Split Vision:

Double Vision Douglas Saylor, 2012-03-22 All is not well in Rico's world. Again he is troubled by terrifying nightmares. His psychic friend Sister Eveline warns Rico he is in danger about to discover the identity of his father's killer. Is this murderer from the past stalking him? Meanwhile Terry seems cold and distant and Rico cannot tell if Terry plans on leaving. **The Double Vision** Northrop Frye, 1991-01-01 The Double Vision originated in lectures delivered at Emmanuel College in the University of Toronto the texts of which were revised and augmented. **Parkinson's Disease** Roger C. Duvoisin, Jacob Sage, 2001 The most popular and widely acclaimed guide for parkinsonian patients and their families is now in its thoroughly updated Fifth Edition. In layperson's terms Drs Duvoisin and Sage explain the pathology, symptoms and course of Parkinson's Disease, discuss current drug therapies and surgical procedures and examine the latest research on the genetics of parkinsonism. This edition features completely rewritten chapters on genetics and on surgery for Parkinson's Disease. New drugs and improvements in levodopa therapy are described and a new chapter addresses the question of whether levodopa affects disease progression. An appendix lists the trade names, generic names and formulations of commonly prescribed drugs.

If you've ever wanted to experience more of the supernatural power of God here's your chance. This book is your guide to harnessing the momentum found in the spiritual discipline of fasting. Lori Greenwood looks at fasting three dimensionally: body, soul and spirit. Fast Forward covers keys to health and wellness, scriptural insight and personal testimonies designed to reveal the awesome power of fasting and prayer. Lori Greenwood is a dynamic bible teacher. Her passion for Christ and His Kingdom is contagious. Wherever she ministers, people are encouraged and inspired to seek after God wholeheartedly. Lori has a desire to train people to run with the God-inspired vision for their lives. Understanding that each life is a unique plan of God, Lori encourages people to celebrate and appreciate their differences. Lori has her BFA from the University of Illinois. She is a graduate of World Harvest Bible Training Center. She has her Master of Divinity (M.Div.) and her Doctorate in Philosophy/Theology (Ph.D.) from St. Thomas College. She has done the work of the ministry in over 20 nations. Lori is the author of five books and resides in the Seattle area with her husband Tom and their daughters Crista and Anna. Basketball Skills and Drills Jerry Krause, Don Meyer, Jerry Meyer, 2008 Great basketball players like Tim Duncan and Dwyane Wade draw oohs and aahs with their spectacular moves. But before those players developed their superstar flair, they built a solid base of fundamental skills in all phases of the game. Basketball Skills Drills provides a perfect blueprint for building the foundation that every well-rounded player needs. This special book and DVD

package demonstrates each key skill Player positioning Moving without the ball Shooting Passing catching and dribbling Perimeter moves Post moves Defense Rebounding The skills and 90 drills coaching tips and DVD reinforce the skill instruction emphasize key points and explain how to correct common errors And since individual skills are effective only when used within the team concept the book also covers key team principles for both ends of the court Tactics for offense including special situations such as out of bounds plays will improve spacing ball and player movement shot selection and scoring Defensive tactics emphasize positioning pressure and various systems to apply in each area or level of the court To be an all star you must be fundamentally sound Basketball Skills Drills is your guide to becoming a complete player one who can change the game with great moves and smart play

The Judoka W. D. Norwood Jr., 2015-01-16 The term judoka refers to one who does judo the modern martial art with origins in 19th century Japan a fighting art with a particular emphasis on the use of an opponent's own strengths to effect his defeat This book is an account of the adventures of such a man a judoka but it is not just about this man or the martial art he practices Rather it is about the way of judo as both a fighting art and an approach to living a way and what this way might be able to tell us about who we are and who we might choose to become The book does not prescribe a way for others to follow that is it does not simply offer advice about what to believe or how to behave or point out the faults in other ways of being It simply describes the way of one particular man with commentary explaining or rather reasoning through the choices he has made with the story presenting the consequences that these choices have for him Reviews for the 1st edition This extraordinary little novella is reminiscent of Castaneda but far more intelligible Alan Watts His direct writing about judo is clear and quietly restrained hard to match in the literature of the subject New York Times

State of New York Supreme Court , Skills, Drills & Strategies for Basketball Charlie Nix, 2017-06-30 This book is part of the Teach Coach Play series emphasizing a systematic learning approach to sports and activities Both visual and verbal information are presented so that readers can easily understand the material and improve performance Built in learning aids help readers master each skill in a step by step manner Using the cues summaries skills drills and illustrations will help build a solid foundation for safe and effective participation now and in the future The basic approach in all of the Teach Coach Play activity titles is to help readers improve their skills and performance by building mastery from simple to increasingly complex levels The books strive to illustrate correct techniques and demonstrate how to achieve optimal results The basic organization in each book is as follows Section 1 overviews history organizations and publications conditioning activities safety warm up suggestions and equipment Section 2 covers exercise or skills participants action involved rules facility or field scoring and etiquette Section 3 focuses on skills and drills or program design Section 4 addresses a broad range of strategies specifically designed to improve performance now and in the future Section 5 provides a convenient glossary of terms

Visual Spatial Enquiry Robyn Creagh, Sarah McGann, 2018-12-07 *Visual Spatial Enquiry* explores visual and textual ways of working within spatial research Architects and spatial thinkers from the arts social sciences and humanities present rich case studies from remote and regional settings in Australia to the suburbs of Los Angeles and from gallery and university settings to community collaborations in Mongolia Through these case studies the authors reappraise and reconsider research approaches methods and processes within and across their fields In spatial research diagramming can be used as a method to synthesise complex concepts into a succinct picture whereas metaphors can add the richness of lived experiences Drawing on the editors own architectural backgrounds this volume is organised into three key themes seeing doing and making space In seeing space chapters consider observational research enquiries where developing empathy for the context and topic is as important as gathering concrete data Doing space

explores generative opportunities that inform new and innovative propositions and making space looks at ways to rethink and reshape spatial and relational settings Through this volume Creagh and McGann invite readers to find their own understandings of the value and practices of neighbouring fields including planning geography ethnography architecture and art This exploration will be of value to researchers looking to develop their cross disciplinary literacy and to design practitioners looking to enhance and articulate their research skills

The Art of Dreams Barbara Hahn, Meike Werner, 2016-08-22 We all dream we all share these strange experiences that infuse our nights But we only know of those nightly adventures when we decide to represent them In the long history of coming to terms with dreams there seem to be two different ways of delineating our forays into the world of the unconscious One is the attempt of interpreting of unveiling the hidden meaning of dreams The other one is not so much concerned with the relation of dream and meaning of dream and reality it rather concentrates on trying to find means of representation for this extremely productive force that determines our sleep The essays collected in this book explore both attempts They follow debates in philosophy and psychoanalysis and they study literature theatre dance film and photography

Greening the Boardroom Grant Ledgerwood, 2017-09-20 On a world scale the implicit deal between corporation and community is undergoing a revolution in the period 1990 2000 For the first time corporate boardrooms are having to confront the environmental challenge not as a peripheral issue around public relations but as a core issue of credibility with its customers As trust in big business has declined consumer willingness to alter buying behaviour to register disapproval has accelerated As a result boardrooms in the largest companies are having to redraw their strategic procedures regarding the environment This book aims to advance the general understanding of corporate environmental governance as an issue capable of separate and detailed analysis It aims to provide not an overview but a series of test cores into the generally unexamined issues surrounding the changing ethos of corporate action and environmental investment To date the business and environment strategic conversation has reached only a minute proportion of a global audience Over the next twenty years this dialogue will transform business into the 21st century Moreover it will become internalised into a way of working within Corporate Culture Greening the Boardroom explores through case studies and surveys some of the changes in this process in Europe as well as in Asia and North America Suitable for readers in general management business

government and academia this book is an important contribution to the corporate environmental debate by the author of The Environmental Audit and Business Strategy A Total Quality Approach **Medical Insights** Morton Diamond,2010-10-22
