Teach Yourself Alexander Technique:

Body Learning Michael Gelb, 1981 Body Learning: 40th anniversary edition Michael J. Gelb, 2013-07-08 Body Learning has been a steady bestseller since it was first published in 1981 This updated 40th anniversary edition confirms its status as the classic work on the Alexander Technique The Alexander Technique is now recognized the world over as the most revolutionary and far reaching method ever developed for maintaining the coordination and efficiency of the human body It is not only a means of putting us in touch with our bodies but also a way of deepening our perceptions and general well being Its effects on all aspects of living and learning are profound Body Learning provides a simple clear answer to the question What is The Alexander Technique and how can it help me Michael J Gelb provides inspiration and guidance to newcomers to the technique and conveys a full understanding of the complex mental and physical dynamics involved The approach to learning and the techniques outlined in Body Learning transformed my life Read and practice and Michael Gelb's profound message will transform yours Tony Buzan author of The Mind Map Book **How to Learn the Alexander Technique** Barbara Conable, 1991-10-01 *Principles of the Alexander Technique* Jeremy Chance, 2013-01-15 This introductory guide presents an overview of the Alexander technique which teaches us how to coordinate mind and body effectively so that our thinking is clarified and our movements become naturally lighter Encompassing everything from teaching lineages to how to find a practitioner it provides all the key information on the topic The Alexander Technique Resource Book John B. Harer, Sharon Munden, 2008-12-24 The Alexander Technique is a hands on educational method that helps individuals learn how to eliminate tension in the body caused by habitual limitations in the way they move and think The health benefits of the Alexander Technique are both physical and emotional It improves balance posture and stamina and has been shown to improve cognitive functions And it was practiced and endorsed by renowned philosopher and educator John Dewey The Alexander Technique Resource Book provides guidance and information that aids in studying the technique and locating sources for further research in the field It contains information on print audio video and web based resources and includes a description of the basic principles and benefits of the Alexander Technique This book benefits students scholars and researchers as well as musicians actors and athletes looking to enhance performance in physical activities It is a helpful resource for anyone seeking information on alternative and complementary medicines like the Alexander Technique How You Stand, How You Move, How You Live Missy Vineyard, 2008-03-24 The Alexander Technique AT is a remarkably simple but powerful method for learning to skillfully control how your brain and body interact allowing you to better coordinate your movements while increasing the accuracy of your mind's thoughts and perceptions Now in How You Stand How You Move How You Live leading Alexander Technique master teacher Missy Vineyard sheds a completely fresh light on this revolutionary method and in the process offers path breaking insight into the mind body connection Vineyard thoroughly explains and teaches the central skills of the AT through simple self experiments and she offers engaging stories of students

in their lessons to show its effective application across a range of disciplines including the performing arts athletics health psychology and education

How You Stand How You Move How You Live introduces us to a world within ourselves that we know surprisingly little about and thereby helps us to understand why we often cannot do what we should be able to do why we harm ourselves with chronic tension and anxiety and why our thoughts often seem beyond our control Vineyard is also the first AT teacher to draw on cutting edge research in neuroscience and to synthesize those findings with AT theories and techniques She fully illuminates the benefits to be reaped by mastery of the Alexander Technique which include Release from acute or chronic physical pain Enhanced mental attention and focus Reduced anxiety Improved balance and coordination Relief from tension and stress Increased ease and efficiency performing precise movement skills *Beat Back Pain with the Alexander Technique* Richard Craze,2010-01-29 The Alexander Technique is now proven to overcome back pain and is recommended by the NHS to sufferers Buying this book might save you a visit to your doctor but more importantly will give you a simple no nonsense step by step guide to how to use this technique It makes the physical facts easy to understand and the spiritual aspect straightforward with simple language making sure that you benefit from better mental health as well as a pain free life
