The Splendour of Tiphareth Omraam Mikhaël Aïvanhov,2012-04-09 When we focus our attention on the sun the centre of our universe we draw closer to our own centre our higher self the sun within we melt into it and begin to resemble it more and more But to focus our attention on the sun also means to learn to mobilize all our thoughts desires and energies and put them to work in the service of the highest ideal He who works to unify the chaotic multitude of inner forces that constantly threaten to tear him apart and launch them in the pursuit of one luminous beneficial goal becomes a powerful focal point capable of radiating in every direction Believe me a human being who masters the tendencies of his lower nature can benefit the whole of mankind He becomes as radiant as the sun His freedom is such that his consciousness embraces the whole human race as he pours out the superabundance of light and love that dwell within him The world needs more and more human beings capable of dedicating themselves to this work with the sun for only love and light are capable of transforming humanity Omraam Mikhael Aïvanhov **Calmed Earth** Richard Shargel,2008-06 For millennia man's negative energies like anger have been absorbed by earth therein is the answer 100 s of millions of us beaming loving light to earth REDUCES firestorm earthquake hurricane tsunami And as you know loving world friendship brings peace Here are loving light's way and means for us **Being Your Symphony** Richard Shargel,2008-08 Beautiful blue angel Bethelda encourages us to beam our feelings above as Symphonies She sings a brilliant lovely poem inspiring poems from Richard A story Avian Verse then shows how angels of air eloquently speak and help us through the flights of birds

cycles are part of a planetary evolution design under guidance from time immemorial leading us to presently live one of these major cycles of our history Indeed we are initiating the evolution phase the one of rediscovering our essential divine nature In this work we invite you to discover your inner temple to consider alternative medicines to balance the two eternal principles within each of you to use the great four sciences of the Initiates to discover how women hold the keys for a new humanity and finally to live your own inner divinity on a daily basis Already we perceive the dawn of a new day whereby the sun is rising in the consciousness and the warmth of the heart is calling for a deeper connection *What the Future of Humanity Could Be!* The Aquarian Team,2012-11 Do you wonder where the world is going Do you feel like the only stability left is change Why are we here and where do we go from here In this book we explore key aspects such as politics economy education art nature the role of women motherhood etc and bring them under the light of the Initiatic understanding of renowned Initiates Sages and great Masters particularly Omraam Mikha l A vanhov Humanity is coming to the end of an era of materialization and is at the threshold of a new era one of spiritualization We are at a crossroads Our awakening and cooperation as a global family a universal family are the surest way to face the twenty first century This book is an opportunity to see with new eyes with a new consciousness The future can be harmonious and glorious May we open up go within and explore our inner riches the ones deposited by the Creator in the depth of our soul The exercises of visualization and affirmation at the end of each chapter are a way to uplift your consciousness to a new realm that of universal love and cosmic light Enjoy I am frequently asked in lectures and seminars Who today is a believable genuine spiritual teacher Now I can answer without hesitation Encounter Omraam Mikha l A vanhov and see what happens Dr Larry Dossey Recovering the Soul Beyond Illness Meaning and Medicine Addicted to the Sun Captain Leo Walton,2021-03-24 As a direct result of an accidental electrocution while working on the 220 AC shore power system aboard his boat Captain Leo Walton had an event which changed his life forever Not only did the powerful electricity catapult him physically threw the air twelve feet it entered his left hand using his own nerves as a conduit to enter his brain causing a severe traumatic brain injury In less than a second he fell into unconsciousness and began a journey that he did not choose or volunteer For a period of three weeks alone he cycled in and out of consciousness not realizing that the damage to his brain and the left side of his body would demand of him to relearn how to speak to walk to read to feel and literally to be lost struggling to find himself As he recovered having been a successful marine forensics investigator he became obsessed with his own recovery Learning quickly how fast it is today in the factory of medicine that exists in America he found himself on six prescription medications some psychotic in nature to replace the chemical compounds his crippled pineal and pituitary glands could no longer provide Suffering the losses of business marriage and the ability to care and provide for himself he fell into cycles of anger and despair to the point of a well planned and luckily uncompleted suicide Having developed significant physical emotional and psychological symptoms he learned of a renegade bio electric energy known by the ancients as a sudden Kundalini

awakening that he determined was the cause of his suffering Without any great success with modern western medicine he became an explorer of alternative methods and found himself investigating many ancient methods of healing such as yoga reiki qi gong and meditation which in time sungazing became his primary focus This volume details three experiments taken from Captain Leo s personal and detailed journals about his two sungazing experiments requiring nineteen months and three hundred forty four days totaling an incredible a hundred fifty three hours of staring naked eyed at the sun gaining the superhuman ability to stare at the sun for forty five minutes duration Now convinced his theories were correct as a result of his sungazing experiments and information he learned from a thorough investigation of Nikola Tesla s life and habits this led him to duplicate Tesla s habits and participate once more in an experiment to see how long he could go without eating food and remain alive and healthy This led to a tenacious ninety days living as a breatharian to prove his beliefs Learn why Captain Leo affectionately named this *The Book of Miracles* *The Body, Mind, Spirit Miscellany* Jane Alexander,2009 Spiritual adventurers will savor this book like a fine wine It features a vast assortment of collected wisdom and mystical miscellany from hundreds of varied sources all assembled here into a glorious anthology that will be dipped into and pored over again and again Topics include religion myth and symbolism alternative health the predictive arts the occult yoga and meditation and much more Readers will learn to understand the language of flowers how to live in tune with lunar cycles how to perform an Indian head massage and what the ancient Romans actually did at their Saturnalia You ll even see how to make your own crop circles **The Magical Tarot of the Golden Dawn** Chris Zalewski,Pat Zalewski,2019-01-22 The last word on the tarot of the Golden Dawn this veritable encyclopedia covers every aspect of the cards The authors stress experimentation with the tarot which is a mark of a vibrant magical system The descriptions of each tarot card are very reliable and very complete Of particular interest are the alchemical associations and the authors work on the gematria or numerology of each card For the first time a complete alchemical system is given for the whole deck There is also a good deal of added astrological information and divinatory meanings and interpretations Several excellent suggestions for studying and meditating on the cards are provided by the authors This book is a balanced combination of both historical and new material presented by the Zalewskis that stands firmly rooted in Golden Dawn teachings and ritual practice There are many interesting new innovations in this book Fully illustrated by Golden Dawn member and professional artist Skip Dudchous this new 2019 edition has been completely re edited and re formatted for ease of reading It will be an invaluable resource for those interested in the tarot of the Golden Dawn **The Fools Journey** Alan Jones,2016-11-12 Of all the oracle systems in use today Tarot is arguably one of the better known 78 Cards 22 images which could be said to describe a journey through life and a further 56 which add people and textures to the main chapters of that adventure As someone who has been exploring the Tarot for several decades I can honestly say that it one of the most visually poetic embodiments of esoteric teachings available to the student of the arcane It is frequently misrepresented as simply an oracle and given an esoteric
