things get confusing we tend to look to the world for answers when we need to look to God for His direction This book offers my testimony and experience of what I have seen the church accomplish in hard times and yet urge the church with a wake up call to heed the heart of God We need God s power back in our churches and with all of my heart God longs to once again manifest his presence **Touch the Sky - the Heart's Safe Haven** E. A. Vinson,2010 Touch The Sky is about love It is a series of love songs or poems The wondrous love between a man and a woman The mystery of God s love for a man and a man s love for God in communion in the big things and in the little things of life The mystery of being sent as a living sign and ambassador of unbound love and of joy unspeakable knowing the weight of the Presence of the Divine with us through the thick and thin of life its ups and downs its great griefs and great joys to this one End that Love conquer all to make all things as new again Without love there is no hope With love our hope is like a great diamond with many faces which shine on us with the many facets of God s face reflected here in so many aspects of life The facets of His Love are like a rock not hewn by human hands with which He draws and makes us His Touch The Sky contains treasure that the author has brought back from diving trips beneath the surface of the seen where the net of thought drips words back into the the ungraspable whole of it
