Identity Yifat Monnickendam, 2020-01-09 Ephrem one of the earliest Syriac Christian writers lived on the eastern outskirts of the Roman Empire during the fourth century Although he wrote polemical works against Jews and pagans and identified with post Nicene Christianity his writings are also replete with parallels with Jewish traditions and he is the leading figure in an ongoing debate about the Jewish character of Syriac Christianity This book focuses on early ideas about betrothal marriage and sexual relations including their theological and legal implications and positions Ephrem at a precise intersection between his Semitic origin and his Christian commitment Alongside his adoption of customs and legal stances drawn from his Greco Roman and Christian surroundings Ephrem sometimes reveals unique legal concepts which are closer to early Palestinian sectarian positions than to the Roman or Jewish worlds The book therefore explains naturalistic legal thought in Christian literature and sheds light on the rise of Syriac Christianity **Human Trafficking, The Bible and the Church** Marion

Carson, 2017-06-12 In this book Marion Carson brings us a profound interdisciplinary account of how Christians have engaged with slavery in the past and how they might respond in the future *Colossians and Philemon Navigators*, The Navigators, 2018-05-08 Two crises in Colosse sent visitors to the Apostle Paul First an old friend brings news that false teachers are laying down rules and boasting of secret knowledge beyond the gospel Then a runaway slave begs Paul to ask his Christian master for mercy The letters Paul writes to handle these dilemmas remain foundational for understanding Christ and His work in us This Bible study on the books of Colossians and Philemon examine how Paul exalted Christ and affirmed a truly Christian lifestyle Personal study between meetings 11 sessions Includes study aids and discussion questions

Hurd on the occasion of his retirement as Professor of New Testament at Trinity College, Toronto, and in recognition of a distinguished career in the fields of Pauline studies and computing in the humanities. Given Professor Hurd's interest in Christian origins and methodology, it is appropriate that the contributors to this volume deal with the origin and development of various aspects of Judaism and Christianity. In particular, they highlight how a greater attentiveness to method has resulted in a reshaping of our understanding of Christianity or Judaism. The volume is divided into three parts: New Understandings of Paul, New Understandings of the New Testament, and New Understandings of the Relationship between Judaism and Christianity. Contributors include Walter Aufrecht, Karl Donfried, Robert Grant, John Kloppenborg, Gerd Ludemann, and Wayne McCready.

Enslaved Leadership in Early Christianity Dr. Katherine A. Shaner, 2018-03-01. Enslaved Leadership in Early

Christianity challenges readers to re think common perceptions about how enslaved persons participated in first and second century CE Christian communities Using archaeology and ancient literature the book destabilizes structures of domination and reimagines early Christian communities through the ambiguities of power *The First Letter to the Corinthians* Roy E Ciampa, Brian S Rosner, 2020-05-21 This careful sometimes innovative mid level commentary touches on an astonishingly wide swath of important sensitive issues theological and pastoral that have urgent resonances in twenty first century life This thorough commentary presents a coherent reading of 1 Corinthians taking full account of its Old Testament and Jewish roots and demonstrating Paula s primary concern for the unity and purity of the church and the glory of God Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come and scholars will be challenged to see this letter with fresh eyes *Perspectives on Eternal Security* Kirk R. MacGregor, Kevaghnn Mattis, 2009-05-07 Eternal security or personal assurance of final salvation constitutes the single most important matter of practical theology in the Christian tradition For the past twenty centuries no other doctrine has exerted such a direct impact on the lives of lay Christians driving their daily actions guiding their permanent choices and shaping their psychology From the New Testament period onward a diversity of views on biblical interpretation anthropology and divine sovereignty have produced numerous models of eternal security However due to the early modern fracturing of Protestant thought along Reformed and Arminian lines today most evangelicals equate eternal security with Calvin s perseverance of the saints In an ecumenical vein this collection of essays aims to remedy the knowledge gap by bringing a breadth of biblical historical and philosophical perspectives to bear on the question of eternal security These essays comprise the first print anthology from the online theological journal Testamentum Imperium an international forum founded and edited by Kevaghnn Mattis featuring scores of first rate articles from Christian thinkers worldwide on the topic of eternal security This book therefore analyzes Calvin s model of perseverance alongside views on eternal security ranging historically from Clement of Rome to contemporary developments in philosophical theology and process theology Furthermore this book explores and strengthens the biblical roots of eternal security through an illuminating host of thematic studies on whole books and exegetical studies on particular passages Hence this volume will profit all who are interested in the scriptural foundations and historical outworkings of eternal security

God So Loved, He Gave Kelly M. Kopic, 2010 *God So Loved He Gave* places the practice of giving within the larger story of God s generosity Here we discover how our participation in the overflow of divine giving is vitally connected to the Trinitarian nature of God the unfolding drama of Scripture and ultimately the Gospel itself *Paul's Utilization of Preformed Traditions in 1 Timothy* Mark M. Yarbrough, 2009-01-01 Mark Yarbrough assesses the question of whether traditional preformed material contributes to the message and understanding of Paul s first letter to Timothy The issue is addressed in three sections Part one evaluates previous works interacting with traditional material in the New Testament Through a critique of historically proposed criteria Yarbrough identifies eight criteria as the primary tools by which to discern units of

preformed material In the second part of the book Yarbrough evaluates nineteen passages in 1 Timothy according to the criteria previously determined From this base he embraces twelve of the nineteen passages as preformed material These passages are subsequently examined in depth according to the author s distinct methodology Part three demonstrates four functions of the preformed traditions in 1 Timothy Firstly that they may be seen as strengthening the literary cohesion of the letter Secondly that the traditional units afford the author rhetorical leverage which may be best identified as the provision of authority the establishment of an instant rapport with the primary audience and the assistance conferred in addressing this implied audience Thirdly they present theological directives that confront the character and belief of the false teachers Finally Yarbrough asserts that the preformed traditions exist as a combatant against counter mission doctrine In conclusion this study displays that the traditional material which may be discerned within the letter contributes significantly to the overall message and understanding of 1 Timothy

Adopted into God's Family Trevor J. Burke,2016-02-11 In this New Studies in Biblical Theology volume Trevor Burke argues that the scripture phrase adopted as sons while a key theological metaphor has been misunderstood misrepresented or neglected He redresses the balance in this comprehensive study of the phrase This volume not only probes a neglected theme it also edifies says D A Carson

Christ Identity Sergio Rosell Nebreda,2011-03-09 Sergio Rosell Nebreda focuses on how the Philippian Christ followers received Paul s letter The social historical literary rhetorical anthropological and theological elements are dealt with in order to understand the effect Paul wanted to achieve The main thesis of the book is that the apostle Paul who greatly suffered at Philippi and writing from a prison desires to affect the Philippians believers to acquire a Christ orientation based on the values expressed in the Christ hymn Phlp 2 5 11 forms the core of Paul s theological narrative that aims at constructing a sense of imitatio and conformatio in the Christ following community Paul uses a friendly style in his letters in order to produce rapport and trust in the community presenting himself as exemplum ad imitando after that of Christ It is because Paul so fully identifies with Christ s orientation in life that the apostle presents himself as a slave of Jesus Christ In the midst of a society ill with the desire for honour and power the Christ narrative stands as a radical call for an alternative life style based on the exercise of humility which seeks the interest of others rather than focusing on one s own needs and desires Paul insists on the basis of the Christ hymn that such a life style reveals God s character and it is therefore a life rewarded Through the use of Social Identity Theory this book evaluates how ancient people constructed their group identity in daily life and how through a seemingly inferior model that of Christ s kenosis in 2 5 11 the community receives a re definition of values which are according to God s values and who has the last word in history Paul thus presents an alternative and viable way of life in the midst of a society he knows well

The Healing Words of Jesus James R. Beck,2000-12-27

Conflict and Community in Corinth Ben Witherington,1995-01-24 This commentary applies an exegetical method informed by both sociological insight and rhetorical analysis to the study of I and 2 Corinthians The study also analyzes the two letters of Paul in terms of Greco Roman rhetoric

and ancient social conditions and customs to shed fresh light on the context and content of the message

Early Christian Ritual Life Richard E. DeMaris, Jason T. Lamoreaux, Steven C. Muir, 2017-11-22 Scholars across many fields have come to realize that ritual is an integral element of human life and a vital aspect of all human societies Yet this realization has been slow to develop among scholars of early Christianity Early Christian Ritual Life attempts to counteract the undervaluing of ritual by placing it at the forefront of early Christian life Rather than treating ritual in isolation or in a fragmentary way this book examines early Christian ritual life as a whole The authors explore an array of Christian ritual activity employing theory critically and explicitly to make sense of various ritual behaviors and their interconnections Written by leading experts in their fields this collection is divided into three parts Interacting with the Divine Group Interactions Contesting and Creating Ritual Protocols This book is ideal for religious studies students seeking an introduction to the dynamic research areas of ritual studies and early Christian practice

Knowing Who You Are Malcolm J. Gill, 2015-06-10 Throughout the history of the church many excellent books have been written addressing the theological significance of Christian identity Such works have delineated important doctrines such as adoption justification and sanctification While these studies of being in Christ have been fruitful and numerous they have often neglected one of the most useful tools in understanding Christian identity namely the use of metaphor A search of Scripture reveals that Jesus and his apostles frequently utilized images from everyday life to illustrate spiritual truths about our identity In this fresh work Knowing Who You Are invites the reader to explore eight lesser known images of Christian identity found in the New Testament Among others the author investigates how being a Christian is like being a boxer in ancient Corinth a citizen in Philippi a farmer in Galilee and a sheep in a flock This engaging assessment of first century images will draw the reader in and leave them challenged encouraged and often surprised as they discover afresh what it means to be Christian
