It's about reclaiming the right to tell the story of her own family stripped bare of the many tabloid myths that have accrued over the decades. woman who'd left him without a backward glance was painful enough for Steve Lindstrom but Lily Mayfield hadn't returned to their hometown alone. Just the sight of the heartbreakingly lovely single mother and her son awoke bittersweet yearning for what might have been. Walking away from the only man she'd ever loved had left Lily with enough regrets for two lifetimes. Now, after years of harboring her unhappy secret, the time had come to tell the truth. If Steve could give her a second chance, she'd have every intention of showing him where her heart had always been with him. *Her Sister's Secret* S.E. Lynes, 2021-07-13

WOW Will keep you on the edge of your seat to the final stunning ending. To say I loved this book is an understatement. This book is why I read thrillers. Kept me so captivated. A stunner. NetGalley reviewer: Why would you pretend your life is a dream when you're living a nightmare? I thought my sister was happy. I thought what we all thought that Annie and Dom led perfect lives in a lovely cottage in a quiet village by the sea with flowers at the front gate and an apple tree in the garden. Everyone knew them generous loving Dom creative joyful Annie. But I never saw Annie as she sat waiting for Dom well into the night. I didn't see her smiling through her tears. I didn't know what the perfect couple were hiding. So when sirens break the silence of the night and flames rise against the dark sky and I get the call I never expected, I'm left with a simple burning question: who was to blame? A brilliantly twisty tale of family secrets and the darkness that can lie behind closed doors. *Her Sister's Secret* will keep you turning the pages till the final devastating revelation.
