The Family Album Arthur Baer, 1925 **Sis and Pa Kappy Flanders**, Andy Bronfman, 2003 **Brotherhood of Locomotive Engineers' Monthly Journal**, 1923 **Unnatural Selections** Daylanne K. English, 2005-12-15 Challenging conventional constructions of the Harlem Renaissance and American modernism Daylanne English links writers from both movements to debates about eugenics in the Progressive Era She argues that in the 1920s the form and content of writings by figures as disparate as W E B Du Bois T S Eliot Gertrude Stein and Nella Larsen were shaped by anxieties regarding immigration migration and intraracial breeding English's interdisciplinary approach brings together the work of those canonical writers with relatively neglected literary social scientific and visual texts She examines antilynching plays by Angelina Weld Grimké as well as the provocative writings of white female eugenics field workers English also analyzes the *Crisis* magazine as a family album filtering uplift through eugenics by means of photographic documentation of an ever improving black race English suggests that current scholarship often misreads early twentieth century visual literary and political culture by applying contemporary social and moral standards to the past Du Bois she argues was actually more of a eugenicist than Eliot Through such reconfiguration of the modern period English creates an allegory for the American present because eugenics was in its time widely accepted as a reasonable progressive ideology we need to consider the long term implications of contemporary genetic engineering fertility enhancement and control and legislation promoting or discouraging family growth *National Genealogical Society Quarterly* National Genealogical Society, 1939 *The Lucas Family* Tony Lucas, *Collier's* Hansi, 1909 **Collier's**, 1926 *Woman's Home Companion*, 1919 *The Billboard*, 1926 **Rabbit Warrior: A Cape Cod Pilgrimage of Healing and Self-Discovery** Janet Brady Calhoun, 2016-12-01 Rabbit Warrior is a captivating memoir of a transformative journey of renewal and discovery Disoriented by intense mourning over the loss of both her mother and sister within a short time span the author found consolation and reconciliation on a pilgrimage of solace to her beloved Cape Cod home Emotionally overwhelmed Janet turned inward for personal healing and wholeness As she quietly contemplated the meaning of life and death the Cape's wildlife became a voice for inspiration and revelation Horseshoe crabs lobsters a great blue heron and rabbits spoke to her of life change and evolution pain and suffering death and dying Supported on her journey by daily journal writing that exposed persons places and memories stored deep within she unmasked falsehoods gave up protective magical thinking and examined relationships in an effort to live a more authentic life Writers and fellow soul searching travelers helped Janet dispel guilt expunge destructive messages and peel away emotional layers accumulated over decades As she traversed her soul Janet resolved to move ever deeper towards her core her spiritual center A summer that began with overwhelming sorrow mixed with angry confusion ended with transformative feelings of enlightenment forgiveness love and rebirth Janet hopes that both her memoir as well as her summer reading list will provide a template for other Rabbit Warriors who might wish to undertake their own liberating

Years of Eastern Oregon History Joseph H. Labadie,2017-01-25 This book is a real story about an ordinary family from Albia Iowa who in 1862 crossed the Oregon Trail and settled in the lower Powder River Valley in what today is Baker City Oregon Within two years family members were part of a thriving dry goods and mercantile business in the gold mining town of Mormon Basin selling rubber boots shovels and liquor to both American and Chinese miners By the late 1860s the easy gold had been panned and sluiced out so the miners moved on to chase bigger dreams in newer places So too did some of the family members they sold their business interests and with a saddlebag full of gold rode north to Umatilla County Oregon where in 1871 they started a ranch and cattle business Portions of James Shumway s Couse Creek Ranch near Milton Freewater are still owned by descendants it is an Oregon State Centennial Ranch This book uses old photographs letters

documents business journals personal diaries and contemporary research to recount 150 years of Barton Shumway family history in eastern Oregon It is a story told through the lives of some of the real people who survived it **A Flood of Pictures** Michael Leja, 2025-07-22 Explores how the widespread circulation of pictures reshaped a nineteenth century US culture that was accustomed to printed and spoken words When and how did pictures start to permeate everyday lives in the United States What happened to those daily lives when they did And what happened to pictures in the process In this full color heavily illustrated book Michael Leja traces the beginnings of a transformation in cultural life in the United States when the widespread circulation of pictures reshaped a culture accustomed to printed and spoken words In the three decades before the Civil War the ordinary experiences of a large segment of the population came to include pictures of many kinds including illustrations in books pamphlets and newspapers photographs on cards full sheet printed pictures collected in scrapbooks or albums or hung on walls posters and broadsheets spectacular paintings displayed in theatrical venues and more Pictures supplemented verbal texts and in some cases overshadowed them for conveying news and information portraying people places and events focusing public discourse selling things educating and instructing generating excitement and aesthetic gratification promoting and disguising political agendas shaping social identities and building and undermining social bonds A Flood of Pictures recovers a time before successful pictorial formulas for mass appeal were established before an audience habituated to consumption of pictures existed and before pictures had become thoroughly commodified Through its exploration of these nineteenth century developments the book reveals the foundations of our picture saturated twenty first century **Magician of the Modern** Eugene R. Gaddis, 2011-11-09 The story of Chick Austin is the story in Virgil Thomson's words of a whole cultural movement in one man Becoming director of Hartford's Wadsworth Atheneum at the age of twenty six Austin immediately set about to introduce modern art to America and to transform this conservative insurance capital into a cultural mecca that would become the talk of the art world during the yeasty years between the two world wars The first in the United States to mount a major Picasso retrospective Austin was soon acquiring works by Dal Mondrian Mir Balthus Max Ernst and Alexander Calder In the museum's new theater which he designed he staged the premiere of the revolutionary Gertrude Stein and Virgil Thomson opera Four Saints in Three Acts with an all black cast At Lincoln Kirstein's instigation he brought Balanchine to America And he embraced all the new art forms making film photography architecture and contemporary music part of the life of his museum For his own family he built a Palladian villa now a recently restored national historic landmark filling it with the baroque and the Bauhaus and inviting all the locals in to see how it felt to be modern Austin's instinct for quality proved infallible Whether acquiring a matchless Caravaggio or a startling Dal he balanced the old masters with the modern Mounting provocative shows that linked the past to the present he created dramatic installations and he threw himself into everything hanging fabrics creating backdrops stitching up costumes He loved to teach to paint to act to give lavish costume balls and to dazzle audiences of all ages with his performances as a

magician the Great Osram Brilliant at using his magician s sleight of hand he could manipulate his conservative trustees to get what he wanted but only up to a point One more purchase of an incomprehensible abstract canvas one outrageous party too many one more shocking theatrical role eventually led to a crisis Never one to be idle for long Austin left Hartford and took on a new challenge to make an artistic triumph of the pink and white palace in Sarasota Florida known as the John and Mable Ringling Museum of Art which housed the circus king s moldering but magnificent collection Here is the colorful life of Chick Austin and as we relish his audacious career the risks he took the successes he enjoyed along with the inevitable setbacks we understand what a far reaching influence he had on the way Americans look at and think about art Not only a brilliant portrait of an extraordinary man this wonderfully American story gives us a fascinating behind the scenes glimpse into the art world as it was then and in many ways still is today The Wisconsin Catholic Club Woman ,1927
