Teach Your Team To Fish:

Teach Your Team to Fish Laurie Beth Jones, 2011-12-07 Laurie Beth Jones has given hundreds of thousands of business readers insight into how the ideas of Jesus can be used to enhance performance. One of the most critical work areas for anyone whether a manager or a CEO, a teacher or a pastor is cooperative teamwork. Leaders today face their greatest challenges not only in defining strategies and getting updated information but also in getting diverse human beings to pull together without falling apart. Jesus can be a role model for team leaders everywhere. When Jesus called out to his future disciples, "Follow me and I will make you fishers of men," he transformed them from people who worked for themselves to people who were part of a larger team. Jesus was constantly exhorting his people to gather in my name and go out two by two and always think and pray as one. Jesus' final prayer was that they might be one. Father, even as you and I are one, which is ultimately about union and communion, common values and purpose, all of which form the bedrock of an inspired team. **Teach Your Team to Fish** offers dozens of stories from the Bible showing how Jesus managed his team of disciples and other followers with suggestions for how to apply these lessons to real world teambuilding and management problems. It offers guidance and inspiration on how to excite your team in order to motivate them, how to ground them so they'll be realistic about what can be achieved, how to transform them into a truly well functioning team and how to release them into the world to improve other teams elsewhere. Along the way, the book gives examples of companies in which teams work well together and offers lessons that can help team leaders everywhere sustain themselves and achieve their common goals.

The Four Elements of Success Laurie Beth Jones, 2006-07-09 Laurie Beth Jones, management expert and business consultant extraordinaire, noticed that none of the personality temperament profiles in the market today provided a tool that was simple, visual, intuitive and powerful enough to create a shift in thinking as well as relating. So she developed The Path Elements Profile (PEP) which can be used in recruitment, placement, retention, team building and customer relations as businesses transform many individuals into a harmonizing humming force for good. Within the framework of the book will be scriptural examples as well as modern day business stories. Based upon the elements of Earth, Water, Wind and Fire, the Path Elements Profile helps determine both individual and team behavioral tendencies that affect everything from career choice to daily to do lists. We choose to act on what we value and each element type values very different things. Fire personality types love and thrive on challenge. Water personality types thrive on harmony and calm. Wind personality types love chaos and change. Earth personality types love order and structure. PART I of this book provides an overview of the elements themselves as individual personality types. Jones will explain each element's strengths and challenges and will have the readers identify their own as well as those of their team members. Then in PART II, readers will assess their teams. There are 28 one day principles that if followed will take readers on a simple yet radical journey to a transformed workplace. INCLUDES an Assessment Test for Your Team's Elemental Strengths and Weaknesses.

Jesus, Entrepreneur Laurie Beth

Jones,2007-12-18 He didn't work for money He was willing to walk away He invested his emotions wisely He did sweat the small stuff Beyond work beyond entrepreneurship there is spiritrepreneurism work that allows you to do well by doing right In Jesus Entrepreneur Laurie Beth Jones bestselling author of Jesus CEO shows you how to find soul satisfaction in your work Jones shows that there is no contradiction between earning a comfortable living even as you use your job to promote your deepest spiritual and personal beliefs How exactly is this possible By sharing timeless wisdom from the Bible and anecdotes from her own life and consulting career as well as tales from the best and worst work situations in today's rapidly changing business environment she reveals how you can inspire yourself and your coworkers to use your highest gifts to benefit the bottom line A genius at making the powerful familiar Jones offers a commandingly fresh and compelling case for Jesus as a role model for modern times Rich with humor exercises meditations and case histories Jesus Entrepreneur is essential reading for those seeking to put their spirituality to practical use **Tony Soprano on Management** Anthony
