George MacDonald's Spiritual Vision George MacDonald,2020-10-01 A leading George MacDonald scholar presents a fascinating introduction to the 19th century Scottish author s views on Christianity faith and God The Victorian author poet and theologian George MacDonald inspired some of the greatest writers of the early 20th century including C S Lewis who said MacDonald s books were pivotal in leading him toward Christianity While MacDonald s beloved fiction including classics like Robert Falconer and At the Back of the North Wind remain popular his sermons and nonfiction writings on faith are less well known Now MacDonald scholar and biographer Michael Phillips presents a comprehensive introduction to George MacDonald s theological ideas In George MacDonald s Spiritual Vision Phillips provides extensive thematically arranged quotes from the author s writings This brief volume covers topics from the nature and character of God to salvation justice and atonement *Theology of George MacDonald* John R. de Jong,2021-01-01 George MacDonald 1824 1905 was writing at a time of Evangelical unease In a society ravaged by Asiatic cholera numbed by levels of infant mortality and fearful of revolution and the toxicity of industry to name but a few of the many challenges the gospel proclaiming eternal damnation for unbelievers was hardly good news rather Christianity was increasingly viewed as the source of bad news and a tool of state oppression MacDonald agreed in his view the church had become a vampire sucking the blood of her children instead of offering them Eucharistic life In contrast like Christ MacDonald offers us a child Although at first sight a familiar Romantic incarnation in MacDonald s theology the child becomes an unlikely icon challenging the vampire s kingdom and confronting

the foundations of much of Western theology John R de Jong's meticulously researched study of MacDonald's work especially his realist and fantasy novels in its Victorian context is of more than historical interest In light of the growth of fundamentalist expressions of Christianity we are encouraged to consider embracing MacDonald's radical solution to religious vampirism becoming children

**Baptized Imagination** Kerry Dearborn, 2016-04-15 The imagination has been called the principal organ for knowing and responding to disclosures of transcendent truth This book

probes the theological sources of the imagination which make it a vital tool for knowing and responding to such disclosures Kerry Dearborn approaches areas of theology and imagination through a focus on the nineteenth century theologian and writer George MacDonald MacDonald can be seen as an icon whose life and work open a window to the intersection of word flesh and image He communicated the gospel through narrative and image rich forms which honour truth and address the intellectual imaginative spiritual and emotional needs of his readers MacDonald was also able to speak prophetically in a number of areas of contemporary concern such as the nature of suffering aging and death environmental degradation moral imagination and gender issues Dearborn explores influences which shaped him along with the wisdom he has offered in the formation of significant Christian writers in both the nineteenth and twentieth centuries Authors such as C S Lewis G K Chesterton Dorothy Sayers J R R Tolkien W H Auden Frederick Buechner and others attribute to MacDonald key paradigm shifts and insights in their own lives A study of MacDonald does not offer a formulaic approach to theology and the imagination but the possibility of gleaning from his rich harvest relevant nourishment for our own day It also provides a context in which to assess potential weaknesses in imaginative approaches to theology

### **The Doctor in the Victorian Novel**

Tabitha Sparks, 2016-03-23 With the

character of the doctor as her subject Tabitha Sparks follows the decline of the marriage plot in the Victorian novel As Victorians came to terms with the scientific revolution in medicine of the mid to late nineteenth century the novel's progressive distance from the conventions of the marriage plot can be indexed through a rising identification of the doctor with scientific empiricism A narrative's stance towards scientific reason Sparks argues is revealed by the fictional doctor's relationship to the marriage plot Thus novels that feature romantic doctors almost invariably deny the authority of empiricism as is the case in George MacDonald's *Adela Cathcart* In contrast works such as Wilkie Collins's *Heart and Science* which highlight clinically minded or even sinister doctors uphold the determining logic of science and in turn threaten the novel's romantic plot By focusing on the figure of the doctor rather than on a scientific theme or medical field Sparks emulates the Victorian novel's personalization of tropes and belief systems using the realism associated with the doctor to chart the sustainability of the Victorian novel's central imaginative structure the marriage plot As the doctors Sparks examines increasingly stand in for the encroachment of empirical knowledge on a morally formulated artistic genre their alienation from the marriage plot and its interrelated decline succinctly herald the end of the Victorian era and the beginning of Modernism

*Freedom for Obedience* Donald G. Bloesch, 2002-04-15

The Christian ethic is an ethic that cannot be assimilated into the moral consensus of the wider community The way of the cross cannot be reconciled with the way of the world just as the gospel cannot be conjoined with the laws that gave stability to social order The thesis of this book is that human justice can never be a substitute for divine justification but it can be a sign and witness to the justifying grace of God in Jesus Christ Humanitarian works can never reach the heights of deeds of sacrificial love and mercy but they can point to this higher righteousness and awaken a thirst for it We must always be on guard against two perils the Scylla of legalism and rigorism and Charybdis of antinomianism An ethics of the divine commandment by uniting law and grace the imperative and the indicative shows how we can live the authentic Christian life in obedience to the highest which is not a law but a person not an ideal but the reality of the New Being the power of crucified love as we see this in Jesus Christ from Freedom for Obedience      *Reading St. Luke's Text and Theology: Pentecostal Voices* Riku P. Tuppurainen, 2019-10-16 Lukan narrative takes its readers into God's story how his salvation plan in Jesus began on the slopes of Judea and at the Sea of Galilee ending on the hill of Calvary and the Mount of Olives yet moving on and telling how the Spirit descended onto the Temple Mount empowering God's people who then began to fulfill the given mandate in the presence of the Spirit Yet readers of Luke Acts throughout the centuries have had a meandering journey as they have tried to understand the narrative's persuasion and Spirit references This book seeks to bring awareness to these challenges by some of the most respected Pentecostal biblical scholars and systematicians Here their vigorous labor with the questions of hermeneutics and theology in relation to Lukan writings have come to fruition These contributions have been collected as a Festschrift in honor and celebration of the career of Roger Stronstad a Pentecostal biblical scholar whose contribution to Lukan studies have moved Pentecostal scholarship from shadows into daylight The editor of this volume invites the readers of Lukan narrative to journey together on the road to Emmaus as we continue to ponder the events in the past the present and the future      Sehnsucht: The C.
