Splendor And Wonder Jesuit Character Georgetown Spirit And Liberal Education:

Splendor and Wonder William James O'Brien, 1988 **Liberal Arts Education in a Changing Society** You Guo Jiang, 2014-12-16 In *Liberal Arts Education in a Changing Society A New Perspective on Chinese Higher Education* You Guo Jiang S J provides a unique focus on the re emergence of liberal arts education in China This is the first book that explores in depth the development of liberal arts education in China Through the extensive use of first hand materials relating to the liberal arts and current viewpoints of Chinese scholars and higher education leaders Jiang concludes that China must implement a good liberal arts education program to form responsible global citizens **A Jesuit Education Reader** George W. Traub, 2008 A *Jesuit Education Reader* is a collection of the best writing on the mission challenge and state of Jesuit education This anthology will prove especially valuable to those who work in Jesuit education and other Catholic and Christian schools *Crossings and Dwellings* Kyle B. Roberts, Stephen Schloesser, J.S., 2017-07-31 In *Crossings and Dwellings* Kyle Roberts and Stephen Schloesser S J bring together essays by eighteen scholars in one of the first volumes to explore the work and experiences of Jesuits and their women religious collaborators in North America over two centuries following the Jesuit Restoration Long dismissed as anti liberal anti nationalist and ultramontanist restored Jesuits and their women religious collaborators are revealed to provide a useful prism for looking at some of the most important topics in modern history immigration nativism urbanization imperialism secularization anti modernization racism feminism and sexual reproduction Approaching this broad range of topics from a variety of disciplinary perspectives this volume provides a valuable contribution to an understudied period **Transforming Ourselves, Transforming the World** Mary Beth Combs, Patricia Ruggiano Schmidt, 2013-09-02 *Transforming Ourselves Transforming the World* is an insightful collection that articulates how Jesuit colleges and universities create an educational community energized to transform the lives of its students faculty and administrators and to equip them to transform a broken world The essays are rooted in Pedro Arrupe s ideal of forming men and women for others and inspired by Peter Hans Kolvenbach s October 2000 address at Santa Clara in which he identified three areas where the promotion of justice may be manifested in our institutions formation and learning research and teaching and our way of proceeding Using the three areas laid out in Fr Kolvenbach s address as its organizing structure this stimulating volume addresses the following challenges How do we promote student life experiences and service How does interdisciplinary collaborative research promote teaching and reflection How do our institutions exemplify justice in their daily practices Introductory pieces by internationally acclaimed authors such as Rev Dean Brackley S J David J O'Brien Lisa Sowle Cahill and Rev Stephen A Privett S J pave the way for a range of smart and highly creative essays that illustrate and honor the scholarship teaching and service that have developed out of a commitment to the ideals of Jesuit higher education The topics covered span disciplines and fields from the arts to engineering from nursing to political science and law The essays offer numerous examples of engaged pedagogy which as Rev Brackley points out fits squarely with Jesuit

pedagogy insertion programs community based learning study abroad internships clinical placements and other forms of interacting with the poor and with cultures other than our own This book not only illustrates the dynamic growth of Jesuit education but critically identifies key challenges for educators such as How can we better address issues of race in our teaching and learning Are we educating in nonviolence How can we make the college or university greener How can we evoke a desire for the faith that does justice Transforming Ourselves Transforming the World is an indispensable volume that has the potential to act as an academic facilitator for the promotion of justice within not only Jesuit schools but all schools of higher education

The Jesuit Tradition in Education and Missions Christopher Chapple, 1993 The first section of this volume deals with the formation of the Jesuit philosophy of education and with Jesuit education in Europe and America from its inception to the present Included are discussions of how the Jesuit traditions of spirituality education and formation interface with the status of women the challenge of modernity and the renewed quest for authentic spirituality The second section explores the Jesuit missions history and cultural insights focusing primarily on interactions with native peoples of the Americas Africa and Asia Rather than emphasizing Jesuits as teachers this section highlights notable cases not previously studied where Jesuits have functioned primarily as learners and pioneers in South America the American Southwest and Northwest Africa and India

For the Common Good Charles Dorn, 2017-06-06 Are colleges and universities in a period of unprecedented disruption Is a bachelor's degree still worth the investment Are the humanities coming to an end What exactly is higher education good for In *For the Common Good* Charles Dorn challenges the rhetoric of America's so called crisis in higher education by investigating two centuries of college and university history From the community college to the elite research university in states from California to Maine Dorn engages a fundamental question confronted by higher education institutions ever since the nation's founding Do colleges and universities contribute to the common good Tracking changes in the prevailing social ethos between the late eighteenth and early twenty first centuries Dorn illustrates the ways in which civic mindedness practicality commercialism and affluence influenced higher education's dedication to the public good Each ethos long a part of American history and tradition came to predominate over the others during one of the four chronological periods examined in the book informing the character of institutional debates and telling the definitive story of its time *For the Common Good* demonstrates how two hundred years of political economic and social change prompted transformation among colleges and universities including the establishment of entirely new kinds of institutions and refashioned higher education in the United States over time in essential and often vibrant ways

Left Margins Karen Fitts, Alan W. France, 1995-01-01 This book examines the cultural politics of knowledge in composition classrooms and presents classroom strategies that develop students awareness of their own ideological subjectivities
