dreams and encourage perseverance through life's trials and motivation to keep abiding in the foundational principles of one's faith **Peace Shining Through** LeJuana Searcy, 2003-11 Peace Shining Through plants a seed of love in spirits promoting a positive change through hope and a spiritual awakening A heartfelt prose will embrace you with a realistic tone expressing an abiding love only God can provide When your light appears to go dim no matter what you have gone through God can meet you with His grace and restore your soul In an imperfect world full of ups and downs it is vital for peace to extend beyond trials and tribulations in life Each poem aims to propel and motivate spirits to forgive and heal while reflecting on the goodness of God Keep the Lord illuminated within the core of you He will allow you to press on selflessly to brighten the heart of someone else No matter what a day brings when laughter and compassion overflows you are Peace Shining Through Le Juana Searcy's poetic verses are inspiring and encouraging Peace Shining Through will reinforce your love and faith in a Higher Being Sheila M Goss author of *Roses*

A Light That Passes By: Poetry Inspired by Nature, Politics, and Spirituality J. Ann Tibbetts, 2009-11 Fresh powder falls On an Indian sand world In this desert hiding place Where skinny pines meet up With turning lagoons and sandstone walls As you journey through the canyons An unmolested world begins to speak And you begin to see as if from the dust An all seeing eye brings to light An unseen world A Light That Passes By is a masterful collection of poetry that draws on nature politics and spirituality as subjects for reflection Through her poetry author Jenny Tibbetts shares her inexplicable desire to feel closer to her Savior Jesus Christ Her writing packs a powerful message of virtue and truth and describes Jesus as the greatest friend we shall ever have These poems speak of wonder at the miraculous handiwork of God the creator and express an insatiable love for the bounty and beauty of nature Tibbetts writing is influenced by a deep reverence and respect for the country she lives in and is filled with a spirit of passion and patriotism A Light That Passes By beautifully and boldly comments on some of the current issues of our day appealing to the spiritual actualities of God within all things Jenny Tibbetts holds nothing back from the light of the truth and will inspire readers to greater heights of awareness

Inspiration and Authority in the Middle Ages Brian FitzGerald, 2017-10-06 Inspiration and Authority in the Middle Ages rethinks the role of prophecy in the Middle Ages by examining how professional theologians responded to new assertions of divine inspiration Drawing on fresh archival research and detailed study of unpublished manuscript sources from the twelfth to fourteenth centuries this volume argues that the task of defining prophetic authority became a crucial intellectual and cultural enterprise as university trained theologians confronted prophetic claims from lay mystics radical Franciscans and other unprecedented visionaries In the process these theologians redescribed their own activities as prophetic by locating inspiration not in special predictions or ecstatic visions but in natural forms of understanding and in the daily work of ecclesiastical teaching and ministry Instead of containing the spread of prophetic privilege however scholastic assessments of prophecy from Peter Lombard and Thomas Aquinas to Peter John Olivi and Nicholas Trevet opened space for claims of divine insight to proliferate beyond the control of theologians By the turn of the fourteenth century secular Italian humanists could lay claim to prophetic authority on the basis of their intellectual powers and literary practices From Hugh of St Victor to Albertino Mussato reflections on and debates over prophecy reveal medieval clerics scholars and reformers reshaping the contours of religious authority the boundaries of sanctity and sacred texts and the relationship of tradition to the new voices of the Late Middle Ages Blooms of Mystic Verse and Spiritual Insight Apollonius Tyanaeus, Franz Hartmann, Helena Petrovna Blavatsky, Hermes Mercurius Trismegistus, Marcus Tullius Cicero, Paracelsus, Percy Bysshe
