Bombay Anthropological Society of Bombay, 1909 Foster's Complete Hoyle Robert Frederick Foster, 1909 **Foster's Encyclopedia of Games** Robert Frederick Foster, 1897 Group Therapy for High-Conflict Divorce Margreet Visser, Justine van Lawick, 2021-03-30

The No Kids in the Middle Kinderen uit de Knel intervention programme addresses high conflict divorce through a multi family approach This first English language edition contains descriptions of the therapeutic sessions references to a homework book van der Est et al for parents and their network along with extra information about the theoretical foundations of the programme The book starts with theoretical foundations and a summary of the scientific research behind the methodology before moving on to focus on the methodology of the intervention programme per session with detailed descriptions of each therapeutic session Through these session descriptions the authors demonstrate how the theory of the methodology can be put into practice within a group setting The methodology is also conveyed in such a way that the key pillars and themes are clear with a best practice framework clearly demonstrated Yet at the same time the authors leave room for customization depending on the actual clients and therapists and for this framework to be built upon further With this programme now practiced and studied throughout Europe Group Therapy for High Conflict Divorce and its methodology will act as a living framework to help continuously improve practice and research among professional therapists while also appealing to social workers and legal professionals

Sexual Medicine in Clinical Practice Klaus M. Beier, Kurt K. Loewit, 2012-11-05 Call it a remnant of our Victorian past but sexual concerns lag behind other aspects of health both in the training of physicians and therapists and in the way they impart this knowledge to clients But as sexuality gains recognition as crucial to one's quality of life evidence based methods of understanding and discussing sex are imperative and not only in treating pathology Sexual Medicine in Clinical Practice provides framework rationale and strategies for both approaching sexual problems and addressing patients questions about sexual health behavior and relationships Analyzing sexuality along three dimensions attachment reproduction and desire this concise manual offers a biopsychosocial lifespan model readily translatable into clinical work This syndyastic framework integrates attachment and relational theory to reinforce the bond between intimacy and connectedness and models nonjudgmental approaches to disorders of sexual function maturity preference and behavior The authors salutogenic rather than pathogenic focus lets clients become major players in their own healing and the therapist or doctor serve as expert and guide Among the topics covered The communicative function of sexuality The spectrum of sexual disorders Principles of diagnostics in sexual medicine Disease centered versus client centered aspects of sexual therapy Therapeutic approaches for sexual traumatization New challenges including preventing child sexual abuse and online sex crime Plus case studies interdisciplinary references and ethical issues A timely perspective and practice altering volume Sexual Medicine in Clinical Practice is essential reading for family and primary care physicians family and sex therapists health psychologists and psychiatrists

The Watercolor Artist's Guide to Color Richard Taylor, 2024-08-20 Embark on a voyage of discovery into

the world of color with this comprehensive visual reference guide from renowned watercolor artist and art teacher Richard Taylor. Open the door to the world of watercolor paints exploring their properties, color combinations and transformative potential, injecting vibrancy and life into your paintings. For those with some watercolor experience, the struggle to prevent your paintings becoming dull, flat and lifeless is all too familiar. The purpose of this book is to help you move on from this frequent impasse, inspiring you to explore color for yourself using the vibrant, vivid and inspirational paintings, illustrations and diagrams as your constant guide. Designed for effortless learning by a highly experienced artist and art teacher, this resourceful guide presents theory and techniques at a glance. Every page bursts with inspirational images and enthusiastic encouragement for the reader to take on the mantle of creator of their own color mixes. Inspiration, clarity and simplicity are the key components of this guide to artistic autonomy in the realm of choosing and using color. The recurring theme throughout this book is learning exactly how different paints and colors work together and how this knowledge can be used to transform your own paintings. Immerse yourself in the world of complementary colors, shadows and analogous mixes, taking your personal palette to new horizons. Learn about the delicate balance between warm and cool colors while harnessing the dynamics of yellows and purples side by side in your own paintings. With Richard Taylor as your guide, venture into schemes for color mixing, grasping exactly how touches of light and shadow can play upon your paper. Unleash the power of contrasts, breathing life into your subjects while embracing a simplicity of approach and the courage of taking a few chances. This invaluable resource equips you to grasp color theory and effortless application. It contains no secrets but has harnessed a wealth of teaching experience and painterly knowledge to create this comprehensive guide to color for the watercolor artist. Whether you are an aspiring artist or seasoned watercolor painter, this guide ensures that you will unlock the full potential through the most exciting medium of color. PLEASE NOTE: The paints used in this book are Winsor Newton Professional Watercolor paints. Other brands can be used but the exact pigments and therefore the results of mixes may not be the same.
