The Journal of Sir Walter Scott Sir Walter Scott,2015-12-16 The Journal of Sir Walter Scott is a diary which the novelist and poet Walter Scott kept between 1825 and 1832 It records the financial disaster which overtook him at the beginning of 1826 and the efforts he made over the next seven years to pay off his debts by writing bestselling books Since its first complete publication in 1890 it has attracted high praise being considered by many critics one of the finest diaries in the language From the time of the Journal s first publication extraordinary claims have been made for it In 1891 Algernon Swinburne wrote that The too long delayed publication of his Journal is in every way an almost priceless benefit but as a final illustration and attestation of a character almost incomparably lovable admirable and noble it is a gift altogether beyond price The biographer Hesketh Pearson called it Perhaps the most valuable certainly the most moving of all his productions and since it displays a man whose goodness of heart balanced his greatness of mind incomparably the most interesting work of its kind ever written The Scott scholar David Hewitt agreed writing that There is no greater or more moving diary in English however he also made the point that its fine artistic shape cannot be credited to Scott since he quite fortuitously took up the Journal as the tragedy of his last years was about to begin The literary historian Oliver Elton believed that the Journal s high place in English literature was secure Whatever else of Scott s may lose its colour with time the Journal cannot do so with its accurate unexaggerated language of pain

DICTIONARY OF NATIONAL BIOGRAPHY **The Life of Walter Scott** John Sutherland, 1995-01-01 Modern biography can be said to have begun with John Gibson Lockhart's *Memoirs of the Life of Sir Walter Scott* Bart in 1838 But Scott the Great Unknown has always presented challenges to the biographer Layers of myth much of it manufactured by the faithful son in law Lockhart continues to protect him from posterity There is also the sheer size of Scott's achievements as poet novelist man of letters and self made Laird of Abbotsford The two standard lives Lockhart's and Edgar Johnson's published in 1970 run to some three quarters of a million words apiece Finally there has been the precipitate slump in Scott's general popularity he is now the great unread John Sutherland's critical biography attempts to penetrate into the darker areas of Scott's life in a sceptical spirit bringing the massive oeuvre and the chronicle of the life into manageable and readable proportions Sutherland justifies Scott as a writer to be read and known today as much as in his heyday in the 19th century
