## **Sitting Shiva:**

**Sitting Shiva** Erin Silver, 2022-05-17 A little girl grieves the loss of her mother but she can't grieve alone. When her friends and family arrive at her house to sit shiva laden with cakes and stories she refuses to come downstairs. But the laughter and memories gradually bring her into the fold where she is comforted by her community. By the end of the book she feels stronger and more nourished and she understands the beautiful tradition. Then when she sees her father sitting alone she is able to comfort him in his time of need. *Sitting Shiva* is a beautiful heartfelt story about grief and loss but also about comfort and community. It shows that no matter what religion you practice we are all more similar than we are different. A note from the author explains the ritual of sitting shiva a seven day period of mourning for the death of a family member observed in Jewish homes.

**The Mourner's Dance** Katherine Ashenburg, 2004-09-01 When her daughter's fiancé died suddenly Katherine Ashenburg was surprised to see how her daughter intuitively re-created the traditional rituals of mourning even those of which she was ignorant. Intrigued Ashenburg began to explore the rich and endlessly inventive choreographies different cultures and times have devised to mark a universal and deeply felt plight. Contemporary North American culture favors a mourning that is private and virtually invisible. But as Ashenburg reveals the grieving customs of the past were so integrated into daily life that ultimately they gave rise to public parks and ready to wear clothing. Our keepsakes prescribed bereavement garb resting places mourning etiquette and ways of commiserating from wakes to Internet support groups remain clues to our most elemental beliefs and our most effective means of restoring selves and communities unraveled by loss.

**A Good Friend for Bad Times** Deborah E. Bowen, Susan L. Strickler, When watching a friend or loved one grieve a loss you certainly want to help. But how exactly can you help? In what manner? With which tasks? In *A Good Friend for Bad Times* grief counselors Deborah Bowen and Susan Strickler offer advice and concrete suggestions for helping a friend throughout the grief experience. A remarkably practical resource this book first grounds you with an understanding of normal responses to grief then offers insight for expressing sympathy and emotional support. In subsequent chapters the authors give specific suggestions for both what to do and what not to do when providing assistance all through your friend's grief journey when anticipating a loved one's death immediately after that death and in the months and years beyond. In addition this book relates how you can be supportive when the death involved particular circumstances such as Alzheimer's disease cancer AIDS suicide or the death of a child. Special chapters advise how to comfort a friend whose loved one died in a catastrophic event how to acknowledge your friend's grief on holidays birthdays and anniversaries and how to reassure and console young children. In short this hands-on guidebook will help you act on your impulse to be a good friend in bad times. Book jacket
