

TEACHERS

S E R I E S O N E

The lives and lifestyles of a group of young comprehensive school teachers in Bristol forms the backdrop for this original new drama series. Starring Andrew Lincoln (This Life), Teachers is set in the fictional Summerdown Comprehensive, where a mix of seasoned and young teachers and some caucous pupils makes for some humorous incidents. Set as much out of the classroom as in it, this is a contemporary light-hearted series where the staff find their lives just as problematic after school.

The main teachers in the drama are twenty-somethings whose lives are complicated by the fact that they aren't much older than their pupils. They have their own cliques, gossip and bullies and their own idea of a good practical joke. They sneak into the toilets for a sly fag, some still live with their parents, and they always have an excuse for why they're late for their own class.

This release contains episodes 1 - 8 of Series one.
