Sky For Henry:

Henry's Walk Kane Simpson, 2013-10-22 Henry falls into a dream like state of consciousness which allows him to travel the inner workings of his mind From a feeling of pointlessness and realising that he had spent his time on Earth striving without contemplation Henry embarks on a journey of self discovery and understanding Despite finding a friendly companion and being hounded by a wild animal presence Henry continues on his journey alone He understands that the path he is walking down is only wide enough for a single person Henry's Walk is a surreal journey of self discovery filled with people and environments that manifest the many unrealised oddities of life Sky-land, 1914 A Sky for Henry Chris Strodder, 1985 Despite the help of several other birds a penguin is discouraged by his inability to learn how to fly until he finds his true element **Race to the Sky** Stephen B.
