Soft Power and the Worldwide Promotion of Chinese Language Learning Jeffrey Gil, 2017-05-11 The Confucius Institute Project consisting of Confucius Institutes and Classrooms the posting of Chinese language teachers to overseas schools and universities and the Chinese Bridge language competition represents an attempt by China to extend its influence globally through the use of soft power Facilitated by a rapidly increasing demand for Chinese language learning it has established a presence across the globe and made valuable contributions to the learning and teaching of Chinese However this has not necessarily led to an increasingly positive view of China either at a political or a societal level Through an analysis of official documents interviews with those involved a survey of Chinese language learners and a study of academic and media sources the author evaluates the aims of the project and discusses whether these aims are being met

Foreign Language Teaching and Learning in Chinese Higher Education: Emerging Challenges Wei Xu, Wu Ping , Priscilla

Roberts,2025-10-21 The teaching and learning of foreign languages such as English Japanese French Portuguese Arabic etc have become increasingly important in Chinese higher education over the past decade The application of traditional educational concepts and approaches to the increasingly diverse contexts of foreign language education in the globalized world has created deep seated tensions and challenges for Chinese universities Research has previously examined the relationship between teaching methods and student performance as well as the impact of globalization on foreign language pedagogy in China As part of the development of foreign language education a variety of educational settings have faced culturally specific challenges These challenges include the need to adapt to evolving technologies the changing needs of learners and the changing demands of the job market etc China s large population and diverse culture have necessitated the development of effective teaching methods and materials for foreign language instruction
