business economics and law by means of a discussion of legal and moral frameworks and the financial and business issues of religious organizations The next part of the book explores the many new faces that are part of the religious landscape and culture of the Global North Europe Russia Australia and New Zealand the U S and Canada and the Global South Latin America Africa and Asia It does so by looking at specific population movements diasporas and the impact of globalization The volume next turns to secularization as both a phenomenon occurring in the Global religious North and as an emerging and distinguishing feature in the metropolitan cosmopolitan and gateway cities and regions in the Global South The final part of the book explores the changing world of religion in regards to gender and identity issues the political religious nexus and the new worlds associated with the virtual technologies and visual media

The Power of Religion Amanda Porterfield,1998 Genuinely accessible to undergraduates and general readers it shows how various forms of these traditions are lived out in practice experience and community presenting religions as conceivable ways of living and demonstrating how religious beliefs are integrally related to other aspects of life Many chapters open with a description of a particular religious event or act that one might encounter today in the United States where virtually all of the world s religions are now being practiced The author discusses several of the historical developments each religion has undergone and considers how each of the religions has changed in response to the climate of religious exchange and religious pluralism that exists in the United States today

Self-Emptying of Christ and the Christian John B. Lounibos,2011-05-01 This collection wrestles with a profusion of questions about kenosis What is the original meaning and purpose of the self emptying of Jesus How can today s Christians emulate it replacing our own selfish designs with the mind of Christ How is the current interest in servant leadership as a model in the modern church related to the self sacrificing servant of Philippians 2 Does this practice have any meaning in our present secular age Does it imply deconstructing the content of Christian faith and morals in contemporary culture Is it a possible bridge between Eastern and Western spiritual traditions Using the key theme of Jesus emptying of himself in the Philippians hymn John Lounibos explores the mysteries of kenosis in three strikingly different essays The first using extensive exegesis of the text opens up the poetic theological and spiritual depths of this Christian mystery The second essay establishes a philosophical grounding for kenosis in the work of Paul Tillich on the estrangements of finite human freedom The third enters into dialogue with the Buddhist tradition and its intriguing notions of nothingness and no self The attentive reader will be rewarded with a wealth of information and insights for further reflection and personal application

read religion and spirituality books covering various faiths personal growth mindfulness and deep theological insights Whether you re a believer seeker or scholar these books will provide valuable knowledge and reflection *Manufacturing Religion* Russell T. McCutcheon,1997-06-19 In this new book author Russell McCutcheon offers a powerful critique of traditional scholarship on religion focusing on multiple interrelated targets Most prominent among these are the History of Religions as a discipline Mircea Eliade one of the founders of the modern discipline recent scholarship on Eliade s life and politics contemporary textbooks on world religions and the oft repeated bromide that religion is a sui generis phenomenon McCutcheon skillfully analyzes the ideological basis for and service of the sui generis argument demonstrating that it has been used to constitute the field s object of study in a form that is ahistoric apolitical fetishized and sacrosanct As such he charges it has helped to create departments jobs and publication outlets for those who are comfortable with such a suspect construction while establishing a disciplinary ethos of astounding theoretical naivete and a body of scholarship to match Surveying the textbooks available for introductory courses in comparative religion the author finds that they uniformly adopt the sui generis line and all that comes with it As a result he argues they are not just uncritical which helps keep them popular among the audiences for which they are intended but badly disserve but actively inhibit the emergence of critical perspectives and capacities And on the geo political scale he contends the study of religion as an ahistorical category participates in a larger system of political domination and economic and cultural imperialism *The ^AOxford Handbook of Religion and American Education* Michael D. Waggoner,Nathan C. Walker,2018-08-01 The Oxford Handbook of Religion and American Education brings together preeminent scholars to craft a comprehensive survey and assessment of the study of religion and education in the United States **Catholic Schools and the Future of the Church** Kathleen Engebretson,2014-02-27 During the first decade of the 21st century the Catholic Church in the developed world has faced a decline in its moral authority increasing accusations of irrelevance to a secular age and a steep and steady decline in commitment among successive generations from the 1960s on Despite this Catholic schools have multiplied and grown in popularity and educational achievement The book sets out a programme for the contribution of Catholic schools to the future of the Church covering such topics as the religious education curriculum in its cognitive and affective aspects the sacramental life of the school selection of staff the issue of staff and Catholic witness and many other topics Engebretson argues that Catholic schools are a powerful key to the future of the Church and shows how within their diversity Catholic schools can be ecclesial communities which have at their heart the building up of the Church
