History of Santa Clara County Eugene T. Sawyer,2017 There is no county in California so rich in material romantic progressive and adventurous as the County of Santa Clara It absorbs about the whole of the Santa Clara Valley rightly proclaimed the richest valley in the state and in respect of size the richest in the world It is located at the southern end of San Francisco Bay and the county itself embraces 1304 square miles This book tells the story of this exceedingly beautiful piece of earth from the first settlements to the early 20th century      **Stockton's Path to Bankruptcy** Dennis

Cochran,2019-08-21 Stockton s Path to Bankruptcy How our city government grabbed and abused power and partnered with the newspaper to mislead the community By Dennis Cochran Stockton California grew out of the Gold Rush of 1849 It became a thriving city through agriculture and manufacturing It boasts excellent schools and colleges and has a world renowned symphony and art museum But in July 2012 it was the largest American city to file for bankruptcy and currently is 8 on Forbes Most Dangerous Cities in America Stockton s Path to Bankruptcy is an insider look at how the city fell apart In 1993 Stockton won enterprise zone designation from the state government to be used to revitalize the depressed city center Dennis Cochran was one of several locals invited to submit an incentive idea He proposed a volunteer staffed graffiti cleanup program Cleaning graffiti is an easy cost effective way to discourage crime and promote beautification Initially encouraged by the enterprise zone Cochran soon learned that it was corrupt and mismanaged with unclear policies skyrocketing permit fees and local businesses bullied until they abandoned the center entirely Like many citizens Cochran was on the outside of

the local government his offers of help ignored and his good advice rejected In just under twenty years Stockton's local government protected by a local newspaper destroyed the trust of its citizens Cochran chronicles every bureaucratic twist and depravity from the city losing 43 000 a day plundering public safety funds to finance a ballpark to stealing land from a local church Stockton didn't become bankrupt because of the financial bubble or housing crisis Stockton went bankrupt because of its public officials abuse of power and attitude of hostility towards the community Exposing mistakes acts as a disinfectant and Stockton's Path to Bankruptcy is a powerful aid to helping heal Stockton and serves as a warning to citizens of other cities
