Official Records of the Union and Confederate Navies in the War of the Rebellion, 1961 **British Children's Fiction in the Second World War** Owen Dudley Edwards, 2007-08-01 What children read in the Second World War had an immense effect on how they came of age as they faced the new world This time was unique for British children parental controls were often relaxed if not absent and the radio and reading assumed greater significance for most children than they had in the more structured past or were to do in the more crowded future Owen Dudley Edwards discusses reading children s radio comics films and book related play activity in relation to value systems the child s perspective versus the adult s perspective the development of sophistication retention and loss of pre war attitudes and their post war fate British literature is placed in a wider context through a consideration of what British writing reached the USA and vice versa and also through an exploration of wartime Europe as it was shown to British children Questions of leadership authority individualism community conformity urban rural division ageism class race and gender awareness are explored In this incredibly broad ranging book covering over 100 writers Owen Dudley Edwards looks at the literary inheritance when the war broke out and asks whether children s literary diet was altered in the war temporarily or permanently Concerned with the effects of the war as a whole on what children could read during the war and what they made of it he reveals the implications of this for the world they would come to inhabit *Ships, Salvage, and Sinews of War* Worrall Reed Carter, Elmer Ellsworth Duvall, 1954 *Ships, Salvage, and Sinews of War* United States. Navy Department, 1910 **Civil War Naval Chronology, 1861-1865** United States. Naval History Division, 1961 *From Spitfires to Vampires and Beyond* Owen Hardy, 2023-07-25 World War Two Spitfire pilot Owen Hardy was probably the last New Zealand ace to tell his story He left home at 18 bent on joining the RAF and by 1942 aged only 20 he was at Biggin Hill with 72 Squadron under Brian Kingcome D Day found him flying over the Normandy beaches with 485 New Zealand Squadron That he survived the war unharmed owed as much to luck as it did to his ability as a fighter pilot Unable to settle in civilian life afterwards in New Zealand he returned to the RAF for the second phase of a remarkable career Converting to jets Hardy went on to command 71 Squadron leading a Vampire aerobatic team with considerable success across Europe dodging MiGs at the same time But adapting to peacetime service wasn t easy Previously stimulated by the wartime environment and still passionate about flying he was less enamored with staff jobs and this despite working on the introduction of a new state of the art missile system Bloodhound Then a fateful decision to turn down command of a Javelin squadron and follow his mentor led finally to disillusionment Hardy pulls no punches in this forthright and refreshingly honest autobiography In retelling his eye opening story editor Black Robertson shines a light on what it was like not just to fly in combat but also on the changing face of a post war RAF which arguably undervalued some of its heroes From the heat of North Africa to the

uncertainties of the Cold War it s a unique and enthralling tale **World War II in Europe** David T. Zabecki,2015-05-01
