heavily on the work of the Missional Wisdom Foundation Duggins begins with a reflection on the community building aspects of traditional church He then uses storytelling to introduce four common forms of community community through work community through food community through children s schools and activities and community through shared recreational activities Together is intended to help Christian people embrace the freedom to experiment with alternative forms of Christian community Duggins nudges the missional imagination of people who long for spiritual connection and growth but for whom traditional church is not the answer Using a yes and approach he shows that traditional church can empower and stand alongside new forms of community each of which can act as a means of grace      Learning Targets for Numeracy
