Carnival Harold Rhenisch, 2000 Poet bioregional essayist and explorer of post colonial landscapes in decay and transition Harold Rhenisch combines his father's character with his own and in a series of luminous closely linked stories takes the reader on an emotional journey through humour joy heartbreak horror spiritual catastrophe and redemption to present a second look at history This is war from a child's eyes up close and personal from silly pranks to playing war games in the forest and finally to miracles of healing as the fabric of the world collapses and must be rebuilt Hansel his mother and their 16 year old Russian maid tend an escaped French P O W in their basement in a small town on the edge of the Black Forest during the Second World War During the Occupation this act simultaneously saves their lives and also brings them close to death as they attempt to save the innkeeper's daughter after a brutal rape by occupying Moroccan soldiers and the horrific punishment enacted upon them by the French command This story is not fiction It is the art of story telling that creates for us Hansel's fairytale village at once a magical world of mermaids witches carnival characters and eelfishers and also a sulfur choked brutalized wartime town The Canadian farmer who was Hansel returns to this German town to relive the dreams stories and terrors he experienced fifty years before In incandescent emotionally charged prose he seeks among the ruins of

The Road to Appledore Tom Wayman, 2024-05-04 Acclaimed author Tom Wayman's account of his shift from urban to rural. The recent pandemic accelerated an existing trend among urban Canadians to move to the country. Yet to quote from a 2022 Globe and Mail article: "People from cities don't always realize what they're getting into. For anyone setting out in that direction or dreaming of doing so, Tom Wayman's *The Road to Appledore* or *How I Went Back to the Land Without Ever Having Lived There in the First Place* is rewarding reading. The book follows Wayman from Vancouver to southeastern BC's Slokan Valley, deep in the Selkirk Mountains, and presents with his characteristic humor and philosophical insight his ensuing major shifts of perspective and knowledge. Mishaps, misadventures, and moments of delight and wonder abound in Wayman's prose reflections on his decades of living immersed in nature and the contemporary rural: from having to deal with a bear cub in his kitchen to engaging in a vigilante action to protect a community water system to the quiet satisfaction of growing his own food and flowers. Wayman depicts the rural southwest of Canada in intimate detail and a sense of wonder; readers will be transported alongside him." *American Indian Literature*

Kimberly Wieser-Weryackwe, 2025-07-10 Discover the essential people, works, movements, and themes in American Indian literature. American Indian literature is a varied and vibrant collection of Indigenous artistic expression. American Indian novelists, poets, essayists, and critics have over the last four centuries asserted powerful forms of intellectual and artistic sovereignty, writing in English while building on discrete tribal oral traditions and forms of storytelling. This encyclopedia introduces readers to the key historical and contemporary figures in American Indian literature and their defining works. From the fiery sermons of Methodist minister William A. Pess to the Pulitzer Prize-winning novel *House Made of Dawn* by N. Scott Momaday to the critically acclaimed and commercially successful novels of Louise Erdrich, this book illustrates the indelible and influential imprint American Indians have on the landscape of American letters. Readers are also introduced to the key themes and context of American Indian literature, exploring how it is inextricable from American literary history, the American literary canon, and the narrative of American history, not on the fringes of the American experience but central to it. *The Order in Which We Do Things*

Tom Wayman, 2014-03-24 Tom Wayman's poetry has been published around the world to great acclaim. Wayman is one of Canada's most prolific and public poets, and his writing since the 1960s has been by turns angry, engaged, hopeful, tender, and hilarious. His voice and persona are his alone but simultaneously ours too. His recurring themes work: mortality, love, lust, friendship, the natural world. Make his work a poetry of human inevitabilities, a poetry that exults in the inevitability of seeing poetry in the everyday. Wayman's craft is poesis, from the Ancient Greek to make, making a change, making a difference, making a ruckus, making the most of our time. His working life has always been inextricable from his writing; one of his poems offers an honest and candid consideration of the ideological underpinnings, practical realities, and subtle beauties of a life lived.

on job sites and picket lines in union halls classrooms and book stuffed offices and on the page itself *The Order in Which We Do Things* is a collection of more than thirty of Wayman's best poems selected and introduced by Owen Percy. Percy's introduction explores the genesis of Wayman's print persona and contextualizes his politically engaged conversational voice within the pantheon of its various publics. In his afterword *Work and Silence* Wayman reflects on his more than forty years in print as a work poet and underlines poetry's sustained power to engage readers, invite solidarity and stoke the fires of critical resistance to the order in which we do things.

Poetry, Method and Education Research Esther Fitzpatrick, Katie Fitzpatrick, 2020-07-21. Poetry can be both political and pedagogical. It is utilised in a variety of ways in research to enhance, critique, analyse and express different voices. *Poetry, Method and Education Research* brings together international scholars to explore issues as diverse as neoliberalism, culture, decolonising education, health and teacher identities. A key strength of the book is its attention to poetry as a research method, including discussions of how to engage with poetry in research as well as including a range of research poems. Poetry is thus framed as both a method and performance. Authors in this book address a wide variety of questions from different perspectives, including how to use poetry to think about complex issues in education, where poetry belongs in a research project, how to write poetry to generate and analyse data, and how poetry can represent these findings. This book is an essential resource for students and researchers in education programmes and those who teach in graduate research methods courses.

Out of the Ordinary Tom Wayman, 2025-03-04. Wayman crafts poetry that captures how the everyday can contain the extraordinary. The twenty-first century so far feels extraordinary, offering in its first quarter a global pandemic, catastrophic climate events, an unprecedented gap between the super rich and the rest of us, new shortages in medical services and affordable homes, and more. The poems of Tom Wayman's new collection *Out of the Ordinary* explore how such extraordinary developments can both arise from and affect the ordinary objects, environments, and human relationships that surround us. To probe this traffic between the ordinary and the extraordinary, the poems of *Out of the Ordinary* go deep, drawing on poetry's almost magical ability to discover links between aspects of our lives that otherwise seem far apart. The sections of this collection investigate some responses to this century's quandaries: the enduring mysteriousness of nature as well as of our historic and cultural worlds, and what we find if we imaginatively enter a carrot seed or a raindrop. Other sections honour a friend lost during the pandemic, struggle with how to deal with such life-altering

transitions and marvel at the strangeness of this century's literary milieu Poets are the janitors of the human heart Wayman maintains in a poem of that name and he indeed demonstrates how poetry can make the ordinary shine brightly even in these turbulent decades **Aging**, 1974 **Pictures of the Heart** Joshua S. Mostow, 1996-10-01 This book provides for the first time in English the kind of information that allows an accurate appreciation of the meanings and quality of Japanese poems Mostow's reception oriented approach in this poem by poem discussion inspires an excellent essay on the history of English translations of this collection Choice Joshua Mostow offers a brilliant and multifaceted exploration of Japanese poetics through translations commentaries and both literary and visual readings of the most influential of all poem anthologies This book penetrates to the heart of traditional Japanese aesthetics Stephen Addiss University of Richmond a rigorous and engaging study of an extremely important Japanese text It is filled with information and shows a real appreciation for the often unarticulated assumptions that lay behind certain understandings both Japanese and Western concerning meaning and significance in a work of literature The study breaks still further ground by articulating and in the most persuasive fashion issues relating to text and image that are central to the Japanese arts in virtually all periods Professor Mostow has written a book that should interest not only specialists in the fields of Japanese literature and fine arts but virtually anyone who enjoys reading poetry in an active and thoughtful fashion J Thomas Rimer University of Pittsburgh **Dismissed as elegant fossils** Lee Bruschke-Johnson, 2021-11-22 Konoe Nobutada 1565-1614 was a famous calligrapher and head of a high ranking aristocratic family Nobutada's contributions to the art and culture have frequently been overlooked largely because of the common misperception that aristocrats were too outdated impoverished and powerless to be worthy of discussion Dismissed as Elegant Fossils seeks to reinstate aristocrats as key players in the competition for political and artistic supremacy by examining Nobutada's calligraphy and painting his turbulent relationship with Tokugawa Ieyasu and his family's role in marital politics
