Wilczek, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2015 This book deals with the rapidly developing field of spirituality Although having a singularity of focus the chapters have been written by a cross cultural and international set of researchers who discuss critical issues from an interdisciplinary perspective Thus while a broad range of critical aspects emerge the chapters are threaded together by the concept of spirituality as a lone walk While alone the spiritual journey is also deeply connected to others As a deeply human experience the chapters in this book therefore reflect the prismatic viewpoints that form the understandings and experiences of the spiritual walk This book challenges the reader to start to understand the apparent ambiguity this appears to bring to researchers and practitioners Rather than a roadblock to understanding the multiple frames and facets this brings it is instead a rich field for the exploration of the human condition Being Spiritual while Doing Research Volker Kessler, Marilyn Naidoo, Tanya van Wyk, Philipp Wenk, Although the topic of spirituality has been experiencing a renaissance since the end of the previous century it is not always associated with academic activities The book invites scholars from all fields to rethink this traditional divide between knowledge and

spirituality offering fresh perspectives on how the two can coexist and enhance each other Twenty nine authors from across the world illustrate how scholarly pursuits in various disciplines can be deeply spiritual journeys

The Spirituality of Married Life John Cogavin, 2014-07-01 We all know that the perfect family does not exist nor a perfect husband or wife Pope Francis Feb 2014 In his thought provoking book John Cogavin sets out to demonstrate how every wife and husband despite imperfections can deepen and develop their relationship through their spirituality Reflecting on personal Christian and married spirituality the book goes on to delve into the timeless question What is Love It facilitates the couple as they journey together on their special path exploring each other s individual uniqueness as human and spiritual beings Tracing the history and significance of marriage in society the book unfolds the fundamentals of the commitment of love involving the totality of each person Showing how as a couple grow in friendship fun and freedom they become what it is they wish to be in their own space time and place A place where each can be vulnerable feel like they belong and in a communion of hearts surrender to the other in the intimacy of love The Spirituality of Married Life can give a once in a life time opportunity to step back from the hectic pace of life to reflect on your own spirituality from a holistic and married perspective The book will help those preparing for marriage others setting out on the journey and those couples seeking added spiritual richness within their relationships John writes from his own life experience He is married to Elaine and they have three adult sons The book reflects their search together as a couple supporting each other in finding real meaning and purpose in their married life

Present-Day Spiritualities , 2013-10-10 Many forms of present day Western spirituality contribute to people s well being whereas others have raised criticism The study of these different forms is however complicated by their continuously diverging practices and ideas By bringing to bear a multidisciplinary approach the ten specialists of this volume are able to analyze diverse new instances of spirituality e g in religious contexts Buddhism Christianity popular use organizations and enterprises alternative health service and works of art Most contributions also discuss methods and theories In their editorial chapters Elisabeth Hense Frans Jespers and Peter Nissen show the remarkable overlaps in the approaches definitions and evaluations of the contributions in this volume and provide a theoretical framework Both the fresh analyses and the theoretical reflections in this volume point the way to new approaches in this field of study Contributors include Jerry Biberman Mark Elliott Miguel Farias Johan Goud Paul Heelas Elisabeth Hense Frans Jespers Hubert Knoblauch Peter Nissen Paul van der Velde

Apocalypticism and Mysticism in Ancient Judaism and Early Christianity John J. Collins, Pieter G. R. Villiers, Adela Yarbro Collins, 2018-09-24 The nature and origin of Jewish mysticism is a controversial subject This volume explores the subject by examining both the Hebrew and Aramaic tradition Dead Sea Scrolls 1 Enoch and the Greek philosophical tradition Philo and also examines the Christian transformation of Jewish mysticism in Paul and Revelation It provides for a nuanced treatment that differentiates different strands of thought that may be considered mystical The Hebrew tradition is mythical in nature and concerned with various ways of being in the presence of God The Greek tradition

allows for a greater degree of unification and participation in the divine The New Testament texts are generally closer to the Greek tradition although Greek philosophy would have a huge effect on later Christian mysticism The book is intended for scholars and advanced students of ancient Judaism and early Christianity

Christian Responses to Spiritual Incursions into the 21st Century Church and Society Nikolaos Asproulis, Stuart Devenish, 2020-10-30 This volume provides an account of the surprising in breaking of spiritual life that persists in our culture despite the best efforts of atheist spokespersons and secular theorists Spirituality in its varying forms is irrepressible resisting our attempts to exclude it by continuing to seep through the cracks and leak through the gaps When it is allowed to manifest itself through the Christian faith tradition it has the power to surprise transform and renew everything it touches This volume contains a series of case studies each of which describes the inner functionings and out workings of the spiritual life as a transformative point of contact between God world society and self Each chapter contains high level inquiry drawing on best practice scholarship that is deeply aware of the needs and opportunities that confront 21st century society

Spirituality in Ministerial Formation Andrew Mayes, 2009-10-15 Presents a study in the area of theological education This title traces the origin and evolution of the formation model of training and identifies what difference this paradigm makes to the practice It offers ideas for a renewed understanding and praxis of the role of prayer in learning It is intended for the theological students and teachers

Between the 'Mysticism of Politics' and the 'Politics of Mysticism' David Ranson, 2013-08-31 Between the Politics of Mysticism and the Mysticism of Politics traces the dialectic of the mystical and the political from both a theological and an historical perspective It presents the dialectic as a hermeneutic for the rise of the new ecclesial communities within the Roman Catholic Tradition and suggests it as the framework by which a trajectory for Christian holiness might emerge in the 21st century

is divided into four sections that address methodological questions surrounding spiritual caregiving perspectives of different faith traditions on care and healing the challenges to the praxis of care in diverse cultural and political settings and finally how spiritual care and healing can be carried out in public places such as the police the military and hospitals The book is an outgrowth of 25 years of experience within the Society for Interreligious Care and Counselling SIPCC to promote better understanding and practices of intercultural and interreligious spiritual caregiving Care Healing and Human Well Being within Interreligious Discourses is an extraordinary assemblage of writings from diverse cultural religious and geopolitical contexts By addressing methodological questions challenges faced in the care of individuals and care in public settings from Islamic Jewish Christian Buddhist and Hindu perspectives this anthology moves the discourse on care and healing into a more adequate theological anthropology than has often undergirded pastoral care and counselling in most Western texts This much needed work will doubtless be crucial for chaplains and other spiritual care providers seeking to offer genuinely interreligious and intercultural care in today s globalized world Emmanuel Y Lartey PhD Charles Howard Candler Professor of Pastoral Theology Spiritual Care Candler School of Theology Emory University GA USA Given the variety of religious expressions in the contemporary world providing interreligious care is a great challenge for caregivers This book contributes to reflection on care and healing from an interreligious perspective by helping us to think about the theme not only from a theoretical approach but also from methodological practical and culturally contextualized points of view that overflow with compassion It is not to be simply read but studied and used as a bedside book by those engaged in the practice of human care Dr Mary Rute Gomes Esperandio Professor and researcher on Spirituality Health in the Post Graduate Program in Bioethics and Post Graduate Program in Theology at the Pontif cia Universidade Cat lica do Paran Brazil

A New Old Spirituality? Tone Stangeland Kaufman, 2017-07-11 How do pastors live their spiritual lives both as private persons and as professionals How can their spirituality be characterized and understood Drawing on in depth interviews with Norwegian clergy as well as literature from the fields of Christian spirituality practical theology congregational studies and the sociology of religion this book offers a nuanced understanding of clergy spirituality Tone Stangeland Kaufman identifies three locations and sources of spiritual nurture for pastors the ministry itself vocational spirituality daily life everyday spirituality and spiritual practices located at the margins of daily life intentional spirituality The participants in this study engage in classic Christian practices yet approach them in a subjective and new way that also potentially revitalizes their spiritual lives Hence the author makes the case that their spirituality can aptly be described as a new old spirituality The book also seeks to nuance Paul Heelas s and Linda Woodhead s Spiritual Revolution claim and thus engages in the broader spirituality vs religion discourse A New Old Spirituality is an exciting example of how qualitative empirical research can be used in creative ways to make a practical theological argument It is a book for scholars students and practitioners Studying Christian Spirituality David B. Perrin, 2007-08-07 This book provides a new introduction to the study of Christian spirituality exploring

it through the human sciences and ranging from philosophy and hermeneutics to psychology history sociology and anthropology Systematic and progressive it introduces the key approaches and shows how they relate to the understanding study and practice of spirituality Covering a vast amount of ground from traditional themes such as images of God spiritual direction and pilgrimage to more contemporary issues such as place and space cyberspace and postcolonialism the author takes an ecumenical inclusive stance allowing the book to be used in a wide variety of courses and across denominations

A Language for the Soul Stuart C. Devenish, 2024-10-24 This volume offers Christian spiritual instructors a language for the soul uncovered from the storehouses of Christianity's ancient living spiritual tradition That language describes the deep soul movements that unfold in the interior life of believers in response to the Divine invitation It presents an accessible language of the soul for use in today's professional educational ministerial and everyday life situations The end product is an experiential dictionary comprised of sixty word concepts which name and explore the inward human reactions to the whispering of God's Spirit Those reactions result from inward desires that lead to the embrace of faith the quest for consecration and the journey of discipleship Nurturing these intra personal choices and commitments is the central task of Christian ministry but many faith instructors remain unaware of these critical inner life processes More than other resources available today this experiential dictionary informs enriches and intensifies the spiritual journeys of genuine disciples and seekers The volume is tailored for seminaries churches schools and community settings It has application to the training of ministry leaders the instruction of believers and in supporting the growing number of secular mystics who are open to merging their journeys of self discovery with the quest for Christ discovery **Spirituality: A Guide for the Perplexed**

Philip Sheldrake, 2014-09-25 Spirituality is a word that is used increasingly these days yet it is often ill defined What exactly is spirituality Is it distinct from religion and can we separate it from beliefs and traditions Does spirituality mainly focus on spiritual experiences and practices or is it something more This book suggests that while there may be common features in the use of the word spirituality is not a single reality Different spiritualities reflect particular religious or philosophical viewpoints as well as the cultural contexts in which they arise and develop Spirituality A Guide for the Perplexed provides students and general readers with a reliable and comprehensive guide to spirituality as an area of study religiously historically philosophically and in the social sciences It explores the tools that are used to study the subject and to interpret spiritual classics whether these are written texts or other forms such as art from different times and cultures Attention is paid to spirituality in a variety of religious and non religious forms in their own terms and comparatively However for the sake of simplicity greatest attention is given to the study of spirituality within a religious perspective with illustrations drawn from texts personalities and themes associated with five major world religions Judaism Christianity Islam Hinduism and Buddhism The book concludes with an exploration of spirituality in contemporary perspective in particular how spirituality is currently employed in areas such as health care education and business among other examples The Bible and Spirituality

Andrew T. Lincoln, J. Gordon McConville, Lloyd K. Pieteresen, 2013-07-05 The essays in this volume aim to contribute to the newly developing academic subject of biblical spirituality. It is prompted by the belief that although the Christian tradition has always nurtured an emphasis on spirituality rooted in the Bible and its interpretation, few biblical scholars until recently have pursued their work by making connections with either this religious tradition or present day interest in the broader phenomenon of spirituality. Spiritual interpretation has overlaps with theological interpretation but is distinctive because of its focus on the wisdom of lived experience and practice. The essays therefore attempt from within the context of the academy responsible readings of Scripture that have as a major focus the study of how particular texts might contribute to a spirituality in which individual and communal flourishing is a major feature. The essays began as papers produced for an international symposium on the Bible and Spirituality in May 2012 hosted by the Centre for the Study of the Bible and Spirituality in the School of Humanities at the University of Gloucestershire. **Spirituality at the School Gate** Diane Jackson, 2020-04-06 Spirituality at the School Gate is an innovative and explorative new study grounded in the field of lived religion. It examines how intentionally engaging in spirituality makes a difference to relationships made at the school gate and looks at the importance of compassion and encounter. Unlike the everyday location of the workplace or the home, the school gate which is primarily populated by women is an overlooked under-researched locus of spirituality. This book reveals it as a context deserving of attention and sheds a concentrated beam of light on what proves to be a site of rich embodied spiritual practice. It will encourage readers to approach their daily school gate experiences with more intentionality and appreciation of the presence of God in the everyday.
