McKenna, 2023-06-08 Do you feel as if you have been burned by the church and its institutions Or have you stayed away for fear of being burned In either case you are not alone Confidence in the church and its institutions has plummeted since the turn of the century especially among the younger generation The rush to judgment is premature In David McKenna s growing

years he had to go through the hoops and hurdles of a radical holiness tabernacle At the time the human standards were odious But now from the perspective of seventy years or more he can see how the threads of grace were being woven together into the whole cloth of God s perfect will for his life With confidence then he only asks that this young generation give the church a chance It is imperfect but it is still an instrument of the grace of God With full candor and full confidence then McKenna offers his spiritual odyssey as witness to the triumphs of God s grace *Continent* ,1916 *The Spiritual Wisdom and Practices of Early Christianity* Alphonse and Rachel Goettmann,2010-06-15 In this book we will consider the fundamental practices of the Christian experience They are backed by two thousand years of history and a sea of witnesses who down through the ages have journeyed on this path that has led them to the summits of wisdom and holiness The difficulty in the presentation of these methods is their inevitable and artificial juxtaposition when they only find their internal and organic coherence in the living Tradition They are all held together as in a living organism each element comes at a particular stage in a life that gravitates around its axis the Christ That is why we will use a method which will make it possible for the reader not to remain on the exterior as a spectator the repetition of key ideas This is a teaching in the form of a spiral an eating of the word where as in liturgical chants and the experiential method of Scripture we become that which we eat continually we are what we have just read rather than merely knowing it Each chapter is a new approach to the unique Reality Rather than addressing the intellect it speaks to the heart John Beth Moore,2008-09-01 Best selling author Beth Moore has a remarkable gift for crafting insightful Bible character studies Millions have been drawn to her inspired lessons and the media has called her America s Bible teacher The PERSONAL REFLECTIONS series continues to reintroduce Beth s most beloved character driven books expanding them into 90 day experiences that include nearly all of the text from her original work plus thoughtful questions and journal space to engage readers throughout this special time of study John is the new presentation of Moore s enduring favorite The Beloved Disciple The young gospel writer followed Jesus all the years of His ministry experiencing more miracles displays of power and perfect love than he could fathom And just as Christ led John into the depths of His love that same journey is here for us His beloved **Motivational Classics** Tom Walsh,2007-07 Most people don t realize that there s nothing new under the sun as a Spanish refrain reminds us Most of what we see that s new is in the packaging only the thoughts and ideas have been around as long as people have The Law of Attraction isn t new it s been talked about for as long as people have been around The Secret isn t a secret at all many people have been teaching and living these principles for many years In this book you ll find valuable wisdom that will get you to think about your own life and the way that you live it wisdom that can help you to thrive in life creating for yourself a life of abundance Includes Acres of Diamonds As a Man Thinketh Self Reliance The Heart of the New Thought The Wayfarer on the Open Road Character The Grandest Thing in the World and Civil Disobedience *Mountain Top Life Devotional* 2022 Dr. D.
