Nance,Desmond Wenger,2017-09-20 First published in 2003 Terrorist Recognition Handbook A Practitioner s Manual for Predicting and Identifying Terrorist Activities remains one of the only books available to provide detailed information on terrorist methodology revealing terrorist motivation organizational structure planning financing and operational tactics to carry out attacks , Muslim Prayer in American Public Life Rose Aslan,2024 Drawing on a variety of literature poetry films TV shows and social media posts and an original survey of 350 US Muslims Muslim Prayer in American Public Life provides an in depth examination of the lived experiences of Muslim prayer practices in the United States today **Between the Middle East and the Americas** Evelyn Alsultany,Ella Habiba Shohat,2013-02-12 Perceptions of the Middle East in conflicting discourses from North America South America and Europe **Iran's Revolutionary Guard** Steven K. O'Hern,2012 Argues

that the Iranian Revolutionary Guard poses a danger to the economy and well being of the United States citing its previous operations in the Middle East and Asia **Strategic Intelligence-Community Security Partnerships** Maiwa'azi Dandaura-Samu,2017-10-24 This book examines the need to bridge strategic intelligence and community collaboration It explores intelligence collection analysis and operations as they relate to conflicts that can be solved through community collaboration Its argument sits at the nexus of intelligence collection operations and academic research supporting the use of analytical frameworks process theories critical thinking and pragmatic approaches in intelligence data analysis to provide a seamless end product for effective decision making by policy makers business and military strategists The book insists that public opinion matters in the sense that leaders must shape it using collected intelligence and not wait for things to just happen For any intelligence community collaboration to succeed intelligence agencies must succeed in framing and setting public opinion The book also sheds light on competitive intelligence arguing that turbulent times and threatening environments necessitate that corporate organizations engage in competitive intelligence the same way security organizations and agencies constantly shift and change paradigms They must be innovative create new labor practices and use self motivating management approaches and dynamic imaginative models to invent new strategic intelligence tactics and resolutions for optimal performance and productivity **U.S. Domestic and Transnational Terrorism** Joseph A. Ruffini,Patricia A. Ruffini,2025-09-15 U S Domestic and Transnational Terrorism is an easy to read and comprehensive primer detailing the essential information necessary to understand the current terrorist landscape and threats The book defines terrorism and outlines the distinctions between what are considered terror attacks criminal acts and hate crimes In looking at both U S domestic and transnational terror organizations the coverage provides a profile of groups tactics attack and operational hallmarks illegal activities to date and the ongoing threats they present The book highlights the need for preparedness and vigilance but not paranoia proposing ways in which American authorities and the citizens that they serve can greatly enhance terror awareness preparedness and prevention U S Domestic and Transnational Terrorism serves as both an essential manual and a reference book for a wide variety of readers This includes homeland security practitioners federal government and Department of Defense forces and protection personnel security and anti terrorism professionals law enforcement agencies fire and medical first responders and academic institutions offering courses in homeland defense security and transnational terrorism studies and everyday citizens who wish to be informed and aware *Terrifying Muslims* Junaid Rana,2011-06 Ethnographic research in Pakistan the Middle East and the United States helps to explain how transnational working classes from Pakistan are produced in the context of American empire and its War on Terror Arabs and Muslims in the Media Evelyn Alsultany,2012-08-20 After 9 11 there was an increase in both the incidence of hate crimes and government policies that targeted Arabs and Muslims and the proliferation of sympathetic portrayals of Arabs and Muslims in the U S media Arabs and Muslims in the Media examines this paradox and investigates the increase of

sympathetic images of the enemy during the War on Terror Evelyn Alsultany explains that a new standard in racial and cultural representations emerged out of the multicultural movement of the 1990s that involves balancing a negative representation with a positive one what she refers to as simplified complex representations This has meant that if the storyline of a TV drama or film represents an Arab or Muslim as a terrorist then the storyline also includes a positive representation of an Arab Muslim Arab American or Muslim American to offset the potential stereotype Analyzing how TV dramas such as The Practice 24 Law and Order NYPD Blue and Sleeper Cell news reporting and non profit advertising have represented Arabs Muslims Arab Americans and Muslim Americans during the War on Terror this book demonstrates how more diverse representations do not in themselves solve the problem of racial stereotyping and how even seemingly positive images can produce meanings that can justify exclusion and inequality

Monstrous manifestations: Realities and the Imaginings of the Monster Agnieszka Stasiewicz-Bienkowska, Karen Graham, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2013 Monstrous manifestations Realities and Imaginings of the Monster presents an enlightening collection of inter disciplinary research on the multifarious incarnations of the monster Exploring the fears hopes and concerns of contemporary and bygone times alike through the literary cinematic artistic cultural and political metaphor of the monstrous this volume will be of interest to both the expert and the amateur monster aficionado Encompassing a variety of theoretical frameworks Monstrous manifestations illuminates the monsters lurking in studies of gender media and literature as well as of religions and popular culture Consorting with witches vampires shape shifters clones and hybrids and acquainting with killers deformed creatures and beings undefined the authors daringly stalk the monsters coming out of their traditional lairs and colonising the new and constantly expanding social cultural psychological and political spaces inviting the reader to journey with them as they venture into the monster s terrain

Framing Muslims Peter Morey, Amina Yaqin, 2011-09-05 Can Muslims ever fully be citizens of the West Can the values of Islam ever be brought into accord with the individual freedoms central to the civic identity of Western nations Not if you believe what you see on TV Whether the bearded fanatic the veiled oppressed female or the shadowy terrorist plotting our destruction crude stereotypes permeate public representations of Muslims in the United States and western Europe But these Muslims are caricatures distorted abstractions wrought in the most garish colors that serve to reduce the diversity and complexity of the Muslim world to a set of fixed objects suitable for sound bites and not much else In Framing Muslims Stereotyping and Representation after 9 11 Peter Morey and Amina Yaqin dissect the ways in which stereotypes depicting Muslims as an inherently problematic presence in the West are constructed deployed and circulated in the public imagination producing an immense gulf between representation and a considerably more complex

reality Crucially they show that these stereotypes are not solely the province of crude minded demagogues and their tabloid megaphones but multiply as well from the lips of supposedly progressive elites even those who presume to speak from within on Muslims behalf Based on nuanced analyses of cultural representations in both the United States and the UK the authors draw our attention to a circulation of stereotypes about Muslims that sometimes globalizes local biases and at other times brings national differences into sharper relief
