

How does one grow holy in such times? This question drove the early Christian imagination no less than it does today. *Patristic Spirituality: Classical Perspectives on Ascent to the Divine* features numerous studies offering an "itinerary" for early Christian believers seeking to enter into the divine presence. Readers will discover an array of practical early Christian wisdom and the practical challenges of ascent, "a work of God in Christ, transforming and incorporating us," says Lewis Spence. For these early Christians cultivated the life of grace with hospitality, silence, discerning, and other ascetic practices for human elevation into mystical union with God.
