the ground forces could not move without this valuable support Squadron and ace biographies and stunning artwork bring this fascinating book to life **Canadian Warplanes** Harold A. Skaarup,2009-11 This aviation handbook is designed to be used as a quick reference to the classic military heritage aircraft that have been flown by members of the Canadian Air Force Royal Canadian Air Force Royal Canadian Navy Canadian Army and the present day Canadian Forces The interested reader will find useful information and a few technical details on most of the military aircraft that have been in service with active Canadian squadrons both at home and overseas 100 selected photographs have been included to illustrate a few of the major examples in addition to the serial numbers assigned to Canadian service aircraft For those who like to actually see the aircraft concerned aviation museum locations addresses and contact phone numbers have been included along with a list of aircraft held in each museum s current inventory or on display as gate guardians throughout Canada and overseas The aircraft presented in this edition are listed alphabetically by manufacturer number and type Although many of Canada s heritage warplanes have completely disappeared a few have been carefully collected restored and preserved and some have even been restored to flying condition This guide book should help you to find and view Canada s Warplane survivors **The Insubordinate and the Noncompliant** Howard Coombs,2008-03-28 The Unwilling and the Reluctant Theoretical Perspectives on Disobedience in the Military and The Apathetic and the Defiant Case Studies of Canadian Mutiny and Disobedience 1812 1919 are the first two volumes in a series devoted to disobedience issues in the Canadian military Now with The Insubordinate and the Noncompliant the trilogy is complete Military leadership has both formal and informal dimensions The formal leadership of any organization must ensure that it minimizes the divergence between institutional aims and the actions of informal leaders When this separation occurs the result is sometimes mutiny These incidents of insubordination and noncompliance represent a form of dialogue between military personnel and their leadership The Insubordinate and the Noncompliant offers a perspective on the Canadian experience with military mutiny in the twentieth century in an effort to provide relevant lessons for today **Wings Across Canada** Peter Pigott,2002-10-01 From the eccentric Fairey Battle to the lethal looking CF 18 from modern airliners that have no defects and no character to the classic North Star which had both here is the ultimate line up of the aircraft that have served Canadians in the last century With over one hundred photographs of fifty historic planes Wings Across Canada is a retrospective of Canada s aeronautical technology This book does not compare the planes nor claim that all are classics in the traditional sense of the word Instead it is a celebration of a love affair with aircraft that all served a purpose in their own time **Merchant Vessels of the United States** ,1969
