Nwaneri,2013-10-31

The World is undergoing crises of faith

in God and peace on earth These crises are threatening the roots of world civilization We are indeed at war with the only enemy of God and Man Satan itself which instigates these crises The ongoing wars in Syria Egypt and most Islamic and Communist nations show that leaders like Syria s President Assad like Hitler are clearly influenced by Satan To address these crises Pope Francis called on the world to devote Saturday 7 2013 to Prayer and Fasting for enhancement in the levels of World Peace and Faith He also called on the Laity in the Church to carry the message of The New Evangelization to the Secular world that cannot be reached through Church teaching Through these Books the Author responds to the Pope s call His goal is to remind the world of today that its main enemy is Satan the Devil who is the Master of Lies Deceptions and Anti Christ We can stop blaming and fighting only our neighbors for our wars and crises The world seems to be forgetting that God commands us to love our neighbors including those we view as our enemies Satan is the main enemy to blame and fight because it is the only enemy of God and Man whose mission on earth is to tempt us to abandon our faith love obedience and service to God and our neighbors We seem to be forgetting also that Christ established the Pillars of modern civilization justice peace happiness and Good Governance which we enjoy today His Church had been spreading these Pillars across world history Through debates with Atheists and other non believers at secular platforms and language the Author reminds the world of these facts of its history and calls them back to the roots of its civilization He reminds them that Satan tempts us to disobey God and follow its evil ways as many people are doing Today we see many people driving God out of their lives and secular governance Finally the Author reminds the world that Christ promised Eternal Life in heaven for those who follow Him and eternal suffering in hell for those who follow the enemy Christ had promised these will happen at His End Time Judgment It is therefore appropriate that the world be reminded in This Year of Faith that God s commandments extend to both our religious and secular lives and Governance So as we promise at Baptism let s reject Satan and all its Lies Deceptions and False Promises and stop its temptation to drive God out of our lives and governance

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the

first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state The Complete Evangelism Guidebook Scott Dawson,2008-06 This comprehensive resource includes contributions from well known evangelists such as Rick Warren Josh McDowell and Luis Palau on everything a person needs to know about sharing his or her faith Prayer Works Volume 1 Jacqueline Fowler-Hillstock,2010-02 Get ready to receive answers to your prayers Yes prayer works yes God still answers prayer The answer to what you have been seeking God for is closer than you think The key to answered prayer is knowing God and his way of doing things We must not give up until we see the answers to our prayers Prayer works will reveal to you simple but significant areas you may have over looked that are key components to answered prayer Get ready to receive answers to your prayers it shall come to pass Jacqueline Fowler Hillstock is the Founder of Prayer works Ministry a comprehensive Intercessory Prayer Ministry involving any request for prayer especially those seeking salvation Jacqueline is a former teacher for Child Evangelism Fellowship CEF She is currently working on volume 2 of the Prayer Works Series *Renewal Apologetics* Christopher J. Wilson,2019-12-09 Why do you believe in God Why do you believe in the Bible Why do you believe in miracles These are questions that Christians are often asked by sceptics The field of apologetics attempts to provide rational answers to these and other questions Unfortunately apologetical answers to these questions are often abstract and philosophical However the Christian apologist evangelist has a much more powerful argument in their arsenal the argument from miracles Miracles are the original Christian apologetic It was through the witnessing of miracles that Christianity was originally spread By applying modern tools of philosophical inquiry and scientific methodology Wilson is able to establish a core set of miracles which defy naturalistic explanations and strongly point toward occurrences of Special Divine Action SDA However once these occurrences are proven to be genuine miracles several questions remain Why does God sometimes perform miracles Why does he often answer no How do these random acts fit into his overall plans of redemption By answering these and other questions Wilson develops a comprehensive apologetic for both Christianity in general and the Renewal Movement in particular *Pentecostal Liturgical Theology* Monte Lee Rice,2025-02-20 This book explores how Pentecostal meaning full worship frees people into a cosmic liturgy that wills humanity to Pentecost A liturgical turn has marked recent Pentecostal studies producing a growing body of liturgical theologies This cutting edge work analyses four theologians at its forefront Tanya Riches Daniela Augustine Chris E W Green and Wolfgang Vondey It does so through a liturgy as primary theology approach which defines liturgy as the church at prayer Here Rice shows how Pentecostal experience clarifies liturgy as the church at prayer on the altar Drawing from critical discourse analysis continental philosophy and Aristotelian wisdom this incisive book proceeds by narrating a healing soteriology that makes humanity willed

to the common good signified by Pentecost Working from Walter Hollenweger's insights on the ecumenical promise of Pentecostal liturgy Rice identifies inclusivity liberative spirituality Majority World epistemology gift sharing community and scholarly re-oralization as apt benchmarks for Pentecostal liturgical theology This inclusive multi-faceted form reveals how Occidental voices dominate the Pentecostal discourse yet conversely offers augmenting pathways toward a more globally representative theology summoning the Pentecostal academy to the altar The foremost pathway this book presents is its theology of Pentecostal meaning full worship Through the lens of liturgy as a cosmic gift economy Rice shows how Pentecostal meaning full worship frees people into a cosmic liturgy that wills humanity to Pentecost Through engaging Ricoeurian Aristotelian narrative theory this eye-opening work thus climaxes with a briefly constructed Pentecostal theology of the altar It shows how Pentecostal meaning full worship fosters moral formation as worshippers place themselves on the altar of sacrifice becoming priestly partners with God fuelling the gift economy that flourishes his household till all creation be willed to Pentecost

Perry, 2019-11-20 As the first African American president Barack Obama faced unique challenges and obstacles when addressing issues of race While rhetorical attacks on the basis of race directed at Obama were not unexpected many of the most consistent racially motivated criticisms of Obama were associated with his religious identity The Jeremiah Wright controversy gave way to the birther and secret Muslim conspiracy theories while anxieties about Obama's identity proved particularly potent as modes of political attack in the context of the war on terror This book examines the ways in which those attacks often originated in the rhetoric of the Christian Right and the ways in which these theories circulated amongst the Christian Right Perry argues that the intersections of race and religion in American politics produced rhetoric that often caricatured Obama as an American anti-Christian and an enemy of the state By exploring the arguments used to cultivate these characterizations and tracing the roots of conspiracies that worked to delegitimize Obama's religious identity through racial claims and stereotypes a clearer picture emerges of what is at stake when people can no longer separate religious convictions from political arguments *The Theory of War and Peace* Oleg Bazaluk, 2017-03-07 This book explores the ontology of war and peace Using the results of empirical and theoretical research in the field of geophilosophy as well as neuroscience psychology social philosophy and military history it defines axiomatics of the theory of war and peace formulates its consequences tests the theory on the geophilosophy of Europe and offers a new theoretical basis for the definition of the European Security Strategy The text proves that war and peace are ways to achieve a regulatory compromise between manifestations of the active principle which was initially laid in the foundation of the human mentality

and the influence of the external environment through natural selection
