Roman Wölfel

Tchaikovsky Letters To His Family An Autobiography:

Letters to His Family Peter Ilich Tchaikovsky, 2000 The great Russian composer Piotr Ilyich Tchaikovsky was a compulsive letter writer *Piotr Ilyich Tchaikovsky: Letters to His Family* Peter Ilich Tchaikovsky, 1982 Pëtr Il'ich Tchaikovsky Gerald R. Seaman, 2019-08-23 P tr Il ich Tchaikovsky A Research and Information Guide is an annotated bibliography of substantial relevant published resources relating to the Russian composer Generally regarded as one of the most remarkable composers of the second half of the nineteenth century Tchaikovsky is unique in that he was the first outstanding Russian composer to receive a professional musical education being one of the first students to graduate from the newly opened St Petersburg Conservatory Composer of six symphonies concertos orchestral works eight major operas three ballets and many chamber keyboard and vocal works he also composed important sacred music which is currently being reassessed by contemporary Russian musicologists who are able to examine materials previously restricted or inaccessible during the Soviet period Like his colleagues in St Petersburg Tchaikovsky was deeply interested in Russian folk song which plays an important part in his works This volume evaluates the major studies written about the composer incorporating new information that has appeared in literary publications articles and reviews **The Biography Book** Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

The Harvard Biographical Dictionary of Music Don Michael Randel, 1996 Biographaical dictionary emphasizes classical and art music also gives ample attention to the classics as well as Jazz Blues rock and pop and hymns and showtunes across the ages Experiencing Tchaikovsky David Schroeder, 2015-02-10 The music of Tchaikovsky remains as much loved in the twenty first century as it was a hundred years ago But it has so much more to offer than luscious orchestration and tuneful melodies In *Experiencing Tchaikovsky* A Listener s Companion historian and scholar David Schroeder looks beyond traditional views of Tchaikovsky to explore the dramatic impact of his music by walking readers through the remarkable range of works by this great Russian composer Drawing on a select but highly representative group of compositions from Tchaikovsky s vast output from his groundbreaking ballet *Swan Lake* to his great opera *Eugene Onegin* *Experiencing Tchaikovsky* A Listener s Companion offers in depth explorations without technical jargon In addition to looking at his ballets and some of his operas Schroeder probes the many other genres in which Tchaikovsky worked from his chamber music

pieces and symphonies to his other orchestral works and concertos Throughout Schroeder draws connections among the works painting a fuller more coherent picture of Tchaikovsky through his thematic interests musical techniques sonic signatures and literary and cultural focuses For context Schroeder describes the works of personal significance for the composer through such contemporary literature as Tchaikovsky's letters to Nadezhda von Meck the wealthy patroness whom he never met Experiencing Tchaikovsky A Listener's Companion is for anyone who left a ballet performance whistling themes from Swan Lake or humming melodies from The Nutcracker It is the ideal work for concertgoers music students opera buffs ballet enthusiasts and anyone who appreciates this musical master **Tchaikovsky's Last Days** Alexander

Poznansky, 1996-10-31 Tchaikovsky's death in October 1893 in St Petersburg shortly after the premiere of his sixth symphony the Pathétique is one of the most thoroughly documented deaths of a prominent cultural figure in modern times He was treated by no fewer than four physicians and surrounded by a group of relatives and friends The official account of his death was that he died from cholera possibly by drinking infected water but almost since the day of his death there have been rumours that it was not accidental It is alleged by some that Tchaikovsky either committed suicide or was murdered in order to avoid the scandal and disgrace of being unmasked as a homosexual Alexander Poznansky is the first Western scholar to have gained access to the Tchaikovsky archives in Klin Russia He provides much hitherto unknown documentary material memoirs diary entries letters and newspaper reports and adds his own commentary on the status of homosexuality in nineteenth century Russia and on the various conspiracy theories that have been advanced to account for Tchaikovsky's death His conclusion is that there is no factual evidence to support the notion that Tchaikovsky's death was caused by anything other than cholera The Cambridge Companion to Modern Russian Culture Nicholas Rzhevsky, 2012-04-05 A fully updated new edition of this overview of contemporary Russia and the influence of its Soviet past Tchaikovsky's Pathétique and Russian Culture Marina Ritzarev, 2016-04-01 Tchaikovsky's Sixth Symphony 1893 widely recognized as one of the world's most deeply tragic compositions is also known for the mystery surrounding its hidden programme and for Tchaikovsky's unexpected death nine days after its premiere While the sensational speculations about the composer's possible planned suicide and the suggestion that the symphony was intended as his own requiem have long been discarded the question of its programme remains Masculinity in Opera Philip Purvis, 2013-07-18 This book addresses the ways in which masculinity is negotiated constructed represented and problematized within operatic music and practice Although the consideration of masculine ontology and epistemology has pervaded cultural and sociological studies since the late 1980s and masculinity has been the focus of recent if sporadic musicological discussion the relationship between masculinity and opera has so far escaped detailed critical scrutiny Operating from a position of sympathy with feminist and queer approaches and the phallogocentric tendencies they identify this study offers a unique perspective on the cultural relativism of opera by focusing on the male operatic subject Anchored by musical analysis or close readings of musical discourse the contributions

take an interdisciplinary approach by also engaging with theatre popular music and cultural musicology scholarship The various musical theoretical and socio political trajectories of the essays are historically dispersed from seventeenth to twentieth first century operatic works and practices visiting masculinity and the operatic voice the complication or refusal of essentialist notions of masculinity and the operatic representation of the crisis of masculinity This volume will not only enliven the study of masculinity in opera but be an appealing contribution to music scholars interested in gender history and new musicology

As recognized, adventure as capably as experience roughly lesson, amusement, as without difficulty as arrangement can be gotten by just checking out a ebook **Tchaikovsky Letters To His Family An Autobiography** with it is not directly done, you could consent even more re this life, in this area the world.

We come up with the money for you this proper as skillfully as simple showing off to get those all. We find the money for Tchaikovsky Letters To His Family An Autobiography and numerous books collections from fictions to scientific research in any way. among them is this Tchaikovsky Letters To His Family An Autobiography that can be your partner.
