Six Day War:

The Sandstorm David Kimche, Dan Bawley, 1968 A summary of the Six Days War and of events leading up to it and immediately following it Emphasis is on the politics and negotiations behind the war not on battle tactics **The Six-day War** Richard Bordeaux Parker, 1996 Former Ambassador Richard B Parker gathered representatives from the Israeli Arab Russian and U S military government and academe many of whom were participants in the 1967 crisis to reexamine the steps and missteps that led to the conflict Developed from a State Department conference marking the 25th anniversary of the war this analysis and discussion provide the most authoritative account we have of the genesis of the Arab Israeli war Contents Origins of the Crisis L Carl Brown The United Nations Response I William Zartman The Israeli Response Bernard Reich The Other Arab Responses E Ernest Dawn The View from Washington Donald C Bergus Conspiracy Theories Richard B Parker Conclusions Richard B Parker Background of the Six-day War Jan Dziedzic, Tadeusz Walichnowski, 1969 **Six Days of War** Michael B. Oren, 2003-06-03 NEW YORK TIMES BESTSELLER The first comprehensive account of the epoch making Six Day War from the author of *Ally now* featuring a fiftieth anniversary retrospective Though it lasted for only six tense days in June the 1967 Arab Israeli war never really ended Every crisis that has ripped through this region in the ensuing decades from the Yom Kippur War of 1973 to the ongoing intifada is a direct consequence of those six days of fighting Writing with a novelist's command of narrative and a historian's grasp of fact and motive Michael B Oren reconstructs both the lightning fast action on the battlefields and the political shocks that electrified the world Extraordinary personalities Moshe Dayan and Gamal Abdul Nasser Lyndon Johnson and Alexei Kosygin rose and toppled from power as a result of this war borders were redrawn daring strategies brilliantly succeeded or disastrously failed in a matter of hours And the balance of power changed in the Middle East and in the world A towering work of history and an enthralling human narrative *Six Days of War* is the most important book on the Middle East conflict to appear in a generation Praise for *Six Days of War* Powerful A highly readable even gripping account of the 1967 conflict Oren has woven a seamless narrative out of a staggering variety of diplomatic and military strands The New York Times With a remarkably assured style Oren elucidates nearly every aspect of the conflict Oren's book will remain the authoritative chronicle of the war His achievement as a writer and a historian is awesome The Atlantic Monthly This is not only the best book so far written on the six day war it is likely to remain the best The Washington Post Book World Phenomenal breathtaking history a profoundly talented writer This book is not only one of the best books on this critical episode in Middle East history it's one of the best written books I've read this year in any genre The Jerusalem Post In Michael Oren's richly detailed and lucid account the familiar story is thrilling once again What makes this book important is the breadth and depth of the research The New York Times Book Review A first rate new account of the conflict The Washington Post The definitive history of the Six Day War Oren's narrative is precise but written with great literary flair In no one else's study is there more understanding or more surprise Martin Peretz Publisher The New Republic

Compelling perhaps even vital reading San Jose Mercury News **The Six Day War** Randolph Spencer Churchill, Winston Spencer Churchill, 1967 *Six-Day War 1967* Shlomo Aloni, 2019-06-27 On one day in June the balance of air power in the Middle East was turned upside down by perhaps the most ruthlessly effective air superiority campaign in history Operation Moked or Focus In 1967 the Israeli Air Force was outnumbered more than two to one by the jets of hostile Egypt Syria Jordan and Iraq Operation Focus was Israel s ingenious strike plan to overturn the balance At 0745hrs on June 6 Israeli jets hit Egypt s airfields simultaneously first bombing runways and then strafing aircraft Another 20 follow up missions were already in the air initially scheduled to hit every five minutes This new history of Operation Focus explains how the concept for Focus was devised and meticulously planned the astonishing rate of serviceability and turnaround speed it required from ground crews and how the relentless tempo of strikes shattered one air force after another It is the story of how Israel s victory in the Six Day War began with a single shocking day **The Six Day War** Guy Laron, 2017-02-21 The author of *Origins of the Suez Crisis* makes us look afresh at the events that led to conflict between Israel and its neighbors Financial Times One fateful week in June 1967 redrew the map of the Middle East Many scholars have documented how the Six Day War unfolded but little has been done to explain why the conflict happened at all Now historian Guy Laron refutes the widely accepted belief that the war was merely the result of regional friction revealing the crucial roles played by American and Soviet policies in the face of an encroaching global economic crisis and restoring Syria s often overlooked centrality to events leading up to the hostilities The Six Day War effectively sowed the seeds for the downfall of Arab nationalism the growth of Islamic extremism and the animosity between Jews and Palestinians In this important new work Laron s fresh interdisciplinary perspective and extensive archival research offer a significant reassessment of a conflict and the trigger happy generals behind it that continues to shape the modern world Challenging well worth reading Moment A penetrating study of a conflict that although brief helped establish a Middle Eastern template that is operational today The author looks beyond Cold War maneuvering to examine the conflict in other lights Readers with an interest in Middle Eastern geopolitics will find much of value Kirkus Reviews [Six Days](#) Jeremy Bowen, 2013-12-03 A fast paced hour by hour narrative of the 1967 war the most gripping military tale since the fall of France in the Second World War Daily Telegraph The ongoing tensions between Israel and Palestine are a complex and bloody legacy all stemming from six days of war in 1967 In this rigorous and original piece of modern history Jeremy Bowen not only sheds new light on one of the key conflicts of the twentieth century but also explains much about the Middle East and the problems it faces today After the state of Israel emerged from war in 1948 both sides knew more battles were coming In June of 1967 years of slow burning tension exploded In six extraordinary days Israel destroyed the armed forces of Egypt Jordan and Syria But far from bringing peace their stunning victory turned into a curse From the initial battle order issued to the Israeli air force on June 5 1967 to the final ceasefire on the evening of Saturday the 10th the Six Day War was a riveting human drama Building on original research and

his own experience as a Middle East Correspondent Bowen presents a compelling new history of the conflict Interweaving testimonies of combatants from all sides Six Days vividly recreates the bullying and brinksmanship that led four nations to war

The Six-Day War Nova Ashford, In the years leading up to the Six Day War of 1967 the Middle East simmered with tension and unresolved hostility The roots of the conflict were planted in the aftermath of the 1948 Arab Israeli War and deepened following the 1956 Suez Crisis Despite ceasefires and temporary peace agreements there was no formal resolution to the broader Arab Israeli conflict The armistice lines drawn in 1949 remained points of friction and Israel's neighbors particularly Egypt Syria and Jordan maintained a posture of open hostility refusing to recognize Israel's right to exist This created an environment in which any incident had the potential to ignite full scale war Egypt under the leadership of President Gamal Abdel Nasser emerged as a central figure in Arab nationalism and anti Israel sentiment Nasser's calls for Arab unity and the destruction of Israel were backed by increasing military cooperation with other Arab states and by Soviet support as part of the broader Cold War dynamic The Soviet Union keen on expanding its influence in the Middle East supplied arms and military training to Egypt and Syria while the United States became a key supporter of Israel The region thus became another theater for the Cold War rivalry between the superpowers further escalating tensions The demilitarized zones between Israel and Syria particularly along the Golan Heights were frequently the scene of armed skirmishes and artillery exchanges Syria also supported Palestinian guerrilla attacks into Israeli territory further stoking unrest Meanwhile in the south Egypt's actions in the Sinai Peninsula including the remilitarization of the area and the expulsion of the United Nations Emergency Force UNEF in May 1967 signaled a major escalation The final provocation came with Egypt's closure of the Straits of Tiran to Israeli shipping an act Israel considered a casus belli or justification for war

The Six Day War 1967 Simon Dunstan,2013-02-20 A concise explanation of the campaigns in which Israel took over the West Bank and the Golan Heights Following the lightening destruction of the Egyptian forces at the outbreak of the Six Day War Israel turned to the forces of Jordan and Syria with whom Egypt had signed a mutual defence pact and which had now entered the war Jordan s army moved against West Jerusalem and central Israel while Syria began shelling Israeli towns from the seemingly impregnable Golan Heights The IDF s invasion of the Golan was as risky and successful as its more famous Egyptian victory but its success in Jordan taking the West Bank sowed the seeds of its future troubles

Comprehensively illustrated with artwork maps and battlefield views this new history brings one of the most important of 20th century campaigns to life 1967 Tom Segev,2007-05-29 An Israeli historian examines a watershed year in the history of the Middle East detailing the apocalyptic atmosphere in which Israel existed the six day 1967 war and the implications of the war in terms of reshaping the the Middle East

Israel Since the Six-Day War Leslie Stein,2014-08-13 Completing his acclaimed trilogy on the history of Israel Leslie Stein brings readers right up to contemporary events in Israel Since the Six Day War Stein vividly chronicles Israel s wars and military engagements but he also incorporates fascinating assessments of many other issues including Israel s economic development the nature of the PLO and Palestinian Authority and Israeli settlements in the West Bank and Gaza Furthermore Stein explores broader social issues such as extremist Jewish movements and the varying fortunes of migrants from Russia and Ethiopia to convey clearly a sense of the diversity and complexity of modern Israel Wide ranging and judicious Stein s cogent and compellingly readable account of Israel s recent past will engage students and general readers alike

The Six-Day War and Israeli Self-Defense John Quigley,2013 The war of June 1967 between Israel and Arab states was widely perceived as being forced on Israel to prevent the annihilation of its people by Arab armies hovering on its borders Documents now declassified by key governments question this view The UK USSR France and the USA all knew that the Arab states were not in attack mode and tried to dissuade Israel from attacking In later years this war was held up as a precedent allowing an attack on a state that is expected to attack It has even been used to justify a pre emptive assault on a state expected to attack well in the future Given the lack of evidence that it was waged by Israel in anticipation of an attack by Arab states the 1967 war can no longer serve as such a precedent This book

seeks to provide a corrective on the June 1967 war **The Six-Day War of 1899** Patrick H. Hase,2008-01-01 In 1899 a year after the Convention of Peking leased the New Territories to Britain the British moved to establish control This triggered resistance by the some of the population of the New Territories There ensued six days of fighting with heavy Chinese casualties This truly forgotten war has been thoroughly researched for the first time and recounted in lively style by Patrick Hase an expert on the people and history of the New Territories *Arab Politics, Palestinian Nationalism and the Six Day War* Moshe Shemesh,2007-11-25 The Six Day War was the climax in the deterioration of the Arab Israeli conflict This study deals with such issues as the relevance of the Filastin problem as key to understanding the descent to war the pivotal Syrian water struggle as a key motivating factor and the Hashemite regime s response to Palestinians heightened national awakening **Britain, the Six-day War and Its Aftermath** Frank Brenchley,2005-02-25 Britain s reputation in the Middle East had been reduced to shreds by the fiasco of the Suez War in 1956 but by 1967 as a result of quiet diplomacy and long standing contact with the region recovery seemed possible But all seemed shattered by the Six Day War and especially by the Big Lie alleging that Britain and the USA colluded with Israel in the war and were thus vital in defeating the Arab side Britain the Six Day War and its Aftermath is a cool detailed and detached account by a top mandarin at the heart of British policy who refutes the allegations and shows Britain as pursuing an even handed policy while promoting long standing British diplomatic and vitally for Britain s flagging economy and global position economic interests Six Days In June Eric Hammel,2020-12-23 SIX DAYS IN JUNE How Israel Won the 1967 Arab Israeli War Eric Hammel Distinguished military historian Eric Hammel becomes the first chronicler of the 1967 Six Day War to unite the story of development of Israel s bold brand of military training and planning with a detailed narrative account of her breathtaking victories in Sinai Jerusalem The West Bank and the Golan Heights Unlike all earlier accounts of the 1967 war Hammel s sweeping narrative describes how from the early 1950s the Israel Defense Force Zahal undertook a relentless and often visionary campaign to prepare for the inevitable war of national survival that when it came radically altered the Middle East and has profoundly influenced international politics ever since Israel s brilliant innovative military thinkers developed extremely flexible strategies operational plans and battlefield tactics aimed at overcoming several large Arab forces with Zahal s much smaller army and air force Zahal s innovations proved to be so effective and fundamentally sound that they established the norms of modern military planning and performance that saw the United States and her coalition allies through the lightning Desert Storm campaign of 1991 Hammel decisively disproves the enduring myth that Israel s stunning 1967 victory was a miracle or a fluke He explains how by necessity and in secret a tiny Third World nation developed a First World military force that has become the envy of all the nations of the world Hammel is at his proven best when describing the actions of men at war Six Days in June seamlessly meshes classic military history with the human drama of Israel s finest hour Eric Hammel is the author of more than thirty five highly acclaimed books on military affairs including Chosin Heroic Ordeal of the Korean War
