The Hardest Lesson Personal Accounts Of A School Desegregation Crisis:

The Hardest Lesson Pamela Bullard, Judith Stoia, 1980-01-01 Describes how the desegregation of the Boston schools in the 1970 s affected the lives of selected individual students and several adults chosen to represent a cross section of the community

School Desegregation Research Jeffrey Prager, Douglas Longshore, Melvin Seeman, 2012-12-06 The desegregation situation is the keynote theme of the following chapters I Each of them touches on a different dimension of the situation the historical the temporal the spatial But the reader perusing the essays with the situation in mind should remember that the desegregation situation should not be interpreted literally Authorities and adults certainly school age children probably are influenced by their awareness of a sequence of past and future situations Some may even operate with William James s 1890 p 608 notion of the specious present that has melted in our grasp fled ere we could touch it gone in the instant of becoming thus reducing the potency of the present situation Others may be dancing to a slower tempo of change thus becoming more responsive to the present situation Whatever the perceived tempo many must share the view that the future may reverse the direction of the past Some may see that new future direction as unswerving unending or long lasting others may see it as short lived And it is through attention to the phenomenological description of desegregation that these issues can be explored a theme that is considered in several of the following chapters

Mad as Hell Dominic Sandbrook, 2012-02-14 I m mad as hell and I m not going to take it anymore The words of Howard Beale the fictional anchorman in 1976 s hit film *Network* struck a chord with a generation of Americans In this colourful new history Dominic Sandbrook ranges seamlessly over the political economic and cultural high and low points of American life in the 1970s exploring the roots of the fears resentments cravings and disappointments we know so well today From Richard Nixon and Ronald Reagan to Anita Bryant and Jerry Falwell he shows how the 1970s saw the emergence of a new right wing populism setting the stage for the bitter partisanship and near total cynicism of our modern political landscape

Boston Against Busing Ronald P. Formisano, 2012-01-01 Perhaps the most spectacular reaction to court ordered busing in the 1970s occurred in Boston where there was intense and protracted protest Ron Formisano explores the sources of white opposition to school desegregation Racism was a key factor Formisano argues but racial prejudice alone cannot explain the movement Class resentment ethnic rivalries and the defense of neighborhood turf all played powerful roles in the protest In a new epilogue Formisano brings the story up to the present day describing the end of desegregation orders in Boston and other cities He also examines the nationwide trend toward the resegregation of schools which he explains is the result of Supreme Court decisions attacks on affirmative action white flight and other factors He closes with a brief look at the few school districts that have attempted to base school assignment policies on class or economic status

The Elusive Ideal Adam R. Nelson, 2005-05-10 In recent years federal mandates in education have become the subject of increasing debate Adam R. Nelson s *The Elusive Ideal* a postwar history of federal involvement in the Boston public schools provides lessons from the

past that shed light on the continuing struggles of urban public schools today This far reaching analysis examines the persistent failure of educational policy at local state and federal levels to equalize educational opportunity for all Exploring deep seated tensions between the educational ideals of integration inclusion and academic achievement over time Nelson considers the development and implementation of policies targeted at diverse groups of urban students including policies related to racial desegregation bilingual education special education school funding and standardized testing An ambitious study that spans more than thirty years and covers all facets of educational policy from legal battles to tax strategies The Elusive Ideal provides a model from which future inquiries will proceed A probing and provocative work of urban history with deep relevance for urban public schools today Nelson s book reveals why equal educational opportunity remains such an elusive ideal

Deepening Literacy Learning Mary Ann Reilly, Jane M. Gangi, Rob Cohen, 2010-09-01

An African American Dilemma Zoë Burkholder, 2021-07-11 Presenting a revealing historical perspective on today s charged schooling choices An African American Dilemma illuminates the tensions between school integration and separation that have shaped the long history of black struggles for equal education and civil rights in the North

Acting White Stuart Buck, 2010-05-25 Commentators from Bill Cosby to Barack Obama have observed the phenomenon of black schoolchildren accusing studious classmates of acting white How did this contentious phrase with roots in Jim Crow era racial discord become a part of the schoolyard lexicon and what does it say about the state of racial identity in the American system of education The answer writes Stuart Buck in this frank and thoroughly researched book lies in the complex history of desegregation Although it arose from noble impulses and was to the overall benefit of the nation racial desegregation was often implemented in a way that was devastating to black communities It frequently destroyed black schools reduced the numbers of black principals who could serve as role models and made school a strange and uncomfortable environment for black children a place many viewed as quintessentially white Drawing on research in education history and sociology as well as articles interviews and personal testimony Buck reveals the unexpected result of desegregation and suggests practical solutions for making racial identification a positive force in the classroom

The Boston Irish Thomas H. O'Connor, 1995 The best recounting of the contemporary scene that I have seen New York Times Book Review

The Horn Book Magazine , 1981

The African American Years Gabriel Stepto, 2003 Focuses specifically on the history of African Americans from pre colonial times to the present This timeline is enriched by overview essays sidebars and primary sources poems memoirs legal documents and more than two hundred images that chronicle the story of African Americans

Black is ... , 1980

Teaching Strategies for Ethnic Studies James A. Banks, 1991 This revised and updated text reflects current theory research and scholarship in the fields of ethnic studies and multicultural education It embodies statistics and demographic data from the US Census Current Population Reports and Projects and includes data on Central and South Americans

Children's Literature Masha Kabakow Rudman, 1995

Children's Literature: An Issues Approach Third Edition is an invaluable text and resource guide to the critical study and selection of books for children from kindergarten through junior high school. Written for teachers, librarians, and anyone interested in introducing young people to the joy and benefits of reading, it examines children's literature and its treatment of important, sometimes controversial issues. Focusing on the personal and societal concerns of today's youth, including sexuality, divorce, heritage, abuse, and death, it offers practical suggestions for using books to help children successfully confront these matters. School Library Materials, 1980 *Children's Books* Children's Book Council (New York, N.Y.), 1986

Promoting World Understanding Through Literature, K-8 Mary C. Austin, Esther C. Jenkins, 1983 **Beyond Fact** Jo Carr, 1982 Bloemlezing van 24 artikelen over informatieve jeugdlektuur over onderwerpen als natuurwetenschappen, geschiedenis, levensbeschrijvingen en controversiële zaken
