## **Spiritual Gifts For Christians Today:**

Spiritual Gifts for Christians Today Knofel Staton,2004-02-11 In Spiritual Gifts for Christians Today Knofel Staton offers eight lessons which bring to light important issues concerning today's charismatic movement. He handles the issues with fairness and a sincere appeal to Scripture including studies of the perfect of 1 Corinthians Chapter 13 and the word tongues as used throughout the Bible as well as a chapter devoted to the context of 1 Corinthians Chapter 14. This book is a unique exploration of Scripture and an important resource for Christians today written by one who is well known for his preaching and whose skill in writing is evident in this and numerous other published works. Gift and Giver Craig S. Keener,2001-05 Affirms the validity of spiritual gifts while seeking to restore a biblical emphasis on why the gifts are given. Christian Spiritual Gifts God's Presence Don Polston,2006-11 Step back in time 2000 years with Marcus Herectus soldier of Rome. His adventures and battles with Rome's enemies are legendary. Marcus is a centurion the best of the best. Centurions like Marcus are what the senate relies on in each of its mighty legions. These legions are spreading civilization throughout the known world whether they want it or not. Don't be faint of heart as you battle side by side with these warriors and the blood flows between your sandaled toes and your eyes sting with the sweat and blood of your enemies. The screams of the dying mix with the clash of steel and grunts from the victors. When the battle is over and only the cries and moans of the wounded can be heard. Stand with the mighty centurions and take in the picture the gods have painted for you. **The Spiritual Gifts Challenge** Rachel Linkswiler,2018-11-29 Discover what the Bible says about the gifts of the Holy Spirit. God provides everyone with spirit-given abilities for their walk of faith. Learn about those gifts and put that knowledge to action in the Spiritual Gifts Challenge.

**The Spiritual Gifts (Part 1): The Ascension Gifts of Christ and the Functional** Timothy K Williams,2003-10 The Dynamics of Spiritual Gifts William J. McRae,1983-02 Many Christians have settled for far less than God intends because they have never discovered or developed their spiritual gifts. Exceedingly few believers are conscious of possessing a spiritual gift and even fewer know what their gift is or what to do about it. An understanding of Ephesians 4:11-16 will change your entire perspective on Christian service. **How Christians Grow** Andrew James Prince,2022-09-27 When someone becomes a Christian they enter into a lifelong journey of God-driven transformation into the likeness of Christ. But what does this transformation process look like and what means does God use to bring about spiritual growth? How does a Christian continue growing spiritually? How do they prevent the practice of the spiritual discipline of meditating on God's word from become mechanical when they may have read through the Bible many times? How do they mature in prayer? And how do they continue being conformed to the image of Christ for the rest of their lives rather than simply putting their spiritual gearstick into neutral and coasting into eternity? This book seeks to answer such questions. It begins by exploring the contours of this spiritual transformation into Christlikeness before introducing various means God uses to bring this about. The book seeks to give hope and instruction both to the weary and to the strong so that they can grow more like Christ through the means of

**Challenging Christian Questions** Angah Cedric, 2024-04-04 The word of God is God's infallible word true and self sufficient However the Christian community faces a lot of divisions and diverse interpretations on biblical interpretations doctrines and matters of the faith Sometimes people come up with doctrines from portions of Scripture and some identify portions of Scripture as controversial to others However Scripture cannot be sectioned or and Scripture is never divided Scripture is self complementary wherein every section mostly a portion of the entire truth which added together fits to give the ultimate harmonious message of scriptural revelation Scripture is therefore not self contradictory but self complementary that is all Scriptures work together in giving the ultimate picture or message With this in mind it's important to deeply study Scripture starting with contextual implications to inter scriptural connection in order to rightly divide the word of Truth as 2 Timothy 2 15 In this book we will review some major challenging questions in the body of Christ with divided opinions exploring different perspectives doing an encompassing scriptural analysis and giving a conclusive Scripture focused perspective from these studies

**The Ministry Gifts of the Holy Spirit** Billy M. Lauderdale, 2017-06-23

Perhaps one of the most misunderstood things in the Bible is the Holy Spirit. Most people know that it is a part of the Holy Trinity; some may even know about the baptism of the Holy Spirit. However, most people rarely go beyond that. The Holy Spirit is significantly more important than most Christians understand. It is not only important to us but the Church as well. Today more than ever we need to understand the Holy Spirit as well as the gifting of the Spirit. We read in Ephesians 4:11 that the Lord gave us gifts to be used. These gifts are known as ministry gifts; they are to be used to perfect the church. They were all but forgotten, however, they were restored to the church by the reawakening of the charismatic movement. Like all things of God, the Devil has a counterfeit which has led to much confusion and misunderstanding; it has also led to much abuse. Today He is restoring a biblical understanding of what these roles and callings mean. The church has come a long way, even though there is still a lot of wrong conceptions and rejection due to the abuse prevalent in His body. However, when the gifts are recognized and they start taking their rightful places, the Church can come into its maturity. Having all five offices in place in the church does not mean it is free from all work and responsibilities; on the contrary, it will find itself in a place of growth and equipping that nobody has ever dreamed possible. Only when the church becomes what God meant it to be with all of the gifts of the Holy Spirit as well as the five-fold ministry gifts in place will we truly come into full maturity and have the ability to fulfill the commission our Master Jesus gave us to make disciples of all nations, doing the same works He did and even greater. That is why now more than ever there is a need to understand the Gifts of the Spirit more than ever. Over the years there have been volumes written on the subject of spiritual gifts. Lists have been compiled and tested, written and administered with various degrees of success and understanding. Even with all the differing opinions from various people, the study and application of knowing one's spiritual gift can have the greatest of impacts on the character of the church and its membership. Once you understand what your gifting is, it will bring a greater sense of pleasure, purpose, and security. In today's Church, the gifts of ministry are needed more than ever, however, we don't see them in action very often. Some people may even have gone their entire life and not see the gifts working. Some may have a general idea of what they are, while others may not know what they are. Most who do know of the Gifts of the Spirit are often confused about them. How often does someone misunderstand how they work and confuse the use of them? Such as the prophet and the gift of Prophecy: both are gifts of the Spirit, but each is different in how they are used. For example, all prophets have the gift of prophecy and can use the gift of prophecy, but not all people who can prophecy are prophets. With the reawakening of the charismatic movement, the gifts of the Spirit, spiritual gifts, have been reawakened and brought back into the church. It is sad to say that in today's church, the use of spiritual gifts is the source of much controversy and confusion among believers. Some churches and their denominations won't allow them because they don't know them or they fear them. This is interesting and something of a sad commentary since these gifts are meant to be graces from God for the edification of the church. Even today, as in the early

church the misuse and misunderstanding of spiritual gifts have brought division splitting up rather than building up in the church Here in this book I seek to avoid the controversies by simply exploring what the Bible says about spiritual gifts and help you to understand what the gifts are and how they can benefit the Church
