Sixpenny Soldier:

KILL THE MAJOR (Second Edition) Paul Malone, 2023-02-07 The true story of the 42 Australian New Zealand and British guerrillas and their Borneo warrior allies who fought behind Japanese lines in World War II and forced the surrender of the last two Japanese companies ten weeks after World War II's official end. Over 1 000 Japanese were killed in the Semut I operation, a casualty rate out of all proportion to the small size and armaments of the force. But rather than revere and praise their leader after the war, many of the guerrillas recounted their hatred for their British major Tom Harrisson. One of those amazing stories that wars throw up. Steven Carroll, The Sydney Morning Herald. The Age. Kill the Major reveals much that will be news to the descendants of the Kelabit warriors. Dr Philip Raja, President Rurum Kelabit Sarawak. While it is now 75 years since Special Operations Australia SOA conducted its most successful operation throughout the course of the Second World War, the author has provided a refreshing review of events and he has reignited much debate over the legacy of Operation Semut Major. Rtd Jim Truscott, Commando The Magazine of the Australian Commando Association. Malone's fascinating book reveals that the Allied guerrillas, with the help of traditional headhunting local tribesmen, did an outstanding job after being dropped into the Borneo jungle during the Pacific War. In particular, Malone builds a strong argument that the 9th Division should have accepted the guerrillas' accurate intelligence and moved inland to round up the two big groups of Japanese roaming the interior. Instead, following the official Japanese surrender, they chose to withdraw, leaving the loyal locals at the mercy of the Japanese. Brian Toohey, National security writer and former Canberra and Washington correspondent, Australian Financial Review. The Artillerist's Manual, and British Soldier's Companion Frederick Augustus Griffiths, 1868 **The artillerist's manual and British soldier's compendium** F. A. Griffiths, 2025-03-02 In *The Artillerist's Manual and British Soldier's Compendium* F. A. Griffiths offers a meticulous guide that showcases both the technical expertise and tactical nuances of artillery in the British military context. Written in an accessible yet authoritative style, the compendium blends detailed illustrations, diagrams, and comprehensive descriptions to elucidate complex concepts in military artillery. It serves as a crucial resource for understanding the evolution of British military engagement during the 19th century, reflecting broader themes of industrialization and modernization within armed forces. The book not only instructs on the mechanics and operations of artillery but also provides insights into the soldier's life, emphasizing discipline, strategy, and camaraderie among troops. F. A. Griffiths, a figure deeply entrenched in military studies, draws from his extensive background in both practical artillery service and academic scholarship to deliver this compendium. His experience fosters a unique perspective that marries technical proficiency with historical narrative, offering readers a both hands-on approach and a broader societal perspective on the role of artillery in shaping British military fortunes. Griffiths's expertise is rooted in the 19th-century military milieu, allowing him to capture the zeitgeist of an era poised at the nexus of tradition and innovation. Recommended for historians, military enthusiasts, and professionals alike, Griffiths's work stands as an essential reference that enriches the

understanding of British military history Its blend of practical guidance and historical context makes it a vital tool for both scholars and practitioners seeking knowledge about the complexities of military operations and their sociopolitical implications This compendium is a significant contribution to the annals of military literature providing invaluable insights for anyone interested in the legacy of military prowess **The Artillerist's Manual, and British Soldier's Compendium** Frederick Augustus Griffiths, 1862 The Artillerist's Manual, and British Soldier's Compendium ... Stretcher-bearers Mark Johnston, 2015 This book provides a generously illustrated engaging and moving account of the history of the stretcher bearer Australia's China Lachlan Strahan, 1996 First published in 1996 Australia's China explores the multifaceted and dynamic Australian encounter with China from the beginning of the Sino Japanese War in 1937 through the Cold War to the Australian recognition of the PRC in 1972 Going beyond conventional policy studies it traces the patterns in Australian reactions to China from the grass roots to official circles highlighting the centrality of images concerning the exotic disease sexuality the frontier and China as a paradise anti paradise In responding to China Australians revealed something of themselves and this book maps the formation of Australian conceptions of identity in the context of a cross cultural encounter which was variously cooperative enriching baffling and antagonistic But there was no single Australian conception of China Rather competing perceptions jostled in a shifting dialogue *The Doctor Speaks* William James Dawson, 1900 **The Most Offending Soul Alive** Judith M. Heimann, 1999-11-01 An English eccentric and adventurer Tom Harrisson 1911-1976 sought knowledge and renown in a dizzying number of fields while breaking most of the rules of civilized society He was a precursor in the field of modern market research he won the DSO for his World War II service in Borneo he led efforts to save the orangutan the green sea turtle and other endangered species he discovered the oldest modern human skull known at the time This hugely enjoyable story of Harrisson's extravagant controversial life offers a sympathetic and insightful look at a charismatic figure who offended as many people as he impressed at the twilight of colonialism on the fringes of the British empire *The Reading Nation in the Romantic Period* William St Clair, 2004-07-08 Publisher Description **Tigers Burning Bright** Alan Ogden, 2013-12-01 The story of the remarkable efforts to bolster Britain's defensive capability in South East Asia in the face of the Japanese threat after 1941 Alan Ogden brings to life the extraordinary story of SOE in the Far East as an organization battling against vested interests and competing Allied agencies and how over time it became a significant provider of strategic and tactical intelligence as well as carrying out countless dangerous missions behind enemy lines some of which inflicted massive losses on the enemy Behind this history lie the stories of some exceptional men who defied all odds in successfully prosecuting the war against a ruthless and efficient enemy in one of nature's toughest and most dangerous environments the jungle Ogden draws on both published and unpublished sources to tell their remarkable stories always ensuring that the political context of their missions is fully explained **Borneo: The Last Campaign** Michael Veitch, 2025-08-26 From bestselling author Michael Veitch Australia's Secret Army Turning Point comes the story of the brilliant yet controversial campaign which ended Australia's involvement in World War II Borneo The Last Campaign tells the story of Operation OBOE the massive three pronged assault on the vast Japanese held island of Borneo in 1945 It was one of the largest amphibious invasions of the entire war and a virtually all Australian operation Over the final twelve weeks of World War Two the 1st Australian Army Corps chased down and fought

the remnants of the Japanese army over burning oil fields up languid tropical rivers along leech ridden jungle tracks and across endless hills valleys and ridges Far from being the easy mopping up the men had been told to expect Borneo turned out to be as savage as anything the Aussies had hitherto encountered in the Pacific as the Japanese despite the inevitability of their defeat continued fighting with fanaticism tenacity and shocking brutality Immensely complex but brilliantly planned OBOE called for Australia's two most famous Infantry Divisions the 7th and 9th to storm ashore at three separate landing areas supported by US and Australian naval forces and local Dyak guerrilla fighters Their objectives were to secure Borneo's oil facilities and liberate its long suffering people Although now largely forgotten as well as mired in the controversy that it had little effect on the overall outcome of the war the skill bravery and determination showed by the average Australian soldier on Borneo many of whom were fighting their one and only battle of the war is beyond question OBOE involved more than 70 000 Australian military personnel of which over 2000 became casualties with nearly 600 killed It was also where the two final Australian Victoria Crosses of the war were won as well as literally dozens of other awards for bravery OBOE was superbly executed achieved all of its objectives and was the very last sustained Allied action of World War Two Drawing on a myriad of firsthand sources and interviews with the two last surviving veterans Borneo The Last Campaign examines the lead up to the landings and the campaign itself in never before published detail Once again Michael Veitch provides a compelling and fascinating account of a part of Australian war history that deserves to be recognised **Australian Battalion**

Commanders in the Second World War Garth Pratten, 2009-04-27 In Australian Battalion Commanders in the Second World War Garth Pratten explores for the first time the background role and conduct of the commanding officers of Australian infantry battalions in World War II Despite their vital role as the lynchpins of the battlefield uniting the senior officers with the soldiers who fought the battalion commanders have previously received scant attention in contemporary military history This book redresses the balance providing a gripping meticulously researched and insightful account that charts the development of Australia's infantry commanding officers from part time ill prepared amateurs to seasoned veterans who although still not professional soldiers deserved the title of professional men of war Drawing on extensive and original archival material Pratten recreates battle scenes and brings to light many diverse personalities It is a story of men confronting the timeless challenges of military leadership mastering their own fear and discomfort in order to motivate and inspire their troops to endure the maelstrom of war **In the Picture** Donat Gallagher, Carlos Villar Flor, 2014-11-15 Evelyn Waugh at war is an irresistibly fascinating subject as are his war novels and diaries Drawn to units offering the greatest danger but often frustrated in his search for action Waugh served in multiple regiments saw battle on Crete and worked behind the lines in occupied Croatia In the Picture traces Waugh's experiences both vivid and mundane with a completeness never before attempted and shows how they come alive in Sword of Honour It also illuminates the brief hints within the narrative of key events of the war while highlighting its strategic direction Waugh's individualistic relationships with

superiors subordinates and public opinion led to blame and controversy Working mainly from archival sources In the Picture examines Waugh s fitness to be an officer his conduct on Crete his being sacked from the Special Service Brigade and his service in Croatia New very surprising discoveries dispel entrenched myths **The Independent** ,1899 Independent and Weekly Review ,1899
